ONTARIO AND QUEBEC.

A despatch to the Journal dated Jan. 80 gives the important intelligence that the Hon. Joseph Howe has been sworn in as President of the Privy Council of Canada. He was to have spoken at the Governor General's dinner at Montreal on Tuesday. It is understood that the Nova Scotia question is

settled so far as the principles are concerned, a few details only remaining to be arranged. The settlement involves an increase of money appropriations to Tariff. Mr. Howe maintains that the grants to Nova Scotia are not in proportion to the value of Railways and Public Works acquired by the Dominion. The new arrangement will have to be sanctioned by

A horrible murder was committed at St. Stephen the other day by a man named Stephen Innes recently discharged as cured from the St. John Lunatic Asylum. It seems that he had entered his mother's house unknown to the family, and remained some time in a room up stairs. Descending, at length, in his stocking feet, he entered the kitchen and scizing an axe rushed at his mother and sister who were there. The latter rushed to the hall door, but was struck down by the lunatic before she could make her escape. He buried the axe in her brains and inflicted several blows in her shoulders and back. She died immediately. The mother ran out screaming violently and the lunatic son put an end to his own existence with a sheath knife. The tragedy caused intense excitement in St. Stephen.

LERAS' PHOSPHATE OF IRON.—This new preparation of differs from all others, being liquid, colorless, and entirely free from the taste or smell of iron. It promptly cures chlorosis, stomach complaiots, impaired digestion, dysmenorthose, and anomia. It is an excellent substitute for carbonate of iron, iron reduced by hydrogen, Vallet's Pills, lactate of iron, pills of Potassio, tartrate of iron, and those of iodide of iron, commonly known as Blancard's Pills. It is the only preparation of iron which never causes constipation.
