THE CORNER STONE—CONTINUED.

on
Friday the first day of September.
The Corner Stone
of the
Baptist Church in Fredericton,
was laid
with appropriate religious exercises.

The church at this date numbers three hundred and eighteen (318) members, of whom two hundred and twelve, or just two-thirds, are now resident in Fredericton and vicinity.

The office-bearers are as follows:

Pastor:
Rev. Frederick D. Crawley, A.B.
Deacons:
William Sewell, Archibald F. Randolph
David W. Estabrooks, Theo. H. Rand, D.C.L.
William Cooper, John W. Spurden.
Clerk:
Herbert C. Creed, A.M.
Treasurer:
Allan H. F. Randolph, A.B.
Superintendent of Sunday School:
John W. Spurden.
Organist: Mrs. J. Z. Currie; *Chorister:* M. S. Hall; *Chorus:* Nicholas T. Wheeler; *Sexton:* Charles Parsons.

BUILDING COMMITTEE:

Judge Steadman, *Chairman.*
D. F. George, A. F. Randolph.
T. H. Rand, D. C. L., Lewis Crouse.
J. G. McNally, George Kitchen.
Wm. Wheeler, Jos. Sherwood.

Architect:

D. E. Dunham, St. John.
Contractors:
Messrs Bond & Mildren.

(Signed) HERBERT C. CREED,
Clerk of the Church.
Fredericton, Sept 1, 1882.

The stone having been placed in position by Mr. Mildren, Mrs. Spurden placed mortar upon the foundation with the silver trowel and said:

"We lay this Corner Stone to the honor and glory of Jehovah, Father, Son and Holy Spirit. Here may the rich and the poor meet together to worship the Lord, the Maker of us all. From this place may the everlasting Gospel of the Son of God be carried even unto the ends of the earth."

After which the stone was lowered to its place.

The choir and people present then joined in singing "Our God our Help in ages past," after which the Revs. Messrs. Mowatt and Wadman delivered short addresses; The Doxology was sung and the assembly dismissed with the benediction.

THE DAILY HERALD.

CHARLES H. LUGRIN, EDITOR AND PROPRIETOR.
FREDERICTON, N.B., SEPTEMBER 2, 1882.

A BY-LAW NEEDED.

Now that we have a pavement on a part of Queen street, through which the dust and other matter which collects upon it will not pass, it is necessary that a by-law should be enacted, requiring the occupiers of the premises in front of which the pavement is, to sweep it thoroughly every morning, and after water works have been introduced, to wash it off at least once a day, as is done in large cities. In this way can the pavement be kept in a proper state.

We wish to urge upon Mr. Colter not to allow the season to pass without making the needed improvements on the Normal School grounds. Their present condition is not at all creditable to the city or the government, and we do not think the public will begrudge the small outlay necessary to put them in proper shape.

THE TURMOIL AT ST. ANN'S.—Several correspondents have written to us respecting the rude conduct of the crowd who attended at the Parish Church to witness a recent wedding. We do not see that it will do any good to publish their letters, but we must express our surprise that any reason whatever would cause our townspeople to so forget themselves and the character of the place they were in, as appears to have been done by many of those who were present on the occasion referred to.

THE OLD PLAYHOUSE, referred to in Mr. Creed's interesting paper, used to stand just on the upper side of Mr. Bliss's residence. The building was erected by Mr. Ackerman for a store, hotel and public hall, and was at one time used as a barracks. It was subsequently pulled down and the cottage on Sunbury Street, next the engine house, in part erected from the materials. The cottage in question now belongs to Mr. Ackerman's grandson, H. M. Stevens of Somerville, C. C.

THE CROPS.—Where the frost has not done damage the crops are excellent. Wheat is said never to have been better. The hay crop has been got in in excellent shape. Oats are above average, and potatoes will give an abundant yield. The season opened unfavorably but has proved on the whole all that can be desired.

POLITICAL.—G. Rix Price publishes his card for the vacant seat in King's County. He comes out squarely in opposition, and expresses his willingness to submit to the decision of a convention if one is held.

GIBSON LEATHER CO. PICNIC.—Over two hundred dollars were taken in by the Gibson Leather Co. employees at their picnic, over and above expenses. It is intended to appropriate the amount to some purpose in connection with the Gibson Methodist Church.

COTTAGE FOR SALE.—Any person who desires to purchase a well-built commodious cottage in Gibson, with 1½ acres of land attached, and a good barn and outbuildings. Should enquire at the HERALD office. Terms reasonable and possession given immediately.

OFFICIAL.—A Post Office order reached Fredericton yesterday, payable to the Government of New Brunswick. The city Postmaster, with admirable appreciation of the political situation, declined to recognize the existence of such a body.

WATER WORKS.—The committee were busily engaged in opening tenders yesterday. No award will be made until after the Council meets which will be on Tuesday. Several American firms are represented in the city.

BAZAAR.—On Wednesday next, the Methodists of Nashwak Village have a bazaar and tea meeting. The Marysville choir, led by Prof. Sterne, will be present.
