

each Society, will do much in keeping it alive, and stimulating others in the good work.

Mrs. Armstrong, she who was Miss Norris, and whom all remember with much pleasure as the organizer of our Aid Societies ten years ago, is now on her way home in poor health.

Those ten years have been spent in most valuable work for her Master. She should receive a very hearty welcome, and every sister in our churches should feel that it is a privilege to help defray her expenses and do what they can to cause her to regain her health so that she may return again and by the blessing of God be spared for years still to go on as in the past.

The names of 74 societies stand upon our books, from only 39 of which contributions were received during the past year.

We propose giving the lists of contributing and non-contributing societies yearly, hoping thereby the one may be stimulated and the other encouraged.

#### News from the Churches.

##### NEW BRUNSWICK.

Rev. D. A. Steele and wife passed through the City last week en route for the United States, to enjoy a season of rest. He works hard, and we hope he will "rest hard" for a few weeks.

PORTLAND BAPTIST CHURCH.—Bro. Goodwin, who has been laboring with us during the past six months, has given up his charge and accepted a business situation. His health has been very delicate for some time. He hopes that public speaking will have a beneficial effect upon the throat trouble from which he has been suffering. Our congregations have increased during the winter. Revival influences have been experienced, as the result quite a number has been added to the church.

##### THE DEACONS OF THE CHURCH.

LEINSTER ST.—Rev. J. A. Durkee is supplying, for a few Sabbaths, the pulpit of this church, much to the gratification of the congregation. His health is slightly improved. The pastor elect, Rev. Mr. Kelly, is expected in a few weeks.

JACKSONTOWN.—The revival at Rockland is still in progress. The interest is good. Many strong young men and maidens, with heads of families, have been won to Christ. There have been 47 baptisms during the revival, 61 have received the hand of fellowship. I have visited the baptismal waters eight Sabbaths in succession.

HAMMOND, K. C.—Diphtheria has made its appearance in Hammond. Two families have been visited by this dreaded disease, S. Lockhart's and James Sherwood's, the latter having lost two children, one girl in her 18th year, and another in her 9th. As yet no other cases are known in the neighborhood. We hope it will not spread any farther.

SUNNY SIDE.—Mrs. E. A. Mutch, wife of Rev. R. Mutch, was agreeably surprised on the morning of the 12th by two ladies and a gentleman who unceremoniously entered her house, and in behalf of the Baptist Sewing Circle of Rothesay, presented her with a Davis Vertical Sewing Machine, price \$40.00. R. Mutch.

BOILESTOWN.—Rev. James Tozer, in renewing his subscription to the VISITOR, says: "I am just entering on my 84th year. I shall not be able to read much longer, but I scarcely know how to do without the VISITOR. My prospect is good for the future, and my hope is firm and strong." May the sure mercies of David sustain this aged patriarch till he reaches the eternal rest.

MONCTON.—I had the pleasure of administering the ordinance of baptism last Sabbath at Humphrey's Mills "because there is much water there." It was a season of great solemnity. I have just closed the fourth year of my pastorate with the church in Moncton. Sixty-six have been added by baptism and letter recently, making two hundred and six since I came here. The church is large and the work laborious. I have attended five funerals this week in addition to my regular pastoral duties. We require an assistant in this field, then we could take in some outlying districts which are not now regularly looked after. To this arrangement I would contribute freely. No one man can do all the work that I think this section requires. This would afford a good opening, and a good training for a young man. I have assumed the responsibilities of the pastorate for another year, but whether my health and strength will justify me, is a problem.

THOS. TODD.

HARVEY.—I baptized two more last Sabbath at Germantown. Bro. Carpenter baptized six at Bayside, Second Harvey. The indications are, he will baptize many more. The good work of God is extending. To Him be the glory.

T. A. BLACKADAR.

HILLSBOROUGH.—105 persons have been added to the church during the late revival season.

##### NOVA SCOTIA.

LAWRENCETOWN.—Rev. J. E. Blakney baptized one person and received another by letter, into this church recently.

WESTWORTH, N. S.—I have spent a week here with this people closing up my work among them, as my health is so far gone that I am obliged to give up all public service. God has permitted me to gather in a few more dear lambs for his fold, who I trust have been saved with an everlasting salvation. Rev. Jas. Meadows came over to preach for me yesterday, and seven believers on the Lord Jesus Christ were buried with Him in baptism. Three others were received by letter, making fifteen I have welcomed to this church since last October. Yesterday was a happy day to many souls. It was to me a rich foretaste of the Eternal Sabbath.

J. B. LATTON.

The Rev. Dr. Tupper, of Aylesford, N. S., father of the Hon. Dr. Tupper, Minister of Public Works, who is now nearly 90 years of age, a few Sundays ago harnessed his own horse, drove four miles, and preached in the morning and evening, and returned to his home on the following day. It is the reverend gentleman's intention accompanied by his wife, to pay a visit to his friends at Avondale during the early part of this month. Avondale is about 70 miles from Aylesford, and he intends to drive the whole distance there and back. The Doctor is still remarkably hale for one of his great age.

##### ELSEWHERE.

Rev. E. P. Hammond is holding revival meetings in the city of Guelph, Ont., with great success. The audiences number thousands, and converts are increasing. On a recent Sunday he preached in Toronto for Rev. Dr. Castle.

##### Notice.

The 1st Baptist Church, in Hampton, King's Co., will open their new meeting House on the 25th inst. Ministers and brethren are invited to attend.

ISAIAH SMITH, Clerk.

The age of miracles has passed, yet the cures made by Adamson's Botanic Balsam, are more miraculous than anything that has existed in modern times. It cures Coughs, Colds, and Consumption. Price 10, 25, and 50 cents.

Instantly is none too quick to relieve a cough. Many children have died while a fire was making. Johnson's Anodyne Liniment gives instant relief and a sure cure. Half a teaspoonful on sugar. Every family should keep it in the house.

The adulteration of condition powders has got to such a pitch that one can now buy a poor pack of dust and ashes for 25 cents. There is only one kind known that are strictly pure, and those are Sheridan's Cavalry Powders.

SUNDAY SCHOOL PAPERS can be furnished through the VISITOR Book Room as cheaply as they can be procured from the United States. See advertisement.

**Impurities of the Blood.**—The decided alternative action of Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime, adapts it to a remarkable degree as a blood purifier, well worthy of the trial of those suffering from a diseased condition of the circulating fluid. The unsightly blotches, pustules and pimples that disfigure the face and neck, as well as other portions of the body, of so many persons, are indications of a diseased state of the blood, induced by, as well as associated with, depraved nutrition, feeble digestion and imperfect assimilation. The continued use of the Phosphorized Emulsion invariably cleanses the blood from all these impurities and restores the system to a state of healthfulness that is manifested in increased constitutional vigor, mental activity and lightness and buoyancy of spirits.

Prepared solely by J. H. Robinson, Pharmaceutical Chemist, Saint John, N. B., and for sale by Druggists and General Dealers. Price \$1 per bottle; six bottles for \$5.

Intelligence Office, 102 PRINCE ST. SAINT JOHN, N. B., JULY 22ND 1878. Gentlemen,—Three years ago I was going to write you how much benefit I received from taking two bottles of your QUININE WINE AND IRON, being then very weak and low, with no appetite for any sort of food, after a severe attack of Erysipelas in my head. Again, after the fire, I was nearly quite gone, and was restored to strength and activity by taking two bottles more, and last May I had to have recourse to the QUININE WINE AND IRON again with the same beneficial results.

While I was taking it at last, a person came in who had left her situation to get into the Hospital, being so weak she could not work. I said, I will send you to a place where you will get seven dollars a month; take two bottles of HANINGTON'S QUININE WINE AND IRON with you, and if you are not able to care for the seven dollars I will pay you for the medicine. At the end of the month she was quite smart, and is still filling the situation. I send you these few lines for the benefit of society (if you trouble to publish it), as there are so many sick at present. It would greatly benefit persons after Sickness or Diphtheria, and would most certainly prevent sickness & strengthening and building up the system.

Yours very truly, JANE A. LEE. Price 50c. per Bottle. Six Bottles for \$2.50. For Sale at the Drug Stores.

Ayer's Hair Vigor,

FOR RESTORING GRAY HAIR TO ITS

NATURAL VITALITY AND COLOR.

Advancing years, sickness, care, disappointment, and hereditary predisposition, all turn the hair gray, and either of them incline it to shed prematurely.

AYER'S HAIR VIGOR, by long and extensive use, has proven that it stops the falling of the hair immediately; often renews the growth; and always surely restores its color, when faded or gray. It stimulates the nutritive organs to healthy activity, and preserves both the hair and its glossy pliability and strengthened; lost hair regrows with lively expression; falling hair is checked and established; thin hair thickens; and faded or gray hairs resume their original color. Its operation is sure and harmless. It cures dandruff, heals all humors, and keeps the scalp cool, clean and soft—under which conditions, diseases of the scalp are impossible.

As a dressing for ladies' hair, the VIGOR is praised for its grateful and agreeable perfume, and valued for the soft lustre and richness of tone it imparts.
