

along the line, securing and collecting donations and subscriptions, so as to retire the notes of this year. The Pastor is jubilant and says that the 103rd and 126th Psalms, express the joy of his heart. "The Lord hath done great things for us wherewith we are glad."

MONCTON.—Seventeen men baptized last Sabbath, and nine more are received,—making thirty nine since the work began, wanderers returning to the fold of God. T. FODD.

JACKSONVILLE.—The Carleton and Victoria quarterly meeting met with the Baptist Church Jacksonville on Friday 7th inst. The Rev. Jewett preached. Our missionary, Bro. S. Burt reported 31 days labor, attended 52 meetings, baptized 12, gave the right hand of fellowship to 13, and collected \$7.52 for Home Missions. The balance was paid to him by the Treasurer, from money raised by subscription and collections from a few of the churches. The following resolutions were adopted: That Rev. S. Burt be our missionary for half of the time during the next quarter, and that he be paid at the rate of \$1.00 per day. That the next Quarterly Meeting be held (D. V.) with the church at Middle Simonds, commencing on the first Friday in June. The missionary meeting in the evening was well attended. Rev. H. Shaw preached: There were 11 ministers present including those of other denominations. After the collection was taken up for Home Missions it was proposed by Bro. A. Hayward, that something be done for our colored brother, Rev. J. D. Eaton, who was present. In a short time 2 barrels of flour was subscribed, and a collection taken up in his behalf of \$2.50. The meetings had a large attendance throughout, and have resulted in the reviving of the church, restoring wanderers, and we trust converting sinners. Two have been added to the church by baptism, and others seem to be anxious to obtain peace. The collections during the Quarterly Meeting amounted to \$11.24.

C. HENDERSON, Sec. Tres.

SUSSEX VALE.—Rev. W. A. Corey is holding special meetings, and indications of blessing are apparent.

HOPEWELL HILL.—Rev. A. Chipman was recently made the recipient of a handsome donation in the true sense of the term amounting to \$170.77. Bro. G. M. Peck chairman of the meeting read an exceedingly appreciative address, acknowledging the zealous labors of the pastor, and expressing the esteem in which he was held. Sixty two persons have lately been baptized by Bro. Chipman and the religious interest is unabated. Rev. O. Keith is assisting him for a few weeks.

PENFIELD.—I wish to express my gratitude to Brethren, W. H. Justison; W. N. Buckman, and to the Rev. B. Hughes, and to other friends that assisted them to make me a present of a good horse. May a kind Providence reward them all.

JAMES TRIMBLE.

St. GEORGE.—The work of revival still progresses. Four were baptized last Sabbath.

SURREY.—Last Sabbath Amy, eldest daughter of Humphrey and Susan Duffy, who had been called from the troubles of earth at the early age of 14, years was laid away in the silent tomb. Though not a professor of religion yet her upright deportment elicited praise from all. As the tree is known by its fruits so we believe that it was Christ in Amy's young heart which produced such a marvellous example of Christian life in one so young. Rev. S. C. Moore improved the occasion for these words in Mark v. 36 "Be not afraid only believe."

HOPEWELL.—Up to date 63 have been baptized, 3 received by restoration and dismission. At least 3 more converts await baptism. I dare not close special meetings yet. Others at the Hill are walking about Zion. The attendance on meetings is large. Prospects at the Capes are now encouraging. Indeed the harvest seems ripe or ripening all around. The work has seemed like an old time revival may its fruits be abiding.

A. CHIPMAN.

HILLSBOROUGH.—I baptized nineteen last Sabbath, making 38 since the revival began. Our meetings are to continue throughout the week. I have no doubt but what a score of others will be baptized next Sunday. To God be all the glory.

C. B. WELTON.

WOODSTOCK.—We are greatly blessed in our meetings. Christians are comforted. Old backsliders are coming back confessing. Numbers have been converted. Seven have been baptized, and more to follow.

G. SEELY.

ROCKLAND C. C.—Bro. Young writes that he has closed his meetings at Avondale. They were attended with the Divine blessing. 23 baptized and 25 received the hand of fellowship. The Avondale people presented him with a donation of \$75. He has begun meetings at Rockland, and already sinners are converted and wanderers reclaimed. 7 have been baptized. At a late Conference over 80 persons testified to Jesus redeeming grace. He holds three meetings a day and hops for more signal manifestations of the Spirit's power.

HAMPTON.—Bro. Shaffner is still continuing special meetings. 4 have been received for baptism, and the good work progresses.

Rev'd C. Herbert preached at Zion's church, and the Portland Mission last Sabbath with good acceptance.

HARVEY.—Our meetings are full of interest and power. Many of our old members are deeply stirred. A great number out-side are moved by the Holy Spirit, and are asking for the way of life—fourteen have already put on Christ by baptism, thirteen more have been received as candidates for baptism, ten of whom are young men, others are anxiously looking towards Jon.

T. A. BLACKADAR.

NOVA SCOTIA.

HALIFAX.—From the little paper *Buds and Blossoms* published by the pastor of the Tabernacle church we learn that blessings attend his work. Last month eight were baptized. Ex-

tra meetings are being held and large congregation assemble.

PORT LORNE.—God is reviving his work here and at Phinney Cove. Some 5 persons were to be baptized on the Sabbath. Bro. Bleakney recently received a donation of \$95.00, nearly all cash.

P. E. I. ISLAND.

CHARLOTTETOWN, P. E. I.—We are not without encouragement in our work. At our last communion we gave the hand of fellowship to eleven,—nine by baptism, and two by letter. We have administered the ordinance of baptism in the city since, and last Lord's day at Rustico four strong men followed their Lord—three of whom are upwards of fifty-years of age, and one young man brought up in the Roman faith. This is the first baptism ever administered at that place in winter, and some of the inhabitants thought it a terrible performance; but God has ordained from all eternity, that, in Rustico, His holy ordinance should be administered in winter season. Out of 14 recently baptized, 12 were hitherto pedobaptists; thus the truth advances.

ELSEWHERE.

NEWINGTON TABERNACLE.—Mr. Spurgeon reports himself as much better. At the Tabernacle service on Sunday a letter was read in which he says: "With great gratitude to God I am able to report myself as restored to health and spirits. I am still far from strong upon my feet, and after a short walk I suffer pains in the knees; but even this is improving, and I have every reason to hope and believe that at the appointed time I shall be fully able to resume my beloved labor."

A MUNIFICENT BEQUEST.—By the will of the late Deacon Asa Otis, of Norwich Ct., the A. B. C. F. M. falls heir to over \$500,000. Other bequests are as follows: Amherst College, \$25,000; Yale College Theological Seminary, \$25,000; Buckley High School of New London, \$10,000; Bacon Academy of Colchester, Conn., \$10,000; First Ecclesiastical Society of New London, \$10,000; American Board of Commissioners for Foreign Mission, \$10,000; American Home Missionary Society, \$5,000; American Bible Society, \$5,000; American Tract Society, \$5,000. The balance of the property amounting to over a half million, will go to the Foreign Missions. W. C. Crump, Peter C. Turner, and Wm. H. Chapman are appointed executors.

LONDON.—In Regent-square Church, Rev. Dr. Dykes, pastor, the membership is 662, the revenue about £5,000, and the minister's salary £1,200.

St. LOUIS.—The Evangelist Penn is having great success with the Baptist churches of St. Louis. His power with the people grows constantly. The baptisms at the Third church to date are 119, and there have been in all 134 additions. The conversions here number 210.

At the Beaumont chapel the Second church holds special services on Monday and Friday evenings. There is a quiet work of grace in the Second church.

At the Fourth church meetings are continued nightly, the pastor leading when Bro. Penn is not there. The baptisms at the Fourth to date numbers 43; the additions 51; the conversions 102.

Literary Notes.

HARPER'S MAGAZINE for April has put in an appearance, fresh and beautiful as ever. It abounds in illustrated articles, and the cuts are exceedingly well executed. "Sculpture in America," "Picturesque Edinburgh," and "The Philadelphia Zoo" are articles that repay the reading and delight the eye. Less space is given to stories than in former years, and we think it a decided gain to lead the ordinary reader by pictures and well written descriptive articles, to appreciate a more substantial literature.

THE INTERNATIONAL REVIEW for April contains among other things an article on "The relation between the United States and China" by A. A. Hayes, Jr., "Prince Bismark and the Franco-Prussian War" by Carl Hillebrand, "Sir Henry Robinson's Afghan Crisis" by Axel C. J. Gustafson, and the usual review of contemporary literature, both English and German. A. S. Barnes & Co., 50 cts. a number.

ROWE'S NEWSPAPER DIRECTORY is a most valuable repository of facts in relation to its subject. It contains a full list of all periodicals published in the U. S. and Canada, with a short description of the towns or cities where printed. It is an exceedingly useful book of reference for the publisher and advertiser.

There are probably a hundred or more persons in this and neighboring towns who daily suffer from the distressing effects of kidney troubles, who do not know that Johnson's Anodyne Liniment is almost a sure cure. In severe cases great relief may be obtained, if not a perfect cure.

INTELLIGENCE OFFICE, 102 PRINCESS ST., SAINT JOHN, N. B., JULY 27th, 1878.

MESSRS. HANINGTON BROTHERS:

Gentlemen, Three years ago I was going to write you how much benefit I received from taking two bottles of your QUININE WINE AND IRON, being then very weak and low, with no appetite for any sort of food, after a severe attack of Erysipelas in my head. Again, after the fire, I was nearly quite gone, and was restored to strength and activity by taking two bottles more, and last May I had to have recourse to the QUININE WINE AND IRON again with the same beneficial results.

While I was taking it at last, a person came in who had left her situation to get into the Hospital, being so weak she could not work. I said, I will send you a bottle where you will get seven bottles a month, take two bottles of HANINGTON'S QUININE WINE AND IRON with you, and if you are not able to earn the seven dollars I will pay you for the medicine. At the end of the month she was quite smart, and is still filling the situation. I send you these few lines for the benefit of society (if you trouble to publish it), as there are so many sick at present. It would greatly please where you will get seven bottles a month, and would most certainly prevent sickness by strengthening and building up the system.

Yours very truly, JANE A. LEE.

Ayer's Sarsaparilla, FOR PURIFYING THE BLOOD.

HOPE

This compound of the vegetables alternatives, Sarsaparilla, Dock, Stillingia, and Mandragora, with the Iodides of Potash and Iron, makes a most effectual cure of a series of complaints which are very prevalent and afflicting. It purifies the blood, purges out the lurking humors in the system, that undermine health and settle into troublesome disorders. Eruptions of the skin are the appearance on the surface of humors that should be expelled from the blood. Internal derangements are the determination of these same humors to some internal organ, or organs, whose action they derange, and whose substance they disease and destroy. AYER'S SARSAPARILLA expels these humors from the blood. When they are gone, the disorders they produce disappear, such as Ulcerations of the Liver, Stomach, Kidneys, Lungs, Eruptions and Eruptive Diseases of the Skin. St. Anthony's Fire, Bores of Erysipelas, Pimples, Pustules, Blotches, Boils, Tumors, Tetters and Salt Rheum, Scald Head, Ring-worm, Ulcers and Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhoea arising from internal ulceration and uterine diseases, Dropsy, Dyspepsia, Emaciation and General Debility. With their departure health returns.

FOR SALE.

THREE desirable and conveniently located properties, for sale in the Annapolis Valley:

No. 1. Situated at Lower Middleton. Consisting of two acres, in a high state of cultivation, a very thrifty young orchard of over 100 trees, best varieties and quality of early and winter fruit. A commodious and well arranged house, containing 8 Rooms, Kitchen, Pantry, Store-Room, Cellar and Wood-Shed. Barn properly divided into Carriage and Harness Rooms. Horse and Cow Stable—Pit and Hay-loft; never failing well of water, buildings well protected with ornamental trees—entire property well kept and in good repair. Within a few minutes walk of three Churches, one mile from Railway Station, half mile from Post Office. Quiet Pleasant and Healthy locality.

No. 2. Situated about two miles East from Lawrencetown Station, on the main Post Road. Containing about 100 acres of land, 50 of which is in a particularly improved state, and the balance well covered with superior and valuable timber, feeding, and some hard wood, well watered, a good variety of soil well adapted for tillage, and suited to different crops. There being no buildings on this place at present, but an abundance of building material, which will enable a purchaser to build at a very small outlay; and with many would be a decided advantage, inasmuch as they can build to suit themselves, and do much of the work at small when the farm is ready would not be interfered with. Taken together, this place is a rare chance for any man wanting a good farm in a good neighborhood, easily worked, being level and free from stone, and at a low price, and on easy terms.

No. 3. Situated about two and a half miles East from Lawrencetown Station, on the North Williams-ton Road. Containing about 35 acres of land, 35 acres of which are partially improved and in a fair state of cultivation, about 100 Apple trees, 50 of which are bearing fruit yearly, and all are the best varieties of Early and Winter Apples. A comfortable house containing 5 Rooms on the ground floor, a Cellar, a Work-shop and Wood-house connected. Hog and Hen-house newly built, and Barn, and a good well of water. This place in its present state, cuts twelve tons of Hay, and with a small outlay can be made to produce as much again, there being a fine interval near at hand to clear. The tillage land is superior, and when properly tilled produces excellent crops. To a purchaser with a small capital, and wishing a snug little farm, (at a very low price and easy terms), in a convenient and healthy locality, this affords a special opportunity.

Any of these places being unsold by the first of May next, will then be offered to Public Auction, due notice of which will be given previous to Sale. For further particulars apply to—
