

ges in a coal mine than streets in a city. They are paved with rough, irregular stones, so that you have to walk very to avoid stumbling, and it takes a good deal of time to walk without falling. The buildings seem to be composed of the remains of former buildings, and there are masses of broken stone, mortar and rubbish in every direction. The glory has all departed, and you look it is a scene of wretched misery.

There seem to be signs of better days appearing. Many Jews are returning to Palestine. They are building good houses, and are planting vineyards and gardens outside the city. The North-west, along the road leading to the sea, is an appearance of thrift and about these new places. And if Britain should extend over the country, it changes would soon take place. Improvement cannot be expected in the present Arabs, the present occupants of the land, but they are few, the whole population being exceedingly scanty; Jews from Europe and America come in numbers, bringing their silver and gold with them, a new era will dawn on Palestine's land." It would seem as if they were shortly to hear the life-giving "Awake, awake, stand up O Jerusalem, and drink at the hand of the Lord, the Lord is angry; thou hast drunken the dregs of wine of trembling, and wrung them out." "And if we are to understand that inspiring promise in Isaiah 11: 3, 'happy future is in store for Jerusalem! the Lord shall comfort Zion; he will wipe away her waste places, and he will make her as like Eden, and her desert like the garden of the Lord; joy and gladness shall be therein, thanksgiving and the voice of praise.' India, January, 29, 1879.

Prof. C. R. Bill.

extract the following from a Gloucestershire paper, which shows that the Proctill still achieves brilliant success in his profession.

At a grand concert by 200 of the children of the public schools, under the direction of Mr. C. R. Bill, music teacher of the schools, at City Hall, Monday evening, great success. The hall was filled to overflowing, balcony and all, and a more enthusiastic audience was never convened in its walls. The programme consisted of songs, solos, choruses, semi-choruses, duets and character songs; the children took part therein show evidence of ability on their part, but the special results of careful training and making effort on the part of their

concert opened with "Wondrous of Heaven," choral, by a full chorus. It was followed with a select programme of forty numbers, some of which were to be omitted on account of the length of the hour. Each piece was received with warm applause and we have seen a more enthusiastic audience.

Among the gems were, "Dreaming, ever dreaming," song and chorus; "Ever Song," semi-chorus of girls; "I My Love in the Morning," double "Baby Mine," very sweetly sung. "The Fairies of the Deep," "Buy my berries," solo and semi-chorus; "See, conquering Hero Comes," by full chorus, rendered; "Our Flag," character piece by a score or more of little boys, and warm applause; "This is the Way up our Hands," motion song, by children, very amusing, and well performed; "Beautiful Moonlight," finely sung, "Feeder," a humorous composition, true, gave great satisfaction and was rendered; the song of "Johnny Green," sung down the house, and the encore promptly responded to; "Oh! shall I meet Thee again," song with chorus, a pleasing effort. All did well, and entertainment will long be remembered with pleasure by those who can appreciate talent.

Mary Bill, pianist, won warm encouragement, and this young lady is entitled to credit for her efforts, not only on the stage of the entertainment, but in her attendance upon the rehearsals, and the great interest she manifested in the entertainment a success. The amount realized was \$145.30, which has been placed in the hands of the treasurers of the Female Charitable Association and Gloucester Relief Association.

News from the Churches.

**NEW BRUNSWICK.**

**ATLANTIC.**—A musical and literary entertainment was given by the Church last week, a pleasant feature of the occasion was that Mr. Stevens, rector of the Episcopal Church, by his presence and excellent readings, and his desire to work harmoniously with brethren of other faiths.

**WESTER ST.**—The ladies of this Church met in a tea meeting in the audience room of the new Church. Twelve long tables were filled by patrons, who showed a keen interest in the ladies' handicraft. The part of the programme was well executed and the reading of Miss Hughes, daughter of Rev. John Hughes, was exceedingly good for an amateur.

**SALISBURY.**—Interesting special meetings have been held in the Baptist Church at the village for some weeks under the direction of the Rev. E. H. Howe. Three young men were baptized last Sunday, and a large number are expected to come forward and prove their attachment to the Saviour next Sabbath.

**MONCTON.**—This Church is enjoying revival influences, already 14 have been received for baptism, and the prospects are encouraging.

**ST. STEPHEN.**—We regret to learn that Rev. J. T. Eaton has been ill for two weeks and unable to preach. He expects to be at his post next Sabbath.

**HILLSBOROUGH.**—We have been holding some extra services of late. As a result the church is more united and active and the congregations are greatly increased. Last Sabbath I baptized five and received them into the fellowship of this church. Others have professed conversion, and many others seem deeply interested. C. B. WELTON.

**ST. GEORGE.**—Our baptistry, the salt water basin, is partially thawed out, so much so that we were able to baptize four brothers in Christ on Sunday of whom I trust will yet become four pillars in our church. One of the number has the ministry in view. He has been a member of the Presbyterian church for a few years, but he felt that he could not preach Christ until he had obeyed Christ in baptism. After a great deal of prayer and investigation he asked for admission into our church, was received and baptized. What a blessed thing it is that there is a refuge and a fold for loyal followers of Jesus Christ. We expect to have a baptism next Sabbath. The interest in religious matters has steadily increased in this place for six or eight months and never have we had more reason to thank God and take courage than now. The work of the Lord is widening and deepening in the community. Oh that Jesus of Nazareth may not pass by until he visits every home and heart with saving grace; W. J. STEWART.

Rev. J. H. Hughes wishes to express his thanks to large number of his friends who met at his residence on the evening of the 5th ult., and after partaking of an excellent tea, and having a good social time, as is always the case on such occasions, left him the better off to the amount of one hundred dollars in money and useful articles.

Bro. F. S. Todd, Woodstock, has been kindly remembered by the people of his charge at Middle Simonds. They assembled in force, and made him a donation amounting to \$47.00, for which he desires to express grateful thanks.

Rev. J. H. Coy expresses thanks to the people of his charge at Kingsclear, for a generous donation amounting to \$60. He adds there is no moonshine in this announcement as it is all over and above a paid salary.

**YORK AND SUNBURY QUARTERLY MEETING** met with the Baptist Church, at Nashwaak, on Friday, 7th inst. The business meeting was held on Saturday morning at 9 o'clock. The attendance was not as large as it should be. The following Resolutions were adopted:

That the next quarterly meeting be held with the Church at Macnaquaak, on the first Friday in June, at seven o'clock p. m.

That P. O. Reece preach the quarterly sermon and D. P. Harris be his alternate.

The Missionary report was presented and gave great satisfaction, and the missionary having been previously appointed to labor half the time for one year will continue his work. It is lamented, however, that our funds do not seem to permit us to do more.

On Saturday evening a missionary meeting was held, and short but appropriate mission sermons were preached by Rev. A. J. Stevens of Fredericton, and addresses by other brethren followed. Preaching on Sabbath, morning and evening, by Bro. G. Howard, and at three by Rev. P. O. Reece.

The collection for the mission was good, amounting to \$15.26. This, together with the liberal subscriptions from the churches, gave us enough to pay our missionary for all the time he spent, and a small fund for the ensuing quarter. The meetings throughout were largely attended and very solemn. The Church was much revived, and Pastor Hughes is encouraged to continue the meetings, hoping and praying for a harvest of souls. J. H. COY, Sec.-Treas.

MISSIONARY'S REPORT.

Another quarter of our yearly work for the Master is ended, and another report is due from our Missionary. Allow me therefore to submit the following:

I have expended sixty-three days in all, being three-fourths of the time. Thirty-five of these days were devoted to the interest at Little River, five in visits to the Church at Lakeville Corner, and the remaining twenty-three days were spent at Maple Ridge, in occasional visits to a few other parts of the Mission field, and in travelling.

I found the cause exceedingly low at Little River, but labor expended according to God's word preaching, exhorting and praying in public, and from house to house, resulted in awakening a deep and thorough religious interest in the community. Seven happy converts were baptized, and others professed conversion who, for some cause, did not obey the Lord. Your Missionary was most gladly received, and there is no doubt a number from that destitute land, will rejoice in all eternity that God through you sent his servant to break the bread of life to their famishing souls, and you will be sharers of his joy.

Your Missionary has good reason to believe that his visits to Lakeville Corner were approved of by God and man. The collection in this place was taken by their pastor, Bro. Howard.

Maple Ridge is doing well; your Missionary visited and prayed much, and held on an average more than one meeting a day, during the

time he was in your service; he also travelled many miles, and often through storms and over bad roads to reach his appointments, but his only regret is that he has not done much more in a field where so much is left undone.

Oh, my brethren! what shall we do if the work which God has committed to us, be not done when Jesus comes?

Collected at Little River, \$17.00; at Maple Ridge, \$5.50; at other places, \$2.50, in all \$15.00. Yours, in Christ, D. P. HARRIS.

NOVA SCOTIA.

**BRIDGETOWN.**—The present pastor, Rev. W. H. Warren, has been laboring here about six months. He is a faithful preacher and an able expounder of Biblical truth. His people show their appreciation of his services. The church is growing under his ministrations. The attendance at the weekly prayer meetings has been more than doubled of late. The parsonage has recently been remodeled and painted throughout. A new bell has been placed in the church steeple.

**CANARD.** Rev. S. B. Kempton, pastor. Preaching services, prayer meetings and Sabbath School well attended. Though there has been no special awakening among the unconverted, yet there is a growing religious interest among the people. The pastor is much beloved by his flock. His aim is to make men Christians from principle rather than from emotion.

**WOLFVILLE.**—The pastor of this church, Rev. S. W. DeBlois, has labored here nearly a quarter of a century. He occupies a high place in the affections of his people. The congregations on the Sabbath are large. The Woman's Missionary Aid Society and the Children's Christian Band are composed of active Christian workers. If all our churches had such laborers the treasury would be better supplied. A few months ago a new organ which cost \$1500 was placed in the church. It was the gift of a friend.

The Kentville Church is now without a pastor. The Membership is small, about 130, yet among this number are many active working Christians. They have a beautiful house of worship, Sabbath School and prayer meetings well attended. A faithful pastor is now desired.

UPPER PROVINCES.

The Olivet Baptist Church, Montreal, will be dedicated next Sunday. The Rev. R. S. McArthur of Calvary Church, N. Y. will preach. We congratulate our brethren on the successful completion of their commodious and elegant Church edifice.

The Rev. Dr. Cooper, pastor of the York St. Baptist Church, London, Ont., has resigned after a pastorate of over 16 years. He is quite advanced in years, but we trust that yet more of service for Christ in the ministry remains for him.

ELSEWHERE.

The Wake Forest College has 108 students. 95 of these young men are consistent members of Baptist churches.

**ST. LOUIS.**—Meetings continue at Second Church, twenty-five inquirers; at Fourth Bro. Penn. is having crowded houses and there is a deep interest; eleven baptized Sunday evening. Dr. Lofton goes ahead at the Third, fifteen baptized Saturday evening. There is a general revival spirit in the Baptist churches of this city.

Literary Notes.

**THE YOUNG SCIENTIST** for March is replete, in interesting matter and facts in its special department. Its practical hints are valuable, and its exchange column indicate many useful articles, persons wish to exchange for others indicated. Price 50 cents a year, address 178 Broadway, N. Y.

**PARSON BROWN, HIS TALK** has been put on our table, and the little reading we have given it impresses us that it contains little wisdom or wit. However you can judge for yourself by sending Buckley & Allan, Halifax, N. S., 25 cents, who will send you a copy.

**THE INTERNATIONAL REVIEW** for March, has the usual number of vigorously written articles, but lacks interest in the subjects treated, for Dominion readers. There is one department which we always read, viz., the critical notices of contemporary literature, and the review of English books, by George Barnett Smith. Price 50 cents a number.

**THE PREACHER AND HOMILETIC MONTHLY** for March, has made its appearance a little late, but it is as full as ever of suggestive matter for the preacher and teacher. Among its sermons we note, "A voice from Pompeii," by Archibald Brown, "Ingersoll's attack on the Bible," by Dr. Leech, "The Friendship between Christ and the Believer," by Dr. Hall, "A Revival Appeal," by Joseph Odell, "The urgent Invitation," by Dr. Cuyler. Besides it gives a homiletic exposition of the International S. S. Lessons by D. C. Hughes, and helps of various kinds valuable to the Ministry, and intelligent laymen. Price \$2.50 per year. Order through the VISITOR BOOK ROOM.

**WOODS HOUSEHOLD MAGAZINE** for April maintains the reputation for being an exceedingly interesting repository of useful and entertaining matter concerning most subjects in which the family circle is interested. Price \$2 a year, sent through V. B. R.

**THE SUNDAY AFTERNOON** is a monthly magazine published in Springfield Mass. In mechanical execution it is first class. In a literary point of view it is the equal of the best, and the tone of its stories is decidedly moral and elevating. Its Essays on subjects of permanent interest are well chosen and presented. The department entitled "Still Hour" is devoutly Christian and suggestive. The "Editor's table" sets before us many good things, but we are a little inclined to think that our host in

his desire to please all is giving too much attention to gain the favor of the so called "liberals" to please his orthodox friends. The magazine however is exceedingly readable and in the main healthful in tone and well written. The price \$3. a year.

INTELLIGENCE OFFICE, 102 Princeps St., SAINT JOHN, N. B., JULY 29TH, 1878.

MESSRS. HANINGTON BROTHERS:  
Gentlemen, — Three years ago I was going to write you how much benefit I received from taking two bottles of your QUININE WINE AND IRON, being then very weak and low, with no appetite for any sort of food, after a severe attack of Erysipelas in my head. Again, after the fire, I was nearly quite gone, and was restored to strength and activity, by taking two bottles more, and last May I had to have recourse

to the QUININE WINE AND IRON again with the same beneficial results.

While I was taking it at last, a person came in who had left her situation to get into the Hospital, being so weak she could not work. I said, I will send you to a place where you will get seven dollars a month; take two bottles of HANINGTON'S QUININE WINE AND IRON with you, and if you are not able to earn the seven dollars I will pay you for the medicine. At the end of the month she was quite smart, and is still filling the situation. I send you these few lines for the benefit of society (if you trouble to publish it), as there are so many sick at present. It would greatly benefit persons after Sickness or Diphtheria, and would most certainly prevent sickness by strengthening and building up the system.

Yours very truly, JANE A. LEE.

SACKVILLE, N. B., Feb. 13th, 1877.  
J. H. ROBINSON, Esq., St. John, N. B.  
Dear Sir,—Early in October last I took a severe cold which settled on my lungs. After having a bad cough for about six weeks, I had a severe attack of bleeding from the lungs, while on a voyage from Queenstown to Dover. I had daily spells of bleeding for some days, until I lost about two gallons of blood, and was so weak as to be scarcely able to stand. I put back to Queenstown, where I received such medical assistance as enabled me to get home.

I saw an advertisement of your Phosphorized Cod Liver Oil Emulsion in a paper. I immediately sent and got a half dozen bottles, after taking which I feel myself a well man again. My weight, which was reduced to 120 pounds, is now up to my usual standard of 152 pounds. Seeing what it has done for me, I can confidently recommend it to others afflicted with lung disease.

Yours very truly, JOSHUA HARPER.
