CLARK'S EXCELSIOR WASHING COMPOSITION.

Washboards and Machines Farewell! Instead of consuming half to three-quarters of a day in edious washing it can all be done before nine o'clock by using "Clark's Excelsior Washing Composition," the lothes out to dry, the house in good order, and the family saved from washing day annoyances. Who would not wish to have such comforts? Clothes require no rubbing, except if the collars or wristbands be very dirty, they may be rubbed between the hands, but NO WASHING IS NEED-

Hard or Soft Water. All kinds of Flannels, Woollens, Linens, Laces and Cambrics, and the most rich and delicate garment may be washed by this process with perfect safety and success. It is warranted not to injure the fabric, but preserve and fix the colors, and will also

supersede the old method of washing altogether. It saves three-quarters in expense, three-quarters in labour, threequarters in time. Give it a fair trial and you will never b Beware of all Washing Compositions and Fluids whatever, that contain Lime, Turpentine, Alcohol, and other ingredients that eat up the clothes and injure the health. "Clark's Excelsior Washing Composition" is patented, and warranted perfectly free from everything injurious to clothes, hands, or health. It is especially recom-mended for cleaning windows, and the repeated use of it on

fair trial, and if it does not give full satisfaction, the money will be cheerfully refunded R. HANNAH, Annapolis, General Agent for New Brunswick and Nova Scotia. My authorized Agent for this section, will supply you with Family Right for \$1, and will also give the most explicit
