

A STRONG, VIGOROUS MAN

Is Liable to Break Down—Pe-ru-na is Sure to Restore.

Hon. Frank Dunn, Alderman Twenty-Fourth District, writes from 232 East Fifty-Eighth Street, New York City: The Peruna Medicine Co., Columbus, O.:

Gentlemen: "There is no remedy for a broken-down system that I know of which will so effectually restore health as Peruna.

"Whenever I am overworked or suffer from the consequences of a cold a few doses of Peruna builds me up again more quickly than anything I ever tried. I find it especially valuable for catarrh. Three bottles cured me three years ago of catarrh of the stomach and I have never had the least symptoms of it since."

Very truly,

FRANK DUNN, Alderman 24th Dist., N. Y. City.

Peruna can be obtained for \$1.00 a bottle at all first-class drug stores in Canada. "The Ills of Life," which can be secured at all up-to-date drug stores and upon request is sent free to all, gives a short description of all catarrhal diseases. Address Dr. Hartman, Columbus, Ohio, U. S. A.

AWFUL SLAUGHTER.

British Troops Suffered Heavily at Hands of Boers.

IT WAS A HAND TO HAND FIGHT.

Several of Our Officers and 54 Men Killed.

AND 160 OF THEM WOUNDED.

Kitchener's Men Also Lost Two Guns.

THE WORST NEWS RECEIVED FOR MONTHS.

London, Nov. 2.—Lord Kitchener has reported to the war office a disaster to the British near Bethel, Eastern Transvaal, in which two guns were lost, several officers were killed or wounded and 54 men were killed and 160 wounded. The following is the text of Lord Kitchener's despatch, dated Pretoria, Nov. 1:

"I have just heard of a severe attack made on the rear guard of Colonel Benson's column, when about 20 miles north-west of Bethel, near Brakenlaagte, during a thick mist.

"The strength of the enemy is reported to have been 1000. They rushed two guns with the rear guard, but it is uncertain whether they are able to remove them.

"I fear our casualties were heavy. Col Benson was wounded, but not severely

A relieving column will reach him this morning."

Later Lord Kitchener telegraphed as follows:

"Col. Barter, who marched from the constabulary line yesterday, reached Benson's column early this morning (Friday) unopposed. He reports that Col. Benson died of his wounds.

The other casualties are the following: Killed—Col E Guinness, Major F D Murray, Captain M W Lindsey, Captain W T Thorold, Lieut E V I Brooke, Lieut R E Shepherd, Second Lieut A J Corlett. Died of his wounds—Captain Eyre Lloyd.

Lord Kitchener then gives the names of 13 other officers who were wounded, most of them severely, and announces that 54 non-commissioned officers and men were killed and 160 wounded, adding that four of the latter have since died of their wounds.

The despatch then says:

"I assume that the guns have been recovered and that the enemy have withdrawn, but I have no further details.

"I deeply regret the loss of Col. Benson and the officers and men who fell with him. In Benson, the service loses a most gallant and capable officer, who invariably led his column with marked success and judgment.

"The fighting was at a very close quarters and maintained with great determination by both sides. The enemy suffered heavily but I have not yet received a reliable estimate.

"The Boers retired east."

Col. Benson had been some time operating in the vicinity of Bethel, which is northeast of Standerton. He surprised a Boer laager Oct. 22, near Trichardfontein, taking 37 prisoners. Three days later, according to Lord Kitchener's report at the time, after a long night march, the commandoes under Grobelaar and Erasmus "heavily attacked Benson's rear guard and flanks at Yzirvarkfontein, but were easily driven away."

Whether this was the attack which resulted so disastrously or whether the Boers, who had been repulsed, took advantage of the mist to renew the attack

A TONIC is a medicine that gives tone to some part of the system. There are different kinds of tonics, but the tonic most needed in this country, where catarrh is so prevalent, is a tonic that operates on the mucous membranes.

Peruna is a tonic to the mucous membranes of the whole body. It gives tone to the capillary circulation which constitutes these delicate membranes.

Peruna is a specific in its operation upon the mucous membrane. It is a tonic that strikes at the root of all catarrhal affections. It gives tone to the minute blood vessels and the terminal nerve fibres. Catarrh cannot exist long where Peruna is used intelligently. Peruna seeks out catarrh in all the hidden parts of the body.

Paul Landrum writing from Atlanta, Ga., says:

"In January last I began the use of your Peruna and Manalin for what was termed organic heart trouble. At that time I could scarcely walk to my place of business without stopping to rest and on arrival felt completely exhausted. Had severe pains in my heart and general dizziness. After using the first bottle of Peruna I began to improve and today I feel that I am a sound man and I work fourteen hours a day without any bad feeling."—Paul Landrum.

A. M. Ikard, an employee of the C. B. & Q. R. R., West Burlington, Ia., writes:

"I had catarrh of the stomach and small intestines for a number of years. I went to a number of doctors and got no relief. Finally one of my doctors sent me to Chicago and I met the same fate. They said they could do nothing for me, that I had cancer of the stomach and there was no cure. I almost thought the same, for my breath was something awful. I could hardly stand it, it was so offensive. I could not eat anything without great misery, and I gradually grew worse.

"Finally I got one of your books, and concluded I would try Peruna, and thank God, I found a relief and a cure for that dreadful disease. I took five bottles of Peruna and two of Manalin, and I now feel like a new man. There is nothing better than Peruna, and I keep a bottle in my house all the time."—A. M. Ikard.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

is still unexplained. Lord Kitchener does not give the date of the Bethel engagement.

London, Nov. 2.—A despatch from Lord Kitchener, dated Pretoria, says that Colonel Kekewich, during a night surprise of Van Albert's laager, northeast of Rostenburg (about 60 miles west of Pretoria), captured 78 Boers.

Inspected Industrial School.

On Thursday afternoon Premier Tweedie, accompanied by Lady Tilley and Hon. R. J. Ritchie, of the governors of the Boys' Industrial Home, paid a visit to the institution. Hon. Mr. Tweedie made a general inspection of the place and expressed himself as pleased with the conditions. The premier also addressed the boys, who were assembled in the school.

Deal Shipments.

During the last fortnight the Alexander Gibson Railway and Manufacturing Company have shipped thirty scow loads of deal to St John, containing in all about 2,500,000 feet. They have about two million feet yet to ship before navigation closes. The company's shipments for the season from the Marysville and Blackville mills will aggregate about thirty-five million feet.

Should Impound Them.

Caretaker Gregory should give those who make a practice of pasturing their cows in the old burying ground, to understand that it is not intended for that purpose. Several complaints have lately reached the Herald, and people are at a loss to know why the caretaker permits cows to prowl about the place.

It is announced in London that the marriage will shortly take place of Lieutenant Hughes C. Lockyer, R.N., second surviving son of Sir Norman Lockyer, K.C.B., F.R.S., and Geraldine, younger daughter of Mr John F. Stairs, ex-M.P., of Halifax N.S.

Buckwheat Meal.
