Literary Notes.

The St. John "DAILY SUN" was established about the end of July of last year. Although not a year old, it bears all the evidences of a prosperous, progressive, and live newspaper. While a vigorous exponent of the views of the Liberal-Conservative Party in the Maritime Provinces, its course is marked by an independence which shows it to be in hearty sympathy with all classes of our mixed population. The "Sun" has marched rapidly to a front place both in circulation and in the confidence of merchants. Its editorial and news columns are exceedingly rare, the telegraphic and market reports very full, and its ship news the best supplied by any New Brunswick paper. No newspaper in Canada presents a more handsome appearance. The "Sun" is published by The Sun Publishing Company, and is edited by Mr. John Livingston, founder of the "Telegraph" and "Watchman." Price for the Daily, post-paid, \$5 per annum, in advance.

Parties who wish to canvass for the SUN (Daily or Weekly) should apply immediately. All business correspondence should be addressed to W. E. Dobson, Sec. Sun Publishing Co., Canterbury Street, St. John.

HARPER MAGAZINE, recently laid upon our table, is a very attractive number, comprising, besides much else that is very readable, an article on "The Land of Burns," "Recollections of Charles Sumner," and a variety of editorial matter—literary, scientific, historical and humorous. For sale by W. K. Crawford and J. A. McMillan.

MISSIONARY SKETCHES: A Concise History of the work of the American Baptist Missionary Union. By S. F. Smith, D.D. This work is deserving of wide circulation, and attentive reading. The knowledge it affords of missionary effort and success cannot fail to be intensely useful.

To be had at the VISITOR Book Store. Price \$1.33.

If a teacher in the Sunday School wants something really helpful, let him get the NATIONAL S. S. TEACHER. It was in that the idea of a uniform lesson was first germinated. We owe our International Lesson System to the development of the idea that it planted. It is now, as it has always been, foremost among Sunday School helps. Adams, Blackmer & Lyon Co., Chicago; or VISITOR Book Store, St. John.

DICKENS' DICTIONARY OF LONDON: Macmillan & Co., New York. This Handbook of London is very carefully compiled, and contains, in concise form, much and varied information concerning the great city. Parties visiting London will find it a reliable guide. Price 35 cts.

FIRST PRINCIPLES OF ROMAN HISTORY. By T. S. Taylor. London: Relfe Bros. An outline of Roman History with the most important dates, and brief sketches of the leading events, this will doubtless prove interesting and instructive for a skeleton which the young student will desire to fill out with further study.

THE CULTIVATION OF THE SENSES. Philadelphia: Eldredge & Bro. This book of 96 pages is the first of a series of Manuals for Teachers. While not technical in its modest treatment, it is yet in parts somewhat metaphysical, proceeding upon the reasonable assumption that the teacher should be at least to some extent familiar with mental laws and constitution, that he may be a more efficient director of mental development. While the author seems to have been quite successful in the attempt to furnish this knowledge, he adds to the value of the work by many practical suggestions.

Marriages.

No charge is made for the usual announcement of marriages or deaths. Obituary notices, however, exceeding twenty lines, will be charged at the rate of 25 cents for each additional ten lines, counting ten words to a line. The money should be sent with the notice. Those who ask their pastor to prepare such notices and send them for publication, should be careful to furnish him with the money to be forwarded with the same to our office. No poetry to be inserted.

Funeral from her residence, 66 Elliott Row, Thursday, at 3 P.M. Friends invited to attend.

HAWKINS.—At his residence, Pennfield, June 22, Dea. Wm. W. Hawkins, in his 70th year, leaving a wife and twelve children to mourn their loss.

Our dear Bro. was a member of Pennfield Baptist Church 45 years, and adorned his profession by a Godly life. He bore his severe and protracted illness with Christian fortitude and resignation, and died in the triumphant assurance of a blissful immortality.

RICHARDS.—It becomes my painful duty to report the demise of Dea. Benj. Richards of Cardigan, who died from the effects of an operation to remove a cancer, at True's Hotel, St. Mary's, June 12, aged 70 years.

Dea. Richards was a native of Cardigan, South Wales, and emigrated to this Province in 1818. He professed faith in Christ, and joined the Baptist Church in Fredericton, about 1831-2. His upright and consistent life won for him the esteem and confidence of all his extensive acquaintances. His house was a home for the stranger and the weary at all times. As a Christian he embraced every opportunity of doing good, and like a faithful sentinel, "he died at his post." He was much and deservedly beloved, and his loss is deeply regretted. He leaves a wife in feeble health, with one brother and numerous relatives.

GOWLAND.—At Elgin, June 5, Michael Gowland, aged 73. A devoted and pious man, and a member of the Baptist Church, was baptized by Rev. Joseph Crandall, and united with the church at Elgin, being located in Elgin when the church was organized. He was one of the first members. He always maintained a good profession, and died in the faith.

BROWN.—At her father's residence, St. Martin's, July 1, Louisa Brown, aged 21 years, unmarried, of consumption which she bore with pious resignation to the Divine will, and manifesting her trust in the merits of the Redeemer.

The horrors of war are nothing to the horrors of Neuralgia. Immediate relief may be had by bathing the head with Johnson's Anodyne Liniment and snuffing it up the nostrils.

INTELLIGENCE OFFICE, 102 PRINCESS ST.,
SAINT JOHN, N. B., JULY 29TH, 1878.

MESSES. HANINGTON BROTHERS:

Gentlemen, — Three years ago I was going to write you how much benefit I received from taking two bottles of your QUININE WINE AND IRON, being then very weak and low, with no appetite for any sort of food, after a severe attack of Erysipelas in my head. Again, after the fire, I was nearly quite gone, and was restored to strength and activity by taking two bottles more, and last May I had to have recourse to the QUININE WINE AND IRON again with the same beneficial results.

While I was taking it at last, a person came in who had left her situation to get into the Hospital, being so weak she could not work. I said, I will send you to a place where you will get seven dollars a month; take two bottles of HANINGTON'S QUININE WINE AND IRON, and you will be able to do so. I would greatly benefit persons after Sickness or Diphtheria, and would most certainly prevent sickness by strengthening and building up the system.

Yours very truly,
JANE A. LEE.

Impurities of the Blood.—The decided alternative action of Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime, adapts it in a remarkable degree as a blood purifier, well worthy of the trial of those suffering from a diseased condition of the circulating fluid. The unsightly blotches, pustules and pimples that disfigure the face and neck, as well as the words of the body, of so many persons, are indications of a diseased state of the blood, induced by, as well as associated with, depraved nutrition, feeble digestion and imperfect assimilation. The continued use of the Phosphorized Emulsion invariably cleanses the blood from all these impurities and restores the system to a state of healthfulness that is manifested in increased constitutional vigor, mental activity and lightness and buoyancy of spirit.

Prepared solely by J. H. Robinson, Pharmaceutical Chemist, Saint John, N. B., and for sale by Druggists and General Dealers. Price \$1.00 per bottle; six bottles for \$5.00.

A Slight Cough that we are so apt to consider a mere annoyance and treat with corresponding neglect, too often proves to be the seed so to speak for an inevitable harvest—Consumption. Immediate and thorough treatment is our only safeguard. A teaspoonful of Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime, given whenever the Cough is troublesome, will afford immediate relief, and if persevered in will effect a cure even in the most obstinate cases.

Prepared solely by J. H. Robinson, Pharmaceutical Chemist, Saint John, N. B., and for sale by Druggists and General Dealers. Price \$1.00 per bottle; six bottles for \$5.00.
