

I wish it met the views of friends at home to pay a small salary, say Thirty Dollars a year, to Christian women who can read the Bible and talk to other women of salvation through Christ. It is impossible for me to do all this work effectually and with one voice. We have at least one woman fitted for the work.

I hope you will find time to write me before long. In the meanwhile, with much love in which Mr. A. unites.

Yours, very sincerely,  
H. M. N. ARMSTRONG.

As our subscribers will have noticed we have affixed to their names the dates to which they have paid, and henceforth there will be no necessity for publishing payments in the VISITOR. Each paper will bear the date to which payment has been made. If any errors occur please notify the Office at once.

### In Memoriam.

Margaret the beloved wife of Rev. Elias Keirstead, of Collina, Studholm, Kings. Co., departed this life on the 11th inst., aged 68 years. For months she has been gradually sinking from the effects of a cancer. At times her friends hoped that her valuable life might be prolonged through the winter, but the progress of the disease through the system was rapid, and it soon became evident that her work on earth was done. But she had anticipated it, and was ready to depart and be with Christ, which is far better. Some months before, her nature shrank in prospect of a painful death. But she cried to God for strength, and as she neared death her fears were gone. Some 45 years ago our sister and her husband were baptized by the Rev. S. Bancroft, in Springfield, Bro. Keirstead soon commenced preaching, and his devoted wife was always ready to second his efforts, some times accompanying him in his visits to the churches, and whenever opportunity offered, bore testimony to the power of the gospel. The Studholm Baptist Church of which she is a member, was especially upon the hearts of Brother and Sister K, from its origin, whether he served as pastor or another had charge. They have faithfully laboured for its prosperity, and have lived to see their family all converted and associated with them in the church. Four sons and two daughters with a sorrowing husband are left to mourn, five of whom live at Collina, and the youngest son, Rev. E. M. Keirstead is pastor of the Baptist Church in Windsor, N. S., her grandson Rev. E. W. Kelley now at Newton, is pastor of the Leinster St. Bapt. Church, St. John. The funeral notwithstanding the bad state of the roads was very large. And the deep solemnity which rested upon all faces showed the esteem in which the departed was held. The services were conducted by the writer. Our sister has also left five brothers and one sister, with a host of relations and friends to mourn their loss, May God sustain the bereaved.

W. A. COREY.

At Jemseg on the 4th November, Catherine, wife of Rev. G. W. Springer, aged 53 years. She was the daughter of James and Mary Spence, natives of Scotland, now living at Grand Lake. Of her seven children, only three are living. Thirty years ago, she and her husband, united with the Jemseg Baptist church, continuing in its fellowship until death. She was complete in her Christian character, she was a devoted wife and a most tender judicious and faithful mother. Under trial and bereavement she retained the calmness and sweetness of an assured faith. The ministries of tenderness love waited upon her during her long illness. She approached death with perfect composure, uttering to her husband and children her last counsels and wishes, and arranging minutely for her burial and passed from earthly suffering to that better world, into which pain never comes.

### Ayer's Sarsaparilla, FOR PURIFYING THE BLOOD.

This compound of the vegetable alteratives, Sarsaparilla, Dock, Stillingia, and Mandrake with the Iodides of Potash and Iron, makes a series of complaints which are very prevalent and afflicting. It purifies the blood, purges out the lurking humors, and thus you get under the skin and settle into troublesome disorders.

Eruptions of the skin are the appearance on the surface of humors that should be expelled from the blood. Internal derangements are the determination of these same humors to some internal organ, or organs, whose action they derange, and whose substance they disease and destroy. AYER'S SARSAPARILLA expels these humors from the blood. When they are gone, the disorders they produce disappear, such as Ulcerations of the Liver, Stomach, Kidneys, Lungs, Eruptions and Eruptive Diseases of the Skin, St. Anthony's Fire, Rose of the Face, Pimples, Pustules, Blotches, Boils, Tumors, Tetters and Salt Rheum, Scald Head, Ring-worm, Ulcers and Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Debility, Nervousness, Stiffness, Leucorrhoea arising from internal ulceration and uterine disease, Dropsy, Dyspepsia, Emaciation and General Debility. With their departure health returns.

**A PEEPING REDUCTION!**

The reduction here announced in the price of *The Sunday School Times* puts that paper within the reach of every Sunday-school in the land. It now becomes, unquestionably, the cheapest weekly paper of its size and character in the United States. It gives 832 large pages (11x16 inches) of reading matter a year, or over eight pages for a cent at its lowest club rate. It costs less than two cents a week for each member of a club of twenty or more persons. Schools that have been taking other publications because the club rates of *The Sunday School Times* were higher than they could afford, will not be slow to appreciate these new prices. The lowest rate heretofore for a club of less than thirty copies has been \$1.90 for each paper. Now the price for twenty copies, or over, is \$1.00 for each paper. The reduction is a bold one, and even the present large circulation does not warrant it, but the change is desirable for the due extension of its field, and the necessary increased circulation is sure to come. Lower prices do not mean a poorer paper, or less of it,—on the contrary, it is purposed to make the paper better than ever before in all of its departments.

**Here are the New Rates.**—From one to four copies, \$2 each. From five to nine copies, in a package to one address, \$1.50 each. From ten to nineteen copies, in a package to one address, \$1.25 each. Twenty copies or more in a package to one address, \$1.00 each. These prices include postage, which is prepaid by the publisher. Subscriptions will be taken for any portion of a year at yearly rates. While the papers for a club must be sent in a package to one address, the publisher desires to have for reference the names of all the subscribers. He, therefore, requires that each club subscription be accompanied with a list of the names and addresses of the persons who are to use the paper.

Superintendents will remember that they can try the paper in their schools for a portion of a year at the yearly rate. Twenty teachers can be supplied for three months for five dollars. Why not begin now?

Any reader of this advertisement, who has never been a subscriber to *The Sunday School Times*, can receive it on trial every week for three months for twenty-five cents. Send also for a free specimen of *The Scholars' Quarterly*, a forty-four-page scholars' lesson help, containing a colored map, beautiful illustrative pictures, and a great variety of valuable lesson matter. ### CONSUMPTION CAN BE CURED

IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of **Scott's Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda** will accomplish this result. This preparation has all the virtues of these two most valuable specifics, in a form perfectly palatable, and acceptable to the most delicate stomach, and we make the unqualified statement that **Scott's Emulsion** is being used with better results, and endorsed and prescribed by more physicians for Consumption—and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrophula, Anemia, General Debility and the wasting disorders of children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvellous.

**SEE WHAT PHYSICIANS AND THE PEOPLE SAY ABOUT IT.**

**Messrs. SCOTT & BOWNE:** 66 West Thirty-sixth Street, New York, September 2, 1875.

**GENTS:**—I have frequently prescribed SCOTT'S EMULSION OF COD LIVER OIL WITH HYPOPHOSPHITES during the past year, and regard it as a valuable preparation in scrophulous and consumptive cases, palatable and efficacious.

**Messrs. SCOTT & BOWNE—Gentlemen:**—Within the last year I have used in my own family, and in my private practice prescribed very extensively SCOTT'S EMULSION OF COD LIVER OIL WITH HYPOPHOSPHITES and found it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate stomach; it renders it a very reliable agent as a nutritive medium in consumption, and scrophulous cases.

Oct. 12, 1879. Your respectfully, A. H. SEXTON, M. D., Baltimore.

**Messrs. SCOTT & BOWNE—Gentlemen:**—Within the last two months I have fairly tried SCOTT'S EMULSION OF COD LIVER OIL WITH HYPOPHOSPHITES, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly elegant and agreeable form.

December 10th, 1878.

**Messrs. SCOTT & BOWNE—Gentlemen:**—In September 1877, my health began to fail. I was a New Orleans physician, and I had been suffering from a chronic cough, and my weight had decreased from 115 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your Emulsion, and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks what cured you and I answer, SCOTT'S EMULSION OF COD LIVER OIL, &c. I have a friend who has not spoken aloud for 15 months and he is getting better. I gave him a bottle, and he bought two more, then got a dozen and says it is food and medicine for him. He was given up to die a year ago, but he is improving now wonderfully. My recovery is exciting the surprise of many people, and I shall do all I can to make known your valuable medicine.

Jan. 26th 1879. Very truly yours, H. F. SLOCUM, Lowell, Mass.

**Messrs. SCOTT & BOWNE:**—About the 25th of last April I got a bottle of your EMULSION and at that time I was so prostrated that one who saw me thought I could live but a few days at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the EMULSION in small doses; it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commenced mending, and now am able to ride and walk and am gaining flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover.

For Sale by all druggists at \$1.00 per bottle.
