Christian, Where art Thou?
On the surest foundation,
Christ where's no condemnation;

of the question at issue. And this is a truth that is proclaimed by the believer in baptism; Christ the sole Lord and Lawgiver in his Church; no lord but himself;

At the close of the Conference of the Pastors' College, of which we had a report last week, it was stated that about five hundred of the past and present students of the Pastors' College had subscribed a sum of \$414, which has been presented to Mr. Spurgeon as a token of their appreciation of his past twenty-five years ministry.

Mr. Spurgeon is home and at work again, but by no means strong, and I fear now he will never cross the Atlantic.

INTELLIGENCE OFFICE, 102 PRINCESS ST., SAINT JOHN, N. B., JULY 29TH, 1878

MESSES. HANINGTON BROTHERS: Gentlemen,—Three years ago I was going to write you how much benefit I received from taking two bottles of your QUININE WINE AND IRON, being then very weak and low, with no appetite for any sort of food, after a severe attack of Erysipelas in my head. Again, after the fire, I was nearly quite gone, and was restored to strength and activity by taking two bottles more, and last May I had to have recourse to the QUININE WINE AND IRON again with the same beneficial results.

While I was taking it at last, a person came in who had left her situation to get into the Hospital, being so weak she could not work. I said, I will send you to a place where you will get seven dollars a month; take two bottles of HANINGTON'S QUININE WINE AND IRON with you, and if you are able to earn the seven dollars I will pay you for the medicine. At the end of the month she was quite smart, and is still filling the situation. I send you these few lines for the benefit of society (if you think it worth it), as there are so many sick at present. It would greatly benefit persons after Sickness or Diphtheria, and would most certainly prevent sickness by strengthening and building up the system.

Yours very truly, JANE A. LEE. Price 50c. per Bottle. Six Bottles for \$2.50. For Sale at the Drug Stores.

Impurities of the Blood.—The decided alterative action of Robinson's Phosphorized Emulsion of Cod-Liver Oil with Lacto-Phosphate of Lime, adapts it to a remarkable degree as a blood purifier, well worthy of the trial of those suffering from a diseased condition of the circulating fluid. The unsightly blotches, pustules and pimples that disfigure the face and neck, as well as other portions of the body, of so many persons, are indications of a diseased state of the blood, induced by, as well as associated with, depraved nutrition, feeble digestion and imperfect assimilation. The continued use of the Phosphorized Emulsion invariably cleanses the blood from all these impurities and restores the system to a state of healthfulness that is manifested in increased constitutional vigor, mental activity and lightness and buoyancy of spirits.

A Slight Cough that we are so apt to consider a mere annoyance and treat with corresponding neglect, too often proves to be the seed sown for an inevitable harvest—CONSUMPTION. Immediate and thorough treatment is our only safeguard. A teaspoonful of Robinson's Phosphorized Emulsion of Cod-Liver Oil with Lacto-Phosphate of Lime given whenever the Cough is troublesome, will afford immediate relief, and if persevered in will effect a cure even in the most obstinate cases.
