

Out of the Shadow.

The discouragement, the despair of ill-health, and into the noontide glory of health, vigor and strength. Are you seeking this way? Are you wishing to replace weakness by strength, despondency by hope and expectation, pale cheeks and lusterless eyes, by the roses bloom and sparkling eyes. If you but use Ferrozone, you will make rich, red blood, your nerves will grow strong. Old time vigor will return and with it endurance that will enable you to live an energetic and successful life. Remember the name, Ferrozone. Sold by Chas. A. Burchill.

With the Hounds.

A story is told of the disciplinary methods of a Northern M.F.H., who had very definite views about sport and sportsmen, and stuck to them. Much annoyed throughout the best part of a season by a self-assertive visitor of Jewish extraction, he was unable for some time to find an opportunity for opening his mind to him. At last, however, after some peculiarly gross offence, the opportunity came, and he abused him from the crown of his head to the soles of his feet. "Call yourself a hunting man," he said. "You a hunting man? You're only fit to chase jackals around the walls of Jerusalem."—London Globe.

If you take a Laxa-Liver Pill at night before retiring, it will work while you sleep without a gripe or pain, curing biliousness, constipation, dyspepsia and sick headache.

Whither Are We Drifting?

"Is it a good neighborhood?" asked the prospective tenant. "Beautiful!" exclaimed the real estate agent, with enthusiasm. "You can stand on a street corner and look in any direction you please, and you won't see anything but first class apartment houses!"—Chicago Tribune.

Grocers who value their reputation always keep in stock the four grades of UNION BLEND TEA which sell at 25c., 30c., 35c. and 40c. a pound.

Truth Ever Lovely Since the World Began.

There is a small store on the corner of Queen and Regent Streets which at the present time contains more useful and solid goods to the square foot than any other place of its size in the city. New goods have been arriving daily during the last two months from the best manufacturers in Canada. Lacy & Co. keep this place and here you will find a well made suit of clothes, a stylish fall or winter overcoat, a warm suit of underwear, a pair of nobby boots, a fashionable hat, neckties and gloves, in fact everything in wearing apparel for either man or boy; and last but not least a nice stock of boots, shoes, slippers and rubbers for the ladies. A case of watches is now on the way, and when they arrive will be given away to their customers. Due notice will be given of the arrival of these watches so that all may have a chance to secure one.

Dr. Agnew's Cure for the heart is heroic because in cases of heart disease seemingly beyond all human aid it goes to the very brink of the "Black River" and snatches from it the heart-sick victim.

In a trice it allays pain—in a twinkling it gives strength and vigor and it works a quick and permanent cure as by magic. It is the one great heart remedy which rightly bears the crown of supremacy and on which is inscribed the life words, "It never fails." Thirty minutes after taking the first dose, the sick heart forgets its pain. Try it.

ASTHMA

For Sixteen Years

Well-known Orangeville Farmer spent hundreds of dollars in search of a cure. At last cured by Clarke's Kola Compound.

It seems foolish to pay several hundred dollars for something which two dollars will buy, don't it? Yet that is just what thousands of asthmatics are doing every year, besides losing their health. They are trying to get free from the tortures of asthma, but unless they take Clarke's Kola Compound they will keep on trying. It is the only permanent cure. Mr. Allan Faulkner, one of the best known farmers in Dufferin Co. writes:—"For sixteen long years I have been almost a constant martyr to asthma. Only an asthmatic could realize what I have suffered. Many days and weeks I could not leave the house, and night after night could not lie down. I spent many hundred dollars in search of a cure and tried nearly all our local doctors and some in Toronto but became worse each year. My druggist, Mr. Stevenson, of Orangeville, recommended Clarke's Kola Compound about two years ago. I took, in all, eighteen bottles of this grand medicine during nine months; each week I gradually improved and am now completely cured. It is now over a year since being cured and I have not had a single attack since, and have gained much of my old-time strength and weight. No amount of money nor anything else could estimate its value to me."

(Signed) ALLAN FAULKNER.

I have for years been personally acquainted with Mr. Faulkner and can certify to the absolute truth of the above statements. (Signed) THOS. STEVENSON, Druggist, Orangeville. Clarke's Kola Compound is sold by Chemists everywhere. \$2.00 per bottle, three for \$5.00 or from the Griffiths & Macpherson Co., Limited, Toronto, Canada.

THE OLD-FASHIONED BOY.

Oh, for a glimpse of a natural boy—
A boy with a freckled face,
With forehead white 'neath tangled hair
And limbs devoid of grace.

Whose feet toe in, while his elbows flare;
Whose knees are patched all ways;
Who turns as red as a lobster when
You give him a word of praise.

A boy who's born with an appetite,
Who seeks the pantry shelf
To eat his "piece" with resounding
smack—
Who isn't gone on himself.

A "Robinson Crusoe" reading boy,
Whose pockets bulge with trash;
Who knows the use of a rod and gun,
And where the brook trout splash.

It's true he'll sit on the easiest chair,
With his hat on his touselled head;
That his hands and feet are everywhere,
For the youth must have room to spread.

But he doesn't dub his father "old man,"
Nor deny his mother's call,
Nor ridicule what his elders say,
Or think that he knows it all.

A rough and wholesome natural boy
Of a good old-fashioned clay;
God bless him, if he's still on earth,
For he'll make a man some day.
