HILLSBOROUGH. The precious work of the Spirit is still in progress in the First Baptist Church, and the interest is in the least abated. I have baptized nine Sabbaths in succession, and have added to the church 92, 87 of whom have been baptized by baptism. Many more have been converted and expect to be baptized soon. The church now numbers 432 in its membership, and is in all respects united, active, and hopeful. C. B. WELTON.

We rejoice also in the intelligence of a gracious revival experienced at the Grand Ligne Mission. 30 have been recently converted and baptized, and others will be expected soon to confess Christ and unite with the Mission.

Literary Notes. "SUNDAY AFTERNOON" for May is an excellent number. Some of our best and freshest writers figure in its pages, and subjects are discussed that arrest attention. We are specially interested in the editorial matter. Apt criticism and thoughtful devotional miscellany are supplied.

"JOY BELLS," by W. A. Ogden, is the latest contribution of sacred music for the Sunday school. Upon reviewing this new collection, we find it full of new and appropriate hymns set to sparkling and pleasing melodies, by a variety of both popular and favorite authors, which cannot fail to delight the great army of Sunday School children. It contains 160 pages usual style, and sells at the popular price of \$3.00 per doz., and 35cts. a single copy, board covers. Address, W. W. Whitney, Publisher, Toledo, Ohio, or VISITOR Book Store.

THE PREACHER AND HOMILETIC MONTHLY for May is received, and contains the usual amount of valuable hints and information. Price \$2.50. Order through VISITOR Book Store.

THE NATIONAL SUNDAY SCHOOL TEACHER deserves its increasing popularity. It is among the best and brightest of our exchanges. It is full of good things on the lessons, and of other good things which are of interest and profit to Sunday School people. The May number is of such a character that we wonder that any Sunday School workers should be without it. We also are glad to commend THE SCHOLAR'S WEEKLY, THE NATIONAL QUARTERLY, and the illustrated LITTLE FOLKS for infant classes that come along with it. Chicago: Adams, Blackmer, & Lyon Publishing Co.

SUNDAY SCHOOL PAPERS can be furnished through the VISITOR Book Room as cheaply as they can be procured from the United States. See advertisement.

HONOR FROM EUROPE. It is conceded on all sides that Dr. Ayer's Pills are above comparison with other medicines. Uniting the best elements known to the chemist, they are particularly effective against the numerous stomachic disorders for which they are recommended as a cure. These pills are so mild, yet searching, that they are often prescribed by doctors who otherwise do not favor patent medicines. Indeed, with the fruits of Dr. Ayer's genius in the shape of pills, Sarsaparilla, Aque Cure and Cherry Pectoral, one might with impunity travel through the swamps of tropical America, or follow Stanley on his travels through the interior of Africa.—Amsterdam Nieuws van den Dag.

SHARPE.—At Eudora, Arkansas on the 16th ult., Edward G. Sharpe, in the 32nd year of his age. Son

of the late Allan Sharpe of Amherst, N. S. He leaves a widow and two children to mourn their loss. The sad event of April 19 has cast a deep gloom over the First Baptist Church of Salsbury. The death angel has entered our community and cut down a much respected citizen, and removed from the home circle a kind and affectionate father, and from the church a Christian, God-pleasing man. Deacon Merritt Harris, in the 64th year of his age. He was baptized by the Rev. David Crandal, and received into the fellowship of the Baptist Church, where he advocated the principles of the New Testament for 36 years. For 25 years he was a Deacon, and a continual worker in the Sabbath School. His remains were followed to Boundary Creek for interment April 21st, by a large and respectable procession, and the universal expression of all was that a great and good man had suddenly fallen at his post. We love to think of the ransomed spirit of our departed brother mingling with the sainted fathers, such as the Rev. Joseph Crandal, and others of precious memory, under whose ministry Deacon Harris was trained. About the middle of last winter a few of the church members assembled in the church every morning, and prayed for a revival influence upon the church. Our brother's soul was led out in prayer for the conversion of the Sabbath School scholars, and he lived to see his prayers answered. Three times he visited the river and witnessed the burial of believers. In the midst of a glorious work of grace God called him to his reward. He has entered into rest, and joined the happy society beyond, and our loss is his eternal gain. He will be greatly missed from the community, his family, the church and the denomination. Twisted him before he died, and he took me by the hand and said, "The Lord give you grace to go on and preach the gospel. Fight the good fight of faith, and lay hold on eternal life." E. H. HOWE.

INTELLIGENCE OFFICE, 102 PRINCESS ST., SAINT JOHN, N. B., JULY 29TH, 1878. MESSRS. HANINGTON & CO.—Three years ago I was going to write you how much benefit I received from taking two bottles of your QUININE WINE AND IRON, being then very weak and low, with no appetite for any sort of food, after a severe attack of Erysipelas in my head. Again, after the fire, I was nearly quite gone, and was restored to strength and activity by taking two bottles more, and last May I had to have recourse to the QUININE WINE AND IRON again with the same beneficial results.

While I was taking it at last, a person came in who had left her situation to get into the Hospital, being so weak she could not work. I said I will send you to a place where you will get seven dollars a month; take two bottles of HANINGTON'S QUININE WINE AND IRON with you, and if you are not able to earn the seven dollars I will pay you for the medicine. At the end of the month she was quite smart, and is still filling the situation. I send you these few lines for the benefit of society (if you trouble to publish it), as there are so many sick at present. It would greatly benefit persons after Sickness or Diphtheria, and would most certainly prevent sickness by strengthening and building up the system. Yours very truly, JANE A. LEE. Ayer's Sarsaparilla, FOR PURIFYING THE BLOOD.

This compound of the vegetables alteratives, Sarsaparilla, Dock, Stillington, and Mandrake, with the Iodides of Potash and Iron, makes a most effectual cure of a series of complaints which are very prevalent and afflictive. It purifies the blood, purges out the lurking humors in the system, that undermine health and settle in the most troublesome disorders. Eruptions of the skin are the appearance on the surface of humors that should be expelled from the blood. Internal derangements are the determination of these same humors to some internal organ, or organs, whose action they derange, and whose substance they disease and destroy. AYER'S SARSAPARILLA expels these humors from the blood. When they are gone, the disorders they produce disappear, such as Ulcerations of the Liver, Stomach, Kidneys, Lungs, Eruptions and Eruptive Diseases of the Skin, St. Anthony's Fire, Rose of Erysipelas, Pimples, Pustules, Blisters, Boils, Tumors, Tetter and Salt Rheum, Scald Head, Ring-worm, Ulcers and Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhoea arising from internal ulceration and uterine diseases, Dropsy, Dyspepsia, Emaciation and General Debility. With their departure health returns.

ADAMSON'S BOTANIC BALSAM. Price, 35 Cents. Sample, 10 Cents.

Cures TESTIMONIALS: From Rev. Dr. Quimby. AUGUSTA, ME., Jan. 5, 1878. "Adamson's Botanic Cough Balsam has been used in my family for more than three years and we can recommend it as a superior remedy for coughs and colds." From Luther Whitman, Esq., proprietor of Winthrop Agricultural Works. WINTHROP, ME., Feb. 13, 1878. MR. FRANK W. KINSMAN—Dear Sir: I have been very much afflicted with Asthma for 7 years; the most of this time it has been very difficult for me to walk up one flight of stairs, or lie down with any degree of comfort; have tried every remedy I could hear of without much, if any, improvement, until I found "Adamson's Botanic Cough Balsam," the effect of which has been truly wonderful. I am able to get a good night's rest and to attend to my business, and to run up and down stairs as before the Asthma came on me. COUGH 40 YEARS. From Alex. Kincaid, 44 years Toll Gatherer on Kennecott Bridge. I have been troubled with a very bad cough for forty years, and after trying almost every medicine in the market, at last despaired of ever getting rid of my cough, which at times was very severe, especially after catching a slight cold, and I could find no relief until, upon the advice of a friend, I purchased one bottle of "Adamson's Botanic Cough Balsam," which, to my surprise, afforded me instant relief, and now I would not part with this medicine upon any terms and I am very happy to add this testimony to the many hundreds you have received, as I consider it a most valuable remedy.

Beware of imitations. See that the name of F. W. Kinsman is blown in the glass of the bottle. Price 10c. and 35c. Sold by FRASER & LEE, 20 Beckman St., and MCKENSON & ROBBINS, 91 Fulton St., N. Y. SOLD BY DRUGGISTS AND DEALERS. a r16—1y
