### Deaths.

BALKAM. -On the 2nd inst., at the residence of her parents in Eastport, Me. Mrs. Frances Balkam, wife of Stephen L. Balkam, and daughter of Capt. Thos. Adams, formerly of St. Andrews, N. B. She was a worthy member of the Baptist Church for many years—always "ready to every good work"—a cheerful Chris-tian in the midst of her suffering, a faithful daughter, and a devoted wife. While her death would be a loss to any church, yet all who knew her would rejoice in her sure and unspeakable gain.

"Dear as thou wert, and justly dear, We will not weep for thee; One thought shall check the starting tear, It is that thou art free.

Thy passing spirit gently fled, Sustained by grace divine; O, may such grace on us be shed, And make our end like thine."-Hymn

Dow. - At Nashwaaksis, York Co., on April 23rd, after an illness of five days of congestion of the lungs, J. A. Dow, in the 58rd year of his age. Our brother was baptized 23 years ago by Rev. Geo. Burns, and united with the Baptist church, and led a constant and consistent Christian life until his death. He leaves a wife and six children to mourn the loss of a kind husband and affectionate and sympathizing father, but are greatly comforted in the resurrection of the just at the last day, "Blessed are the dead who die in the Lord." "The upright shall have Dominion in the morning." "Blessed and boly is he that hath part in the first resurrection upon whom the second death shall have no power. The funeral sermon brooks from the last clause of the 12 verse of the 5 chapter of Romans. Our brother was highly respected and dearly loved by all that knew him.

Less of Appetite.

Whether from bile, colds or any other cause the appetite begins to fail, the system commences at once to give way. If we would avoid a bed of sicknes, we must clense and restore the digestive organs with HEERICK'S SUGAR-COATED VEGETABLE PILLS.

No preparation of Hypophosphites I have used can compare with Fellows' Compound Syrup of Hypophosphites for restoring strength to the nervous system.

I think it the best medicine I ever used.

Eruptions of the skin are the appearance on the surface of humors that should be expelled from the blood. Internal derangements are the determination of these same humors to some internal organ, or organs, whose action they derange, and whose substance they disease and destroy. AYRR's SARSAPARILLA expels these humors from the blood. When they are gone, the disorders they produce disappear, such as Ulcerations of the Liver, Stomach, Kidneys, Lungs, Eruptions and Eruptive Diseases of the Skin, St. Anthony's Fire Rose or Erysipelas, Pimples, Pustules, Blotches.
