The Liberal Candidate

FOR HOUSE OF COMMONS:

John Pickard.

LIBERAL HEADQUARTERS.

The Headquarters of the LIBERAL COMMITTEE is at Mr. Myhrall's Office, next to the Queen Hotel. The Room will be open all day and every evening, and friends of Mr. Pickard either from the town or country INVITED TO CALL.

WHAT IS INVOLVED IN THE LOCAL ELECTION.

It is a great mistake to say, as some do, that nothing but a question of men is involved in the Local elections. Distinct and important issues are involved. We may recapitulate some of them.

Is it important that the people of the Province should be informed of its true financial position?

Is it desirable that the Government should be administered with a due regard to the revenue of the country?

Is it desirable to maintain our local legislature independent of the Ottawa Government?

Shall we continue to be governed by men who exercise all the powers vested on them as advisers of the Lieutenant Governor, not to advance the interests of the Province, but to secure offices for themselves?

Is it important that all sections of the Province should have equal representation in the Executive?

Then there are minor questions of administration involved such as, who shall maintain Government House, the Lieutenant Governor or the people? Shall the Executive Council be continued as large and as expensive as it is now? And there are others which we have not space to mention.

The preservation of the Crown Lands is also involved. The policy of the Government of the day is to sacrifice them—that of the Opposition to preserve them.

The continuation of the Legislative Council is also in a measure to be pronounced upon. The defeat of the government will mean the inauguration of a thorough system of Reform, and this must include the abolition of the upper chamber, a body which has proved itself in the past to be neither useful nor ornamental.

If the electors wish to give an affirmative answer to the questions we have asked above they will do so by voting for the Opposition candidates; but if they desire to perpetuate misrule and clique government they will give their support to the men who have entered the field as adherents of the administration.

THE OUTLOOK.

There is very little use in attempting to forecast what a few days will render certain, nevertheless we look forward with much hopefulness to the result of Tuesday's contest. Bearing in mind the tremendous odds against which the Liberals have to struggle, it will be a great success if they succeed in reducing the Tory majority by a score or two; but if, as we have every reason to expect, they come out with enough votes to oust Sir John Macdonald from power, it will be one of the greatest triumphs which the political history of Canada has ever seen. As we have said the odds against which the Liberals have to contend are very great. The Tories have all the vast patronage of the Government, the co-operation of the Local Governments, and a combination of contractors and pet manufacturers at their back. Whatever patronage and money can do to sustain this iniquitous party in power will be done. But we are glad to know that so far all indications point to a great Liberal victory. The people have had enough government in the interest of the rich and the greedy army of contractors. They demand that popular rights shall be respected. Without taking the role of alarmists, and without claiming that one party is the incarnation of all that is good and the other of all that is evil, we nevertheless feel that it will be an unhappy thing for Canada if the Tories are able to purchase their way to power again. Five years more of Tory rule and Tory taxation will make Canada one of the most expensive places in the world to live in, and will fasten upon this young and growing country institutions, which years of agitation, and possibly of revolution, will be necessary to remove. The

public mind of Canada is essentially in favor of popular Government, and it will be a tremendous mistake if the people perpetuate anything so antagonistic to their future welfare and freedom as a Tory administration has proved itself to be.

REMEMBER

A vote for a tory candidate is a vote given for the worst kind of tyranny—the tyranny of monopolies.

When you strengthen the hands of monopolists you strengthen the fetters of the people.

The gigantic Railway Monopoly of the West holds Canada in an iron grasp and every step which the Tories have taken makes it hold all the stronger.

The taxes of the people would not be so high, if the government were not playing into the hands of the manufacturers whom they are pledged to sustain. The taxes of the people would not be so high, if the government were not spending millions in the West for the benefit of a foreign syndicate.

The taxes of the people would not be so high if the Ministers had not made offices for all their relations—offices with nominal duties and phenomenal salaries.

The taxes of the people would not be so high if the Tories had kept their promises and allowed breadstuffs to be free.

The taxes of the people would not be so high if the Tories had not taxed coal after they promised that it should be free.

The taxes of the people would not be so high if the rich contributed their share.

The Tories advocate a low tax on luxuries and a high tax on necessities.

A Probable Solution of a Difficulty.

We have pointed out the extraordinary muddle into which the local Government got itself by attempting to dismiss the Hon. Mr. Kelly, M. L. C., but it is within the range of possibility that they have luckily got out of it again. Mr. Lindsay has resigned his seat in the Council, which will thus now be at its legal number of eighteen. The addition of the words "in the room of William Kelly, who has ceased to be a resident of the Province," to Mr. Davidson's appointment, was surplusage merely. His commission would simply make him a Legislative Councillor, not specifying that he was to take any person's place. There will therefore be no question between him and Mr. Kelly, unless indeed the Government should undertake to fill up Mr. Lindsay's seat. It is better to be born lucky than rich, they say; and we are half inclined to think that good luck makes a pretty good substitute for common sense.

TESTIMONY FROM THE ENEMY.—Mr. G. Fred. Fisher, a good tory and editor of the *Reporter*, said on nomination day that Quebec wanted all power centred at Ottawa. Precisely so, and Sir John Macdonald is endeavoring to help them. The Liberals are fighting against it. Mr. Fisher ought to help them, but he does not. Mr. Fraser is a Tory and favors the centering of power at Ottawa of which Mr. Fisher complains.

LOCAL NEWS.

SHUT DOWN.—The Victoria Mills have temporarily ceased working on account of a scarcity of logs.

FUNERAL.—The Funeral of the late Mrs. A. P. Miller will take place on Saturday at 12.30 instead of Friday as announced, from her late residence Brunswick Street.

ACTION.—Mr. H. G. Wetmore took advantage of the number of persons collected at the nomination, yesterday, to auction off two carriages in front of the Court House.

POLICE NEWS.—Tuesday last a writ was served on A. Benn, a commercial traveller, for doing business without license. He paid the license and costs.

PATRICK BRADLEY was fined \$50 and costs yesterday for violation of the C. T. Act. The case was the first private complaint, being that of Mrs. Sorell.

PERSONAL.—Hon. John Costigan, Minister of Inland Revenue, arrived here yesterday by the morning train on the N. B. Railway. He was met at the depot by Messrs. S. D. Macpherson and E. B. Winslow, and conveyed to the Barker House. Mr. Costigan looks very well. He was congratulated by his many friends upon his appointment. He will leave in the morning train to-day for St. John.

A COMPLIMENT.—Last evening the 71st Band serenaded Hon. John Costigan on account of the interest he evinced in the Irish affairs at the last session, but the hon. gentleman's mind being now lauded by the responsibility of office, or being too modest he never broached the subject. He made a short speech and at the close received three cheers but had hardly gotten in the hotel when three were given for John Pickard. There was a large crowd present but at least half were supporters of Pickard.

MR. POTTS MEETING.—A large audience assembled in the City Hall last evening to hear Mr. Potts discuss the political questions of the day. The Tories had made a demonstration, with a band of music in favor of Hon. Mr. Costigan; but this did not prevent a most excellent meeting. We have not space even for a short review of Mr. Potts' admirable speech which was two hours long and was most heartily applauded. It bristled with facts and was a convincing arraignment of the tory administration. A vote of thanks was moved by Senator Wark in a capital speech which brought forth rounds of applause. The motion was seconded by Mr. Myhrall and carried by a standing vote. The meeting broke up with loud cheers for Mr. Potts, Senator Wark and Mr. Pickard.

A MANIFESTO.—Messrs. B. Close and John Black have issued a manifesto to the electors of York in Mr. Fraser's behalf. It ought to be sent to *Punch*. It says Mr. Pickard ought not to get the credit of the Post Office, because the Government built it. Do these gentlemen think the M. P.'s build Post Offices? These gentlemen complain that they have got nothing in four years from the Government. Now this is not quite true. Mr. Black got the Census Commission. They also ask if they are not indebted to Mr. Fraser for the advantages they now enjoy. We believe Mr. Black is indebted to him for his office of Engraving Clerk, but we did not know that Mr. Close held any position by gift from Mr. Fraser. They complain that they have lost their influence at Ottawa. This is sad. Won't they tell us how much influence they ever had there. The electors of York are also informed that Messrs. Close and Black have nominated Mr. Fraser. The document is a curiosity. If you have not read it do so at once.

TO THE ELECTORS

OF THE

County of York.

GENTLEMEN:

In a few days you will be called upon to elect a person to represent you in the House of Commons. This call has been or will be made one year before the allotted time for the present Parliament to expire. The reasons for it have been kept secret in the breasts of the Government. We will have to judge for ourselves the cause. We will have to deal with the facts just as we find them. I have been solicited again to come forward as a Candidate by a large number of the Electors of the County. Among them I find the rich and the poor. I accept the call of the men of York, and shall appear before you as a Candidate.

I have been honored by your electing me to represent you in Parliament for the last fourteen years, and have endeavored to discharge the duties devolving upon me as your representative in a way that I believed to be for the best interests of the Dominion, and especially of my own County and Province. During the years I have served you I have been ready at all times to submit my votes in Parliament to the closest examination; but the Tory press of the County has never ventured to attack my votes, but has resorted to violent personal abuse. I know this abuse cannot injure me where the editors and proprietors of these papers are known.

True in Sir John's time, I voted against the building of the Pacific Railroad from ocean to ocean, if it had to include Vancouver Island.

True I voted against the Mackenzie Government when it proposed to carry out the same scheme.

True I opposed the Sir Hugh Allan Pacific Scandal Scheme.

True I voted against the so-called National Policy, which takes the property of one man and gives it to another, giving no value in return, called Protection: Spoilation would be the proper term.

True I voted against the present Government giving a contract to a Syndicate to build the Pacific Railroad, or rather to finish a portion of said road, after the Government had expended over \$50,000,000 on the same, thus creating a gigantic monopoly, by giving to the Syndicate the whole carrying trade of the Northwest and affecting thereby the whole Eastern portion of the Dominion.

True I voted to have the contract opened to competition, offering the terms given to the Syndicate, minus the monopolies.

True I voted to have the whole scheme submitted to you, the people, before accepting the contract or ratifying the same.

True I voted against the Government giving away \$200,000 of the people's money to A. Onderdonk & Co.

True I voted to have the duties taken off flour, meal and coal.

True I voted to reduce the duties on cotton and woollen goods for the benefit of the working class.

True I voted to reduce the duties on iron.

True I voted against that villainous act of the Government, by which they attempted to annihilate seven of the leading Liberals of Canada under the pretence of equalizing the population of the different electoral districts. A baser fraud, I venture to say, never was undertaken in a free Parliament—a deadly blow at Responsible Government.

I invite the fullest criticism of these votes.

The Tory press admits that York does not get its share of public money, and gives as a reason that your representative opposes the Government. If this be true, is there a man so lost to all that is manly or honorable as to excuse a Government, be it Liberal or Tory, for such an act of injustice. I cannot believe that such a man can be found in York County.

The votes given above are a few of my reasons for not supporting the present Government, and I wish before closing to say if my reasons satisfy you as to my course in Parliament, I again ask your support.

Thanking you for past favors, if elected I will pursue the course I have heretofore dealt with measures presented to Parliament, and not with the men who compose the Government. The time before the election will be too short to see you all personally at your homes, but some of my friends will call, if possible, at places that I will not be able to visit.

Your obedient servant,

JOHN PICKARD.
