TO THE PUBLIC!

IF YOU DESIRE THE MOST RELIABLE FAMILY SEWING MACHINE BUY THE IMPROVED FAMILY SINGER.

COMPLAINTS have been frequently made to us to the effect that other Sewing Machines occasion so much fatigue. Now we are prepared to guarantee that Lawlor's Family Singer Sewing Machine has the easiest movement of any in the market, and will not tire the most delicate lady. And yet, it is one of the fastest Machines ever made, making five and a half stitches at one revolution, while most other machines make but from three to four. It thus does one third more work in the same time. This machine also is so constructed that friction is at its minimum, and hence the ease with which it is operated and the durability; for we also contend that it will outlast any other machine ever presented to the public. It works to perfection on thin or thick goods, from gauze to the heaviest beaver cloth or leather, and with linen thread, silk twist or cotton of any number. It is scarcely necessary to say that this machine is no new fangled arrangement, puffed into forced sales, because its name is a household term, known to every family in the Dominion as that of a STANDARD MACHINE—one that has withstood the test, and one that is to-day the most reliable machine in the market. The Family Singer Sewing Machine is manufactured by J. D. LAWLOR, of Montreal, a gentleman of long experience as a practical mechanic, and one who has been for a number of years sole proprietor of a large factory turning out 100 of these beautiful machines a week. The undersigned is prepared to deliver to any one, rich or poor, wishing to buy a first-class Family Sewing Machine on the easiest possible terms. All kinds of Sewing Machines, Boot and Shoe Machinery, repaired and improved.

Temperance.

Dominion Alliance.

Many friends of temperance in Canada have long felt the want of a compact organization, in which all their strength could be united and harmonized, and by which could be secured a surer and larger financial support for the promotion of the work than has yet been obtained. The Dominion Alliance has been formed to supply the want. Being devoted exclusively to the legal aspects of the temperance work, the Alliance claims to be in perfect harmony with all other temperance organizations, endeavoring to supplement their efforts in the moral aspect of the work, and seeking to centralize and combine all with a view to securing legislation and organized opposition to the liquor traffic.

The relation of society to the liquor traffic involves questions demanding much more than an occasional burst of enthusiastic interest. Constant agitation and education are necessary, and must be steadily sustained to ensure success.

The Dominion Alliance is composed of those persons who favor its principles and contribute to its funds. The constitution provides for additional branches and local auxiliaries. Each branch makes its own by-laws and rules for the government of auxiliaries within the province and determines the amount of contribution necessary to entitle to membership. The provincial branches (by their executives) are expected to render efficient aid by discussing, maturing and carrying out plans or work, to which end lecturing and organizing agents must be employed, literature bearing upon the movement published and circulated, contests under the Canada Temperance Act encouraged and aided, and other efforts in harmony with the objects of the Alliance put forth. Such work cannot be done without funds. It is, therefore, of the greatest moment that appeals should be immediately made throughout the different provinces to secure as large a paying membership as possible, as well as larger contributions from those blessed with the means. Unless such come to our assistance the work cannot be carried on upon a scale commensurate with its importance.

The general executive of the Alliance is an advisory body; its duty being to secure and direct the co-operation of the various provinces in general and inter-provincial work. It engages no agents, pays no salaries—its expenses being incidentals to be provided for by an assessment on the various provincial branches.

The Rev. Thos. Gales, of Montreal, Corresponding Secretary of the Alliance has signified his willingness to devote himself during the ensuing year to the public advocacy of the principles and work of the Alliance, wherever his services are needed and suitable arrangements can be made. Mr. Gales will co-operate with the various provincial executives, those bodies having exclusive control of agency and financial work within the several provinces in which branches exist.

We earnestly appeal to all friends of temperance and prohibition in Canada to co-operate with and support the different branches of the Alliance, and so aid in promoting the objects for which the Alliance is formed.

(Signed) A. VIDAL, President, AVARD LONGLEY, 1st Vice Pres. ROBT. MCLEAN, Chairman Gen. Ex. GEO. MALCAN ROSE, Treas. THOS. GALES, Cor. Sec. DAVID MILLAR, Rec. Sec. Toronto, March 2nd, 1879.

All communications in reference to the work of the general executive should be addressed to Rev. Thos. Gales, Box 747, Montreal. Those relating to matters of finance, agency or local organizations should be addressed to the officers of the several provincial branches.

Household.

AN EXCELLENT REMEDY FOR THE SICK HEADACHE.—Take 5 teaspoonfuls of mint water; 1 teaspoonful of aromatic spirits ammonia; 1/4 tablespoonful of baking soda. Mix and shake well before using. Take a dessert-spoonful several times during the day. Be careful of your diet while the headache lasts.

REMEDY FOR HOARSENESS.—Horseradish will afford instantaneous relief in most obstinate cases of hoarseness. The root, of course, possesses the most virtues, though the leaves are good till they dry, when they lose their

strength. The root is best when it is green. The person who will use it freely just before beginning to speak will not be troubled with hoarseness.

To STOP BLOOD.—Take the fine dust of tea, or the scraping of the inside of tanned leather, and bind it close upon the wound, and the blood will cease to flow. These articles are at all times accessible and easy to be obtained. After the blood has ceased to flow, laudanum may be advantageously applied to the wound.

We claim to sell the best instruments to be had and at the lowest prices consistent with first-class articles.

The cash system enables us to sell at a very small advance on cost of manufacture, although to honest and reliable parties we do not object to allow a reasonable time for payments.

Parties ordering by mail can rely upon getting as fine an instrument as if personally selected by themselves. Any Organ or Piano not found exactly as represented can be returned to us at our expense. We refer with pleasure to over Fifteen Hundred Pianofortes and Organs sold by us the last ten years.
