Deaths.

HOWATT.—On the 23rd of October, Horatio Howatt peacefully departed this life in the 45th year of his age. He professed his faith in Christ 22 years ago and was baptized by Rev. Mr. Ross. He was a man of unblemished integrity, and high moral and Christian principles. He was always at his post when able, and ready to pray or testify to the loving faithfulness of his Redeemer. He is now resting from his labors, where care and trouble are unknown, and where the inhabitants never say I am sick. We mourn our loss, but our loss is his gain. Comm. by his Pastor,

E. B. COREY.

HOWATT.—On Sabbath morning, the 23rd of October, Maggie, beloved wife of Chas. B. Howatt, entered into rest. Sister Howatt was converted in Boston, made a public profession of religion in July, 1870, and was baptized by Rev. Dr. McDonald. She lived her profession and was highly esteemed as a warm-hearted Christian, and as one who was deeply interested in the welfare of Zion. The Trvon church in her death has lost a most valued, humble, peace loving member. We shall think of her as safe in the arms of Jesus, and wait the meeting day. She leaves a kind husband, and three dear children, sisters and brothers, and a host of friends to mourn their loss.

E. B. COREY.

BROCKWAY.—On the 20th of November, Dea. R. Brockway, of the church in Anoka, Minnesota, passed away from the toils and sufferings of earth to the rewards of heaven. The deacon was born on the 11th of November, 1794, in Washington, Mass., and when about 19 years of age he removed to St. George, N.B., and there married on the 2nd day of Nov., 1819, the lady he now leaves a widow, to mourn his departure. Some years after their marriage they together united with the Baptist church in St. George, of which he was soon chosen a deacon, and he remained such for nearly fifty years. A fire having reduced their dwelling to ashes about 8 years ago, and nearly all their large family of 17 children having removed to Minnesota, they then came here also and settled among them to spend the remainder of their days. Dea. Brockway was an indulgent father, a loving and tender husband, and a heartily Christian. With a mind and heart richly stored with Scripture knowledge, and possessing great personal energy, he was ready for every good work, and proved himself worthy of the trust his brethren had reposed in him, and the esteem he everywhere and always received in the community where he resided. It was always a pleasure to visit him at his house, or meet him anywhere else, because he enjoyed in no ordinary degree conversation on religious topics, and the reading of God's Word. Often when it was read to him in his sickness, he would comment upon the passages read as they went along, and always gave very profitable hints as to the meaning thereof. His light had not gone out in darkness, he being deaf, yet speaketh, and his influence will long be felt among his loving children, whose kindness and care he experienced in the latter years of his life, in the church here of which he was an honored member and in the community where he lived. He retained his intellectual strength and power to a good old age, and in the same month in which he was born and married (viz. November) when 87 years and 9 days old he fell asleep in Jesus, and entered into the rest that remaineth for them that love the Lord.

And be will convince you that St. Jacobs Oil is the most wonderful remedy that has ever been brought before the public. Rheumatism of many years standing has yielded immediately to its almost magical influence. As many have expressed it, its action is electrical, seeming to drive the pain before it until all discomfort leaves the body and the warm glow of health and comfort remains. It is a certain cure for neuralgia, giving immediate relief upon the first application, and curing, in a short time, the most inveterate cases.

Euclid flourished about the year 300 B. C., and experts in flourishing steel pens can be said among the numerous styles of the E-terbrook Steel Pen Co.

HOLLOWAY'S PILLS AND OINTMENT.—Rheumatism and Gout.—These purifying and soothing remedies deserve the earnest attention of all persons liable to gout, sciatica, or other painful affections of the muscles, nerves or joints. The Ointment should be applied after the affected parts have been patiently fomented with warm water, when the urgent should be diligently rubbed upon the adjacent skin, unless the friction causes pain. Holloway's Pills should be simultaneously taken to diminish pain, reduce inflammation, and purify the blood. This treatment abates the violence, and lessens the frequency of gout rheumatism, and all spasmodic diseases which spring from hereditary predisposition, or from any accidental weakness of constitution. The Ointment checks the local malady, while the Pills restore vital power.

AN ONLY DAUGHTER CURED OF CONSUMPTION.

When death was hourly expected all remedies having failed, and Dr. H. JAMES was experimenting with the many herbs of Calcutta, he accidentally made a preparation which cured his only child of Consumption. His child is now in this country enjoying the best of health. He has proved to the world that Consumption can be positively and permanently cured. The Doctor now gives this receipt free, only asking two three-cent stamps to pay expenses. This herb also cures night-sweats, nausea at the stomach, and will break up a fresh cold in twenty-four hours. Address, CRADDOCK & CO., 1632 Race St., Philadelphia, naming this paper.

OPINIONS DIFFER.

THE OPINIONS of men differ on various things. Now take, for instance, their opinion of FELLOWS' LEEMING'S ESSENCE (the great remedy for Lamé Horses). One man says that it cured a Spavin that had been on his horse for a number of years; another one informs us that he had a horse that had a Ringbone, and he took him to town thinking that he would dispose of him for whatever price he would bring; but meeting a friend on his way he was persuaded to take a rest, and he bought a bottle of FELLOWS' LEEMING'S ESSENCE. The bottle was half used the Ringbone had nearly disappeared, and after a while his neighbors did not know it was the same horse. We could keep on telling the various opinions of different men in all parts of Canada as to the great cures effected by this great remedy. Some would tell you of Sprains cured; others of Cuts removed. You would also find them telling you of cures of swellings, Splints and Stiff Joints. Horses that were not worth their keep would be sold for hundreds of dollars after using FELLOWS' LEEMING'S ESSENCE. You would find that opinions would not differ about you getting the genuine article. FELLOWS' LEEMING'S ESSENCE is the only reliable article in the market.

EVERY BOTTLE OF Fello's Leeming's Essence has a Hoarse on the Outside Wrapper.

SPAVIN CURED.

ST. JOHN, N. B., January 6th, 1885.

DEAR SIR: In regard to your favor of a few days ago, I have to say the lameness has ceased and the Spavin disappeared. I now consider my horse entirely cured, and would cheerfully recommend FELLOWS' LEEMING'S ESSENCE as the best remedy in the market for all the lameness that horses are subject to. Yours truly,

THOMAS F. FRY.

Ringbone Cured.

AUGUSTA, ME., March 8th, 1880.

DEAR SIR: I have had occasion to use FELLOWS' LEEMING'S ESSENCE on a horse so lame from a Ringbone that I could not use him. I have been using it about three weeks, and find it does all you claim for it, as the lameness is gone and the enlargement almost disappeared. I firmly believe a few days more will make an entire cure. Respectfully yours,

JAMES T. PARKER.

DR. H. H. HORNER'S

ANTI-BILIOUS PILLS!

Purely Vegetable.

THESE PILLS are not offered to the public as a novelty, but as a remedy for "all the ills which flesh is heir to." They have been extensively used, and their virtues are well known to many who will be glad to learn that the proprietor has made arrangements to continue the manufacture on a scale equal to the increasing demand. The Pills are all made under his personal supervision, and can therefore be relied upon as equal to those which he has so often recommended. The off-repeated assertions that in bilious disorders and the various diseases of the Liver, there is no remedy but by the use of Mercury in Blue Pills, or some other form, have been proved false by simple testimony from those who have used these purely Vegetable Pills. It is true, however, to remedy a derangement of the bilious secretion you must have something to act directly and powerfully at times, upon the Liver; but it is not true that Mercury is the only agent capable of producing this effect. The true combination of Vegetable principles in these Pills produces the same positive action upon the Liver as Calomel, and will correct the derangement of that organ just as surely, without the risk of any unpleasant or injurious consequences: at the same time they have an alternative and tonic effect, which is the secret of their great superiority. The chronic diseases, which the formula for these Pills came into the possession of the Proprietor, some years ago, were peculiar, and induced him to prepare from time to time such quantities as would enable him to supply his "want of his friends; but owing to astonishing results produced by their use, the demand has increased so rapidly that he is compelled to manufacture on a much larger scale than was contemplated, and the unsought testimony from various quarters of the great efficacy and uniformly gratifying results effected, in cases of bilious affections and other disorders arising from derangement of the bilious organs, prove beyond all doubt that these Pills are capable of effecting the most surprising cures on record, and ought to be available by all who suffer in any way from derangement of the functions of the Liver.

DIRECTIONS.

When a cathartic is required, take three Pills at night and one in the morning; for many persons two Pills will be sufficient for a dose. As an alternative, one Pill should be taken every night until the desired effect is produced.

None genuine except bearing the signature of the Proprietor.
