REV. GEO. RIGBEY. The servant of God died at his son's residere in Cloquet, Collection Minnesota, on the 24th No., in the 69th W. Wether year of his age. Brother Igbey was born in Charlotte County, N. H. in 1812, and L. D. V. Chipman. Kentville, at the age of thirteen vs. converted to God. Some years aftewards he was Geo E. Marsters. buried with Carist in batism by the late Rev. A. D. Thompson. He was licensed to preach by the St. Indrew's Baptist the pastorate of Church; was called to the Lower Kingsclear Jurch in the county of York, and was ordained there in 1842. His subsequentields of labor were Macnaquack, Andov, Centreville, Flor-enceville, Chipman all Fort Fairfield, Me. Some years ago he went to reside with his son in the West thence to his eternal home in the heaves. It was my privi-lege and pleasure to be intimately ac-quainted with the eccased for some thirty-five years, and hared with him in the blessedness of Dine power in several revivals of religion. He travelled considerably through the western sections of N.
B. and was very favorably known as a minister of the Gospel. He possessed more than ordnary ability. His mind was logical. His sermous were well thought out and presented in a lucid, forceful marker. Ordinarily, he was calm in communicating his thoughts, but Rev. W. H. Warren, by times he became exceedingly fervid and truly elequent when specially moved by the Holy Spirit. We believe he was the means of winning many souls to God, who shall shine as gems in the coronet of Christ. Erother R. suffered considerably with hear disease. He eventually passed away very suddenly, apparently without any consciousness of physical pain.

"A eep in Jesus, blessed sleep, From which one never wakes to weep A cam, and undisturbed repose, Unb.pken by the last of foes."

The imains of our departed Brother were taken to Stillwater, Minnesota, where the Rev. Mr. Rattery, formerly of N. B. and now pastor of the Stillwater Bapust church, attended the funeral. Cov. -- Mrs. Samuel Coy, of Upper Gagetown, departed this life on the 20th Sept. in the 56th year of her age, leaving an aged husband, and two children to aged thusband, and two children to mourn their loss. Our departed sister was a prisoner of Providence for some length of time. Frequently suffering great bodily distress, she was patient and resigned, resting with confidence on the 'Rock of Ages.' She passed triumphantly through the gates into the city "washed in the blood of the Lamb." A suitable sermon was preached by her pastor. Rev. F. S. Todd, to a large and attentive audience.

RIGBY.—On the 18th inst. of Dyphtheria, Leonard, third son of Geo. R. and Martha Rigby of Portland, in the 9th year of his age. THE OPINIONS of men differ on various things. Now take, for instance, their pinion of FELLOWS'LEEMING'S ESSENCE (the great remedy for Lame Horses.) one man says that it cured a Spavin that had man says that it cured a Spavin that had been on his horse for a number of years; another one informs us that he had a horse that had a Ringbone, and he took him to town thinking that he would dispose of him for whatever price he would bring; but meeting a friend on his way he was persuaded to try as a last resort a bottle of FELLOWS' LEEMING'S ESSENCE. Before the bottle was half used the Ringbone had nearly disappeared and after a while his James Bligh, Billtown, 5 00 W. C. Bill, Esq., M. P. P., Billtown, 5 00 C. V. We could keep on telling the various opinions of different men in all parts of Canada as to the great eures effected by this great remedy. Some would tell you of Sprains cured; others of Curbs removed. You would also find them telling you of cures of Swelllings, Splints and Stiff Joints. Horses that were not worth their keep would be sold for hundreds of dollars after using be sold for hundreds of dollars after using FELLOWS' LEEMING'S ESSENCE. SPAVIN CURED. 6T. JOHN, N. B., January 6th, 1880. DEAR SIRS In regard to your favor of a few days ago In regard to your lavor of a few days ago, if would say: About one year ago a horse owned by me contracted a large Bone spavin, for the cure of which I tried a number of the liniments and lotions advertised to cure the same, without any effect, and he

became very lame. A friend of mine re-commended me to try FELLOWS LEEM-ING'S ESSENCE.

Lacted upon his advice, and now I am lacted upon his advice, and now the analysis of the spavin disappeared. I now consider the entirely cured, and would cheerfully becommend-Fellows' Leeming's Essence as the best remedy in the market for all the lameness that horses are subject to.
Yours truly,
THOMAS F. FRY.

Ringbone Cured.

AUGUSTA, ME., March 8th, 1880.

DEAR SIRS;
I have had occasion to use Fellows EEMING'S ESSENCE on a horse so lame from a Ringbone that I could not use him. I have been using it about three weeks, and find i does all you claim for it, as the lameness is gone and the enlargement has almost disappeared. I firmly believe a few days more will make an entire cure.

Respectfully yours,

JAMES T. PARKER.

ANTI-BILIOUS PILLS

Purely Vegetable.

THESE PILLs are not offered to the public as a noveity or a universal panacea for all the ills which flesh is heir te;" they have been extensively used, and their virtues are well known to many who will be glad to learn that the proprietor has made arrangements to continue the manufacture on a scale equal to the increasing demand. The Pills are all made under his personal supervision, and can therefore be relied upon as equal to these which have given so much satisfaction to all who have used them. He off repeated assertions that in billous morders and the various diseases of the Liver, there is no remedy but by the use of Mercury, in Blue Pills or some other form, have been proved false by ample testimony from those who have used these purely Vegetable Pills. It is true, however, to remedy a derangement of the bilious secretion you must have something to act directly and powerfully at times, upon the Liver; but it is not true that Mercury is the only agent capable of producing this specification. The simple combination of Vegetable principles in these Pills produces the same positive action upon the Liver as Calomel, and will correct the derangement of that organ just as surely, without the risk of any unpleasant or injurious consequences; at the same time they have an alterative and tonic effect, which is the secret of their great superiority.

The circumstances under which the formula for these Pills came into the possession of the Froprietor, some years are were peculiar, and induced him to prepare from time to time such quantities as would enable him to supply the wants of his friends; but owing to astonishing results experienced, in cases of billous affections and other disorders arising from derangement of the biliary organs, proves beyond all doubt that these Pills came into deep possession of the respective of the great effect, in cases of billous affections and other disorders arising from derangement of the biliary organs, proves beyond all doubt that these Pills are capable of effecting the most sur

fecting the most surprising cures on record and ought to be available by all who suffer in any way from derangement of the func-tions of the Liver.

DIRECTIONS.

When a cathartic is required, take three Pills at night and one in the merning; for many persons two Pills will be sufficient for a dose. As an alterative, one Pill should be taken every night until the desired effect is produced. None genuine except bearing the signa-ture of the Proprietor.

Valuable Truths

The value of human life is so supremely important that anything which tends to its prolongation is entitled to the highest consideration. Speaking to us recently on this subject, Charles Nelson, Esq., proprietor Nelson House, Port Huron, observed: "I suffered so with rheumatism that my arm withered, and physicians could not help me. I was in despair of my life when some one advised me to try St. Jacobs Oil. I did so, and as if by magic, I was instantly relieved, and, by the continued use of the Oil, entirels cured.
