

had anticipated, at the rate I was getting on. We had a good time at the Conference, spent three days together in consultation on the various topics which seemed to call for our attention. One matter of prominent interest was the question of Telogoo Bible Revision. It seems very probable we will not be able to agree with our pedobaptist brethren in their method of dealing with the New Testament. It was resolved to make an effort, perhaps a final one, to establish a basis on which we might work together.

The Curries, not being very well, remained at our house rather than undertake the journey to Chicacole.

After our return, they went to Tunf, their station, eighty miles distant. Quite a long journey by bullock bandy.

The McLaurins left Cocanada on their homeward voyage on or about the 11th inst.

All the members of our mission are in good health at present, I believe. Mr. Churchill has his temporary house at Bobilly, nearly completed. Whether he will take his family out before the hot season, in April and May, I do not know. He is anxious to do so.

Yours in the Gospel,  
R. SANFORD.

#### Literary Notes.

FORD'S CHRISTIAN REPOSITORY for April contains the customary palatable and liberal bill of fare. The opening article is entitled "Star Showers in Scripture times and future predicted signs in the heavens." "When He Cometh" by Dr. Hiseox is a pre-millennial essay. "Arch-bishop Purcell and the mammon of Romanism" by Dr. Ford is a trenchant arraignment of that ecclesiastical fraud. The nature of saving faith is discussed by J. M. Frost, Jr. "Foot-prints of the fathers" by Dr. Ford is an attempt to trace the line of Baptist churches in the early ages. "Bible studies" consist of four sketches of sermons. Besides this there is considerable lighter reading, adapted to interest the younger members of the family. The is worthy of a wide circulation among us, and may be ordered through the VISITOR Book Room for \$2.65 a year.

THE BAPTIST MISSIONARY MAGAZINE for April is brim full of interesting missionary miscellany. Short papers on practical phases of the missionary question, with correspondence from the field; and apt editorial paragraphs make the Magazine a sine qua non to every Baptist who wishes to keep an intelligent outlook over the mission field. Price \$1.10 a year. Order through the VISITOR Book Room.

THE UNITED STATES AND THE DOMINION OF CANADA, THEIR FUTURE, by Alexander Munro, Esq., is an octavo volume of 191 pages just issued. It gives a vast array of facts and figures in reference to both Canada and the United States. The conclusions of the author are that Canada contains but a small amount of area fit for tillage, that the common representations concerning our great North-West are rose colored and unreliable, and that destiny points out a union of Canada with the United States. The book is worth reading.

#### Deaths.

URQUHART.—Mrs. E. J., daughter of Duncan and Fanny McTavish, of North Esk, and beloved wife of J. O. Urquhart of Douglass, died of consumption, Feb. 15th, aged 41 years. She leaves a husband and five children, and a large circle of relatives to mourn their loss. Our Sister professed the religion of Christ, and was baptized by the Rev. Isaiah Wallace into the fellowship of the Baptist Church in North Esk, some 20 years ago, of this church she continued to be a member till she was removed to the church triumphant. She was wonderfully sustained by the grace and presence of Christ during her sickness, and in death her faith and hope were firm. She was willing to depart and be with Christ which is far better.

F. M.

COX.—Another ambassador of Christ has been called from his labours here to his reward above. On the 25th of March our dear Brother Rev. G. D. Cox, quietly fell asleep in Christ after a protracted and painful case of consumption, his last hours were like the morning stars melting away into the light of heaven. At the early age of forty years, our Heavenly Father has taken from our denomination, and the world one of our most active and useful ministers. For over nineteen years with his whole soul, mind and strength he labored to bring souls to Christ; and to encourage God's dear children in the way of holiness and life. He was married on the 26th of May, 1863, to Miss Davis of Hantsport, and ordained at Clement's Vale, Annapolis County, Jan. 4th, 1865, where his loved remains are now at rest. After a number of years of useful and successful labor, to the deep regret of the church and congregation at Clement's Vale, he felt it his duty to remove to the adjoining church at Hillsboro, where he closed his labors and his life. His remains were followed to the grave by a large number of weeping and sorrowing friends, with his widow and five children. His eldest son J. C. M. Cox, was drowned Sept. 20th, 1877, aged eight years and three months. His remains were removed from his first resting place, and laid in the same grave with his dear father.

INTELLIGENCE OFFICE, 102 PRINCE ST.,  
SAINT JOHN, N. B., JULY 29th, 1878.

MESSES. HANINGTON BROTHERS:

Gentlemen:—Three years ago I was going to write you how much benefit I received from taking two bottles of your QUININE WINE AND IRON. Being then very weak and low, with no appetite for any sort of food, after severe attack of Erysipelas in my head. Again, after the fire, I was nearly quite gone, and was restored to strength and activity by taking two bottles more, and last May I had to have recourse to the QUININE WINE AND IRON again with the same beneficial results.

While I was taking it at last, a person came in who had left his situation to get into the Hospital, so weak she could not work. I said, I will send you to a place where you will get seven dollars a month; take two bottles of HANINGTON'S QUININE WINE AND IRON with you, and you are not able to earn the seven dollars I will pay you for the medicine. At the end of the month she was quite smart, and is still filling the situation. I send you these few lines for the benefit of society if you trouble to publish it, as there are so many sick at present. It would greatly benefit persons after Sickness or Diphtheria, and would most certainly prevent sickness by strengthening and building up the system.

Yours very truly, JANE A. LEE.

#### Testimonial from Capt. Joshua Harper.

SACKVILLE, N. B., Feb. 13th, 1877.

Dear Sir:—Early in October last I took a severe cold which settled on my lungs. After having a bad cough for about six weeks, I had a severe attack of bleeding from the lungs, while on a voyage from Queenstown to Dover. I had daily spells of bleeding for some days, until I lost about six ounces of blood, and was so weak as to be scarcely able to stand. I put back to Queenstown, where I received such medical assistance as enabled me to get home.

I saw an advertisement of your Phosphorized Cod Liver Oil Emulsion in a paper. I immediately sent and got a half dozen bottles, after taking which I feel myself a well man again. My weight, which was reduced to 120 pounds, is now up to my usual standard of 185 pounds. Such what I have done for me, I can confidently recommend it to others afflicted with lung disease.

Yours very truly,

(Signed) JOSHUA HARPER.

Coughs, From Rev. Dr. Quimby. AUGUSTA, ME., Jan. 5, 1878. "Adamson's Botanic Cough Balsam has been used in our family for more than three years, and we can recommend it as a superior remedy for coughs and colds."

Asthma, From Luther Whitman, Esq., proprietor of Winthrop Agricultural Works. WINTHROP, ME., Feb. 13, 1878.

From Mr. Frank Adams. Sir: I have been very much afflicted with Asthma for 7 years; the worst of this time it has been very difficult for me to walk up one flight of stairs, or lie down with any degree of comfort; have tried every remedy I could hear of without much, if any, improvement, until I found "Adamson's Botanic Cough Balsam" the effect of which has been truly wonderful. I am able to get a good night's rest and to attend to my business, and to run up and down stairs as before the Asthma came on me.

#### COUGH 40 YEARS.

From Alex. Kincaid, 44 years Toll Gatherer on Kennecott Bridge.

I have been troubled with a very bad cough for forty years, and after trying almost every medicine in the market, at last despaired of ever getting rid of my cough, which at times was very severe, especially after catching a slight cold, and I could find no relief until, upon the advice of a friend, I purchased one bottle of "Adamson's Botanic Cough Balsam," which, to my surprise, afforded me instant relief, and now I would not part with a single bottle upon any terms, and I am very happy to add this testimony to the many hundreds you have received, as I consider it a most valuable remedy.

Beware of imitations. See that the name of F. W. KIMBALL is blown in the glass of the bottle. Price 10c. and 50c.
