

HAMPTON.—Bro. H. B. Shaffner writes: Six
buried in baptism here, March 23d.
The Master is blessing our labors here. On
12th inst. my people gave me a valuable do-
nation in cash, for which I offer my sincere
thanks.

HILLSBORO.—Rev. C. B. Welton writes March
24th: The revival continues, nineteen have
been baptized. Several more awaiting the or-
dinance.

MONCTON.—Rev. Thos. Todd writes March
24th: We are in the midst of a gracious revival.
Seventeen were baptized on the 10th inst. It is
estimated 1,200 witnessed the ordinance. Six-
ty others have been received for Baptism.
From three to four hundred persons attend the
revival meetings which are held every evening.
Many are seeking salvation.

Rev. E. Corey has been holding revival meet-
ings at Elgin, Albert county.

NOVA SCOTIA.

HANTSPOUR.—The Pastor's meeting of Hants
was held at Hantsport, on 17th and 18th
inst. It was a good session. Baptisms were
performed at Waterville and Windsor. A mission-
ary meeting was addressed by Rev. Messrs.
Whitman, McLean, and Kierstead. Reading
and discussion of essays and sermons, and mis-
sionary work occupied the second day.

WINDSOR.—The Rev. E. M. Saunders gave a
lecture to the Baptist congregation at
Windsor a few days ago. His subject was:
Baptists and Brahmins; or, our mission to the
heathen. Some questions by Rev. Mr. Mc-
Lean and the Pastor, gave rise to an animated
discussion, which, with the lecturer, made an
interesting Missionary meeting.

Rev. H. Bool has accepted an unanimous in-
vitation from the Churches at Pugwash and
alliance to become their pastor. He wishes all
correspondence addressed to Pugwash.

LAWRENCEVILLE.—Rev. J. C. Bleakney
writes: Quite a number of those whose voices
were not for some time heard in the social
and conference meetings have come back and
taken their places. A number have both pri-
vately and publicly expressed an interest in re-
ligious matters, some of whom have obtained
hope in Christ.

I expect to baptize again next Lord's day.
Our last Conference was a special season of
grace, and we are encouraged to hope for still
larger manifestations of divine mercy in our
church and congregation.

P. E. I. ISLAND.

LYON.—In December, last, Rev. J. A. Kid-
son, whose health is not sufficient to permit of
assuming the responsibilities of the pastorate
of a Church, came here to visit his widow-
mother and other friends.

The Church being without a pastor, he kind-
ly supplied as his health permitted. As a small
number of their appreciation of his services and
good will to himself, his friends met at the resi-
dence of Sister Newsom's, on the evening of
March 10th, and after spending a very enjoy-
able evening, there was presented to our bro-
ther, in cash and useful articles, \$40.00. The
presentation was made by venerable Bro. Dr.
remain, in a very kindly and suggestive man-
ner, to which Bro. Kidson briefly replied.
"It is more blessed to give than to receive."

ELSEWHERE.

Rev. Dr. Bronson the veteran Baptist Mission-
ary of Assam, through rapidly failing health,
compelled, after a long life of Indian service,
return to his fatherland. He has several
daughters in America who are engaged in ac-
tive effort to promote the home work of For-
eign Missions, among whom is Mrs. Tolman,
wife of the indefatigable District Secretary of
M. in the Northwest. We trust he may be
assisted on his journey, and in the evening
his days stimulated many to renewed effort
carrying out our Lord's great Commission.

China.

Dr. Ashmore, writing of the out-stations
of his field of labor to the *Journal and
Messenger* says: "The country all around
here is like a garden. It is difficult to con-
ceive of agriculture carried on to a greater
degree of perfection. It is the season for
planting, and the orange orchards are ap-
proaching beautiful with their loads of
opening fruit. In a short time they will
be bringing them to market in hugh boat-
loads, ready to be packed in baskets and
sent everywhere up and down the coast.
A marvellous change has taken place in
the bearing of the people towards us. Un-
der this visit I have never been in Chung
Line that I have not been more or less
molested. Sticks and stones, old shoes and
dirty, have been shied at me, accompanied
with such epithets as would make a Bill-
ingsgate fishwoman bemoan her incapacity
to abuse. This time we passed through
quietly. Miss Field, Mrs. Ashmore and
myself left our boats and walked the whole
distance, a mile and a half, without molesta-
tion of any kind, although, of course,
there was a great rush of the crowd to see
the "women of the outside nations."

Our way we passed the first house
rented in Chung Line for a chapel
more than a dozen of years ago. It was a
poor building and sadly needed repairs.
We had managed to secure our lease pa-
pers, and had sent two of our assistants to
purchase lumber, hire carpenters, and put
it in repair. The storm then began. The
people vowed the detestable religion
should not come there. Crowds gathered

from day to day threatening violence and
more than once causing the work to stop.
Our assistant persevered. Finally the ex-
citement reached fever heat. A mob came,
smashed in doors and windows, battered
the walls, tore down the roof, and carried
off every piece of timber there was, and
set our people flying for their lives. There
was the end of that chapel. There it
stands to-day, just as the mob left it. No-
thing was ever done to repair it. But we,
through our Consul laid the case before
the higher Chinese authorities for redress.
It was a long fight, lasting for a year, the
Consul pressing the claims of the treaty
and the Chinese seeking to evade them.
Justice came at last. The offenders were
seized and compelled to make good the
losses and a proclamation was issued de-
claring our right to build chapels in Chung
Line.

Under protection of this we engaged a
small house on the other side of town.
They did not trouble us there, but the lo-
cation was a bad one for the church-mem-
bers, and we desired to change it. Three
years ago the present building was offered
for purchase. Mr. Partridge bought it.
But the old spirit broke out afresh, and
our church-members were mobbed and the
women sadly beaten. The appeal was
once more made for redress, pressed, and
parried after the old style to which we
have all become so familiar. At last a
Tan Thai proclamation of a stringent nature
was issued, and now they let us alone.
We had a good meeting with the church.
On Sunday the members numbering 35 in
all, including ourselves, sat down to the
Lord's Supper. Several were away, and
three were put under discipline for neglect
of their church duties. Petty persecu-
tions abound, and will continue to do so for
a long time to come, but we trust the Lord
has much people in that city, and that he
will enable us to find them.

The few compositions
which have won the confi-

must have extraordinary vir-

secured so wide a reputation,
or maintained it so long as
AYER'S CHERRY PECTORAL.
It has been known to the pub-
lic about forty years, by a
long continued series of mar-
vellous cures, that have won
for it a confidence in its vir-
tues, never equalled by any other medicine. It still
makes the most effectual cures, Coughs, Colds, Con-
sumption, that can be made by medical skill. In-
deed, the CHERRY PECTORAL has really robbed
these dangerous diseases of their terrors to a great
extent, and given a feeling of immunity from their
fatal effects, that is well founded if the remedy be
taken in season. Every family should have it in
their closet for the ready and prompt relief of its

VEGETINE
The Watchmaker's Report.
EVANSVILLE, IND., Dec. 27, 1877.
Dr. H. R. STEVENS—
I have suffered from Scrofula and Scrofula Humors
ever since I could remember; it has been in our
family for years before I was born. I inherited it.
I have tried all kinds of medicines. After having
used a great many other patent medicines, after hav-
ing paid many large doctor's bills, I heard from a
neighbor that VEGETINE had cured him. I had good
faith because I saw it, and so I went to the Duden-
hausen Eagle Drug Store to purchase a bottle of the
VEGETINE. I kept taking the VEGETINE, and in
fact, I became better and better. When I had taken
several bottles, all Scrofula Sores and marks were
gone, my health very good. It is the best blood puri-
fier I ever tried. It will cure Scrofula. It took the
sores and humors off my face; it gave me a clear
skin. Everybody who has got Scrofula Humors
should try it. FERDINAND SCHNICK,
Watchmaker, Main St.
I know the above to be true.
DR. CHAS. M. DUDENHAUSEN,
Apothecary, 519 Main Street.

VEGETINE is now acknowledged by our best phy-
sicians to be the only sure and safe remedy for all
diseases arising from impure blood, such as scrofula
and scrofulous humors.

VEGETINE
For General Debility.
DANFORTH, ME., Oct. 2, 1877.
MR. STEVENS—
Dear Sir,—My health has always been poor. Have
taken a great many kinds of medicine, but never
took any that could begin to help me like the VEGE-
TINE. One year ago last March, I had the Lung
Fever; it left me very feeble for a long time. I could
do but very little work, and hard for me to do a little.
I had never heard of VEGETINE. One day I saw the
advertisement in a paper. I felt if I could get that it
would help me. I sent the bottle, and got one bot-
tle, and before I took one bottle, I could see good ef-
fects from the medicine. After taking a few bottles
I could do a good washing. I have taken seven bot-
tles, am sixty-five years old, never was so well in my
life and never was so fleshy, for which I feel grateful
to you and to our Heavenly Father. I recommend it
to all around me, for I prize it above all other medi-
cines. Respectfully yours,
MRS. L. R. HOWARD.

THOUSANDS will bear testimony (and do it volun-
tarily), that VEGETINE is the best medical compound
yet placed before the public for the renovating and
purifying the blood, eradicating all humors, impuri-
ties or poisonous secretions from the system, invig-
orating and strengthening the system debilitated by
disease; in fact, it is, as many have called it, "The
Great Health Restorer."

VEGETINE
Kidney Complaints.—Dyspepsia.
LEWISTON, ME., Nov. 5, 1877.
MR. H. R. STEVENS—
Dear Sir,—My father has been afflicted with Dys-
pepsia and Kidney Complaint for the last ten years,
and has been a great sufferer. Our family and the
neighbors thought we should lose him. About six
months ago he commenced taking your VEGETINE.
Now he is a well man, but he would not be without
the VEGETINE in his house, and he advises all per-
sons afflicted with those complaints to give the VEGE-
TINE a fair trial, and they will be satisfied that it
will cure them. He had tried all kinds of medicines
without success before taking the VEGETINE, and
myself been unwell for a long time. My father wrote
to take the VEGETINE, and I have, and can truly say
that I never felt better in my life than I do now.

INTELLIGENCE OFFICE, 102 PRINCESS ST.,
SAINT JOHN, N. B., JULY 29TH, 1878.

MESSES. HANINGTON BROTHERS:
Gentlemen,—Three years ago I was going to write
you how much benefit I received from taking two
bottles of your QUININE WINE AND IRON, being
then very weak and low, with no appetite for any
sort of food, after a severe attack of Erysipelas in my
head. Again, after the fire, I was nearly quite gone,
and was restored to strength and activity by taking
two bottles more, and last May I had to have recourse
to the QUININE WINE AND IRON again with the
same beneficial results.

While I was taking it at last, a person came in who
had left her situation to get into the Hospital, being
so weak she could not work. I said I will send you
to a place where you will get seven dollars a month;
take two bottles of HANINGTON'S QUININE WINE
AND IRON with you, and if you are not able to earn
the seven dollars, I will pay you for the medicine
at the end of the month she was quite smart, and is
still filling the situation. I send you these few lines
for the benefit of society (if you trouble to publish
it), as there are so many sick at present. It would
greatly benefit persons suffering from Debility,
and would most certainly prevent sickness by
strengthening and building up the system.

Yours very truly,
JANE A. LEE.

Testimonial from Capt. Joshua Harper.
SACKVILLE, N. B., Feb. 13th, 1877.
J. H. ROBINSON, Esq., St. John, N. B.
Dear Sir,—Early in October last I took a severe cold
which settled on my lungs. After having a bad cough
for about six weeks, I had a severe attack of bleeding
from the lungs, which on a voyage from Queenstown
to Dover, I had daily spells of bleeding for some
days, until I lost about two gallons of blood, and was
so weak as to be scarcely able to stand. I put back
to Queenstown, where I received such medical as-
sistance as enabled me to get home.

I saw an advertisement of your Phosphorized Cod
Liver Oil Emulsion in a paper. I immediately sent
and got a half dozen bottles, after taking which I
feel myself a well man again. My weight, which was
reduced to 120 pounds, is now up to my usual stand-
ard of 152 pounds. Seeing what it has done for me, I can
confidently recommend it to others afflicted with lung
disease.

Yours very truly,
JOSHUA HARPER,
