ALMA. We glean from the report of I. W. Corey, Missionary of the New Brunswick Home Mission Board, the following: "I spent fourteen weeks in this place and was treated with great kindness by the people, who contributed, not only to my financial wants, but also freely gave me their sympathy in my first efforts to preach Christ. Prominent among the rest of kind friends was E. G. Clinch, who gave nobly towards my support. May God continue to bless the people in that locality and may some good man of God be sent to care for the church and strengthen the young of the flock.

Sermons preached, twenty-six.
Calls made, one hundred and fifty.
Buried, one.
No. baptized, eighteen.
No. added to the church, twenty.
Ordinance of baptism administered and Hand of Fellowship given by the Rev. J. W. Carpenter.
Money received from the people, seventy five dollars.

UPPER PROVINCES.

Rev. Geo. Burns, formerly of Macnaquack, N. B., but lately pastor of Bobcaygeon Church, Ontario, has resigned his charge and seeks a new field of labor. Better come back to N. B. Pastorless Churches here are almost as thick as Autumn leaves. But don't ask us about the salaries they propose to give.

Literary Notes.

Good Company for the present month is just what its name indicates. Stories of the better class, poetry inspiring and rhythmical, descriptive sketches, and good solid suggestive editorial matter make it one of the most desirable magazines for family reading.

Common Sense Treatment of Consumption, Asthma, and Catarrh, by N. B. Wolfe, M.D., Cincinnatti, seems to contain valuable information, although we doubt much the power of the healing art in settled or chronic cases of these diseases.

Marriages.

No charge is made for the usual announcement of marriages or deaths. Obituary notices, however, *exceeding* twenty lines, will be charged at the rate of 25 cents for each additional ten lines, counting *ten* words to a line. The money should be sent with the notice. Those who ask their pastor to prepare such notices and send them for publication, should be careful to furnish him with the money to be forwarded with the same to our office. No poetry to be inserted.

A Witty Frenchman.

Old Mayor Quincy, of Boston, U. S., wss deputed to extend the civilities of that city to General Lafayette in 1824. He tells the following anecdote of the General: The cortege had stopped in Tremont street near the commons, to allow the Frenchmen to shake hands with the General. Many greeted him and for everyone he had a kind word. One old man grasped his hand and told him that he was the father of a dozen living children. The General patted him on the back and said, "Happy fellow! Happy fellow!" The next man said: "General, I never married and have no children to incumber me." "Jolly dog! Jolly dog!" replied Lafayette in his urbane manner. He was always ready with his replies. If Lafayette were alive he might say to the man who assured him that he was always well, "Happy fellow!" and to him who had been very sick and was cured by Dr. Herrick's Sugar-Coated Pills, "Jolly dog." It is jolly to take these pills, they are so palatable. In all stomachic complaints, they are absolutely without a rival, and their extensive sales attest their popularity.

Amongst the most remarkable productions of the age and country is Hall's Hair Renewer. Its success is unparalleled. It is sought by rich and poor, high and low, young and old. Inhabitants of Foreign lands—the people of Australia, of Europe, and of South America find means to get it at whatever cost. It is because it works like magic. It restores the hair to its youthful color and beauty, and robs approaching age of one of its disagreeable accompaniments. If you are getting bald, try it. Try it if you are getting gray. or if you have any disease of the scalp. Try it if you wish a good hair dressing. It will not disappoint you.

"A Clean Scalp" can be obtained by discontinuing the use of alcoholic and other injurious Hair preparations and the use of "Bearine" the most perfect preserver in their stead.

Perry Davis' Pain Killer taken internally, it relieves instantly the most acute pain. Used externally it is the best Liniment in the world. Its effect is almost instantaneous, affording relief from the most intense pain. It soothes the irritated or inflamed part, and gives quiet and rest to the sufferer. It is eminently the people's friend, and every one should have it with them, or where they can put their hands on it in the dark if need be.

For the benefit of our readers we give this week a sure cure for colic or belly ache in horses. To one bottle Johnson's Anodyne Liniment add same quantity of molasses and same quantity of water, and pour down the horse's throat.

A man recently asked in a drug store for a box of rough diamonds, but the druggist knew no such remedy. After much parley the druggist found that his customer wanted Pursons' Purgattve Pills. He says, "that's the only fit name for 'em."

F. W. Kinsman, Esq.—Dear Sir:—With pleasure we order ten gross Adamson's Botanic Cough Balsam—showing conclusively that merit has won the day, and that your Balsam is taking the lead over the many bottles of trash that now flood the market—From Smith, Doolittle & Smith, Druggists, Boston.

We have no nervous tonic at once so reliable and convenient as Follow's Compound Syrup of Hypophosphites, and we, therefore, gladly recommend it in the diseases of such organs as depend for health upon involuntary muscular action.

INTELLIGENCE OFFICE, 102 PRINCESS ST.,
SAINT JOHN, N. B., JULY 29TH, 1878

MESSRS. HANINGTON BROTHERS:

Gentlemen, — Three years ago I was going to write you how much benefit I received from taking two bottles of your QUININE WINE AND IRON, being then very weak and low, with no appetite for any sort of food, after a severe attack of Erysipelas in my head. Again, after the fire, I was nearly quite gone, and was restored to strength and activity by taking two bottles more, and last May I had to have recourse to the QUININE WINE AND IRON again with the same beneficial results,

While I was taking it at last, a person came in wh had left her situation to get into the Hospital, being so weak she could not work. I said, I will send you to a place where you will get seven dollars a month; take two bottles of HANINGTON'S QUININE WINE AND IRON with you, and if you are not able to earn the seven dollars I will pay you for the medicine At the end of the month she was quite smart, and is still filling the situation. I send you these few lines for the benefit of society (if you trouble to publish it), as there are so many sick at present. It would greatly benefit persons after *Sickness or Diphtheria*, and would most certainly prevent sickness b strenghening and building up the system.

Yours very truly, JANE A. LEE.

For Sale at the Drug Stores.

Pulmonary Consumption arises from a decline or defiency of vitality in the natural *bioplasm* or *germinal* matter, and this deficiency manifests itself not only in a general wasting or atrophy of the whole body, but also in a peculiar degradation, chiefly in the lungs and lymphatic system, of portions of this *bioplasm* into a sluggish, low-lived, yet paoliferating matter, which instead of maintaining the nutrition and integrity of the tissues (which is the natural office of *bioplasm*) clogs them, and irritates them with a substance which is more or less prone to decay, and eventually involves them also in its own disintegration and destruction."

To remedy this deficiency by sustaining the vitality of the *bioplasm*, and thus provide for the general building up of the whole system, is the office and design of *Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime.*

Prepared solely by J. H. Robinson, Pharmaceutical Chemist, Saint John, N. B., and for sale by Druggists and General Dealers. Price $1 per bottle; six bottles for $5

CONSUMPTION CURED.

PARKER'S COVE, *March 1st*, 1877.

DR. C. GATE: *Dear Sir.*- I should have written to to you before, but owing to sickness and business, have been prevented from doing so. I feel it my duty to send you the following information from gratitude to you and for the benefit of those suffering as I was. I have been greatly afflicted with Dyspepsia and Biliousness for about 25 years. I tried doctors but got no cure. About five years ago I tried a few bottles of your *Life of Man Bitters* and *No. 1 Invigorating Syrup* from which I obtained great relief up to the present. for which I feel thankful to God and to you, and would recommend your medicine to all suffering with the same complaint as Dyspepsia and the like.

Since you were at my house. Thos. Rice was taken very ill with a dreadful sore throat, bordering on diphtheria; we used your *Acadian Liniment* and *Nerve Ointment* freely, from which he obtained great relief. Others in our neighborhood are using your medecines and the result is good. Wishing you great success,

I remain yours,
