London, Jan. 12.—For some unexplained reason the Grecian Ambassador at Paris, who, it was supposed, would represent Greece in the Conference, has been refused participation in its Session. He has protested against his exclusion, and appealed to the Government at Athens for instructions. The Conference will await the action of Greece in this matter, and the Session announced for to-day will probably be postponed for a time in consequence.

It is the general impression that but one more session will be held, and that war between Turkey and Greece will be obviated.

FRANCE.

The conference for the settlement of the dispute between Greece and Turkey met in Paris on Saturday. The first session was a long one, commencing at four o'clock in the afternoon, and terminating at eleven at night.

The Greek and Turkish representatives manifested a very conciliatory disposition, and a peaceful result to the deliberations of the conference is looked forward to with confidence.

The official journal says the Embassadors of China, are receiving honor and attention, and declares that Mr. Burlingame's position on the embassy is entirely satisfactory to the Emperor. The Embassadors will have a formal audience with the Emperor at an early day.

Paris, Jan. 12.—The Budget of M. Magne, the French Minister of Finance, has been made public. It shows that the floating debt has been reduced 20,000 francs during the past year and the estimates for the fiscal year of 4870, promise an excess of 86,000,000 francs in the receipts over the expenditures which surplus is to be devoted to reducing the extraordinary budget—42,000 francs are to be made applicable to the redemption of rentes.

SPAIN.

The Spanish Government is about to establish a Corps of Observation in the Pyrennes.

Despatches from Madrid report that much agitation prevails in all parts of Spain.

CUBA.

The proclamation of Captain General Dulce is favorably received by the majority of the people, but it is disliked by the extremists of both the Spanish and Cuban parties.

It is rumored that an interview will soon take place between Gen. Dulce and prominent revolutionists in Havana. Should the meeting be successful it would tend materially to the restoration of peace on the Island.

It is asserted that the Revolutionary Chiefs have concluded to issue a proclamation making all slaves free and fixing a day after which they shall receive pay for their labor and they propose to carry this resolution into immediate effect.

A later despatch confirms the report that the Revolutionists have decreed the abolition of slavery within their lines.

MEXICO.

A severe earthquake occurred in Mexico on the 20th December. The cities of Colima and Manzilla were badly shaken; many buildings were thrown down or cracked, and some thirty lives lost.

The shock was felt a long distance in the interior. In several places the ground opened, trees were uprooted, hills levelled, water courses changed, and a general upheaving of the earth took place.

UNITED STATES.

Bark *Bride*, of Lodon, Jewin, Master, was wrecked on the coast of Maine, night of Jan. 1st. Sails and rigging saved. Hull breaking up. Bound from St. John for Londonderry.

Over $800,000 work of English books were imported into the United States last year, while only $87,000 worth of American books were exported to England.

The Springfield *News* states that Mr. Fisk of the Wason Railroad Manufacturing Company will take through the first train of cars, all made in Springfield, direct to Sanfrancisco. This will probably be in July or August. A great number of excursionists will be carried over the line, and a gay and festive occasion is looked for.

New York, Jan. 12.—The ice in the Hudson river above Albany broke up yesterday, causing the water to rise considerably, and threatening immense damage to the piers and warehouses.

Despatches from Albany dated at midnight say that property to the amount of half a million dollars had been destroyed, or was in imminent danger of destruction up to that time, but the fears of a general inundation, which were excited early in the day, had somewhat abated. Gold 135 3-8.

ONTARIO AND QUEBEC.

Despatches to the evening papers give the following intelligence from the upper Provinces:—The news from the Red River is that Government work on the road to the Lake of the Woods is being proceeded with vigor. The famine is wide-spread, but relief is pouring in from all parts.

The Rev. Mr. Sparrow was assaulted and stabbed by one Christie near Madoc, Ontario, on Friday last.

The Quebec *Chronicle*, *L'Eevenement* and other Conservative papers, strongly condemn Chaveau for irresolution, inefficiency, meddling and general unfitness for the leadership and declare that he is not trusted by either party or nationality.

Montreal, Jan. 12.—At the dinner to the Mayo of Ottawa, last night, Sir John A. McDonald responded to the toast of "Her Majesty's Ministers." In the course of his speech, be said he was certain that in a few months Nova Scotia would in name and heart bear its part in the Dominion, and had no doubt but that British Columbia and Newfoundland would soon be admitted into the Union. He said the great Ship Canal would be undertaken by the Government at an early day.

The safe of the Bank of Montreal at St. Catherines was blown open last night, and $50,000 in Canada legal tenders stolen.

An important change is about being made in the Inland Revenue Department. Inferior officers will no longer be seizing officers.

Destitution is prevailing in Montreal. Numerous and heartrending appeals to the benevolent are urgently put forward.

The Court House for Ottawa County was destroyed by fire on the 9th. All the papers and records were saved. The roof of the Gaol caught fire, but was extinguished without much damage.

The Commissioners of the Intercolonial Railroad [not including Mr. Chandler] have arrived in Ottawa, having travelled over the entire line of the Intercolonial from Halifax. They were presented with addresses at Rimouski and Riviere Du Loup and entertained at a public luncheon at the latter place.

About 160 miles of the line will be under contract by the middle of March, and surveys for remainder are being pushed forward as rapidly as possible.

NOVA SCOTIA.

Two boys in Halifax stole from a lawyer's office over 300 volumes of law books, besides deeds, mortgages, etc., and sold them as waste paper to a Mr. Kessork, at 1c. per lb. All the parties have been arrested. The eldest of the boys, 16 years of age, was office boy, and in the morning, when clearing up the office, he gave the books to his younger brother, aged 12, who sold them.

Beckwith, Esq., has been appointed Judge of Probates for Victoria County; and C. H. It is reported that Messrs. Beveridge and McInerny are to be appointed to the Legislative Council.

The paper mill property owned by the estate of Geo. A. Bayard, has been sold for $2,000. It is said to have cost $15,000.

The Dominion Government has promised to provide $6,000 towards the erection of a drill shed in St. John, if the Corporation will furnish a site.

The Corporation have consented to the petition for ferry improvements. Two boats are to be placed in the route, running every fifteen minutes and later in the evening than at present. Fare to be reduced to three cents.

The *Telegraph* understands that the Board of Works has awarded the contract for building the bridge over the Nashwaak to Mr. Asa Dow, of York Co., for $5,700. Mr. A. E. Killam, of Wheton Settlement, Westmorland Co., has obtained the contract for constructing a new bridge over the Petitcodiac River, near Salisbury.

Readings in Carleton.—On Monday evening there was a much larger attendance in the Public Hall, than on former occasions, to hear Mr. March's Readings. The Chair was taken by the Rev. Mr. Heustis, and on the platform with him were the Rev. Mr. Bill, and Joseph Coram, Esq., M. P. P. The Programme consists of ten well selected pieces expressing a great variety of characteristics, from the inexpressibly comic to the deeply touching and pathetic, on through the narrative and descriptive to the tragic and sublime, in all of which Mr. March's great flexibility of voice and mobility of face, combined with his just conception of the spirit of the author were brought into full exercise, to the great delight of those who heard him.

Next Monday night the Rev. Mr. Carey lectures on *Lord Brougham*.—*News*

Worthy of Note.—An exchange says, there is scarcely a day passes that we do not hear, either from persons coming into our office or in some other way, of the success of *Johnson's Anodyne Liniment* in the cure of coughs and colds, so prevalent about town just now.

If we can benefit the readers of the *Visitor* any by recommending *Parson's Purgative Pills* to be the best anti-bilious medicine in the country, we are willing to do so. We have had about as good a chance to know as any one.

Bronchitis, Coughs, Asthma,

and all diseases of the *Throat* and *Lungs*, are relieved by using "Brown's Bronchial Troches."

"I have been afflicted with Bronchitis during the past winter, and found no relief until I found your "Bronchial Troches." C. H. Gardner,

Principal of Rutger's Female Institute, New York.

"Almost instant relief in the distressing labour of breathing peculiar to Asthma."

Rev. A. C. Eggleston, New York.

"It gives me great pleasure to certify to the efficacy of your Bronchial Troches, in an affection of the throat and voice, induced by public singing. They have suited my case exactly, relieving my Throat and clearing the voice so that I could sing with ease.

T. Ducharme,

CHALONER'S HAIR INVIGORATOR.

OWING to the dryness of the air at this season of the year, in our heated dwelling apartments, the hair often becomes harsh, permanently gray, falls off, and the scalp becomes covered with dandruff. The Hair Invgorator, acting as a tonic, nutritive and stimulant, will greatly mitigate, if not wholly remove these unpleasant affections. We have introduced it at 40cts., but have now determined to charge 50cts.; the bottle holds the same as the dollar size of other makers, while some asks $1.50.. Surely ours ought to be worth 50cts. And hope they long and useful lives may lead;
Passing away! we deeply mourn

Each please accept of thanks his meed,
Were aid withheld, we're poor indeed.
Yet one word more, which shall our business favor,
Excelsior! our motto, aim, endeavour,
And so to deal that we may ever
Remain your friend, J. CHALONER.
