> KEEPING THE HEAD CLEAN.—A distinguished physician who had spent much time at quarantine, said that a person whose head was thoroughly washed every day, rarely took contagious diseases, but where the hair was allowed to become dirty and matted, it was hardly possible to escape infection. Many people find speedy relief for sick headache by washing the hair thoroughly in weak soda water. I have known severe cases almost wholly cured in ten minutes by this simple remedy. A friend finds it the greatest relief in cases of "rare cold," the cold symptoms entirely leaving the eyes and nose after one thorough washing of the hair. The head should be thoroughly dried afterwards, and not exposed to draughts of air for a little while.

OTTAWA, ONT , March 2, 1880. The writer has been selling Perry Davis' Pain-Kill or now for the last 22 years, and can confidently recommend it to the public as a sure remedy for Cholera, Diarrhoza, Sore Throat, Chronic Coughs, Bronchitis, Burns, Scalds, &c. Have known it to cure a case of Syphilitic Sore Throat of two years' standing, when all the usual remedies failed. The patient took half a teaspoonful in water three times a day, and gargled the throat three times a day as follows: one teaspoonful in a wine glass of water, and used as a gargle.

MAITLAND, ONT., February 26, 1880. I have much pleasure in adding to the number of the numerous I have much pleasure in adding to the number of the numerous testimonials you have already received, as to the value of your renowned Pain-Killer. I have sold it and used it in my family for twenty years or more, and have no hesitation in saying that it it is the best patent medicine I have ever used for the purposes for which it is recommended; and, moreover, every person to whom I have ever sold it, has been perfectly satisfied with it, and I know many persons who will not go to bed at night unless they are sure there is a bottle of "Perry Davis" in the house. All who have used it once, will use it again; it makes friends and retains them.

Yours truly, JOHN DUMBRILLE, Druggist.

SPENCERVILLE, ONT., February 26, 1880. We have much pleasure in certifying that we have kept Perry Davis' Pain-Killer constantly in stock for upwards of twenty years, during which time it has taken the lead in sales over all other patent preparations, and has become an old, reliable family medicine.

No effort is required now on our part to sell it, as it is as staple an article as flour in our trade.

Yours truly, Yours truly,

W. P. IMRIE & CO.

MADOC, ONT., February 16, 1880. It gives me much pleasure to state that during a drug career of more than a quarter century, I can testify that your justly celebrated Pain-Killer has not only held its own as a family medicine, but still occupies the front rank wherever duty calls it. My customers speak very highly of it, and I could send no end of testimonials showing up its merits and intrinsic worth, were it necessary, which it is not. It should, however, he called "Excelsion Pain-Killer." I pride myself in never being out of it.

Yours very respectfully, JOHN G. DEANS.

STOCO, ONT., February 17, 1830.

We have great pleasure to state that the Pain-Killer holds its position in this place as the old, reliable family medicine. Although there are a great many other remedies in the market—some beartlemanly store-keeper, without ing nearly the same name—as Pain Kelief, Pain Remover, Pain Destroyer, and such like names, we find the people know the difference, and are sure to ask for Perry Davis' Pain Killer. We scarcely looking, remarks, "we "are just out, but have another have been selling Pain-Killer for the last fourteen years. "which sells for the same price "viz, 25 cents." Turn on your

PORTLAND, ONT., March 9, 1880. I have been using the Pain-Killer for many years with results I have been using the Pain-Killer for many years with results that justly entitles me to recommend it. As a family medicine, we consider it almost indispensable: being good not only as a pain-killer, but for colds and sore throat, and many other ailments for which it appears specially adapted. I have used it myself, chiefly as a limiment, and find it valuable for rheumatism and pains and stiffness belonging to old age. I pronounce the Pain-Killer a good and cheap medicine, and worthy of all acceptation, and send you this certificate that you may assure the public that it is no humbing.

Yours truly, THOS, GRAHAM,

ESCOTT, ONT, March 4, 1880. We hereby certify that we have used Perry Davis' Pain-Killer in our families for several years. We consider it a very useful and necessary article to be kept in all households as a resort in case of accidents and exposure to attacks occasioned by gold.

PORTLAND, ONT., February 26, 1880. I have sold the Perry Davis' Pain-Killer for over thirty years, and the same has always given my customers entire satisfaction, and I have much pleasure in recommending it as a good and reliable family medicine.

PRESCOTT. ONT., February 27, 1880. I have sold your Pain-Killer for the last nineteen years in this place, and feel safe in recommending it to the public for the diseases given in your circular. I can assure you my customers speak well of it as a general family medicine. It takes the lead of all other similar preparations. Yours, &c.

COBOURG, ONT., March 3, 1880. I have been selling Perry Davis' Pain-Killer for the past six years, and have much pleasure in stating that its sale in that time has been larger than any other patent medicine that I have on my shelves, and in those years I have never heard a customer say aught but words of the highest praise in its favor. It is an article that seems to have combined in it all that goes to make a first class family medicine, and as long as I have a house and store, Perry-Davis' Pain-Killer will be found in both.

Yours, &c., J. E. KENNEDY.

MADOC, ONT., February 16, 1880.

Your Pain-Killer as a family cure ail has been in constant use in my household for a long term of years, and I would never de-sire a better one. It never fails me. I call it the "Old Reliable." Yours very truly, HORACE SEYMOUR.

TAMWORTH, UNT., March 4, 1880.

For twenty-three years last past I have sold Perry Davis' Pain-Killer, and have always found it to give good satisfaction. I have frequently used it in my family, and received great benefit from the use of it in that way. Although many imitations of it have been put on the market, and are pushed hard, yet the old, reliable Perry Davis' Pain-Killer holds its own, and is a very popular domestic medicine.

Yours respectfully, JAS. AYLSWORTH.
