PE-RU-NA CURES CATARRH OF KIDNEYS EVERY TIME.

DANGEROUS KIDNEY DISEASES CURED

Peruna Creating a National Sensation in the Cure
of Chronic Ailments of the Kidneys.

Mr. John Vance, of Hartford City, Ind., says: "My kidney trouble is much better. I have improved so much that everybody wants to know what medicine I am using. I recommend Peruna to everybody and some have commenced to use it. The folks all say that if Dr. Hartman's medicine cures me it must be great."—JOHN VANCE.

Mr. J. Brake, of Petrolia, Ontario, Canada, writes: "Four years ago I had a severe attack of Bright's Disease, which brought me so low the doctor said nothing more could be done for me. I began to take Peruna and Manalin, and in three months I was a well man, and have continued so ever since."—J. Brake.

At the appearance of the first symptom of kidney trouble, Peruna should be taken. This remedy strikes at once the very root of the disease. It at once relieves the catarrhal kidneys of the stagnant blood, preventing the escape of serum from the blood. Peruna stimulates the kidneys to excrete from the blood the accumulations of poison, and thus prevents the convulsions which are sure to follow if the poisons are allowed to remain. It gives great vigor to the heart's action and digestive system, both of which are apt to fail rapidly in this disease.

Peruna cures catarrh of the kidneys

simply because it cures catarrh wherever located. Major T. H. Mars, of the First Wisconsin Cavalry regiment, writes from 1425 Dunning St., Chicago, Ill., the following letter:

"For years I suffered with catarrh of the kidneys contracted in the army. Medicine did not help me any until a comrade who had been helped by Peruna advised me to try it. I bought some at once, and soon found blessed relief. I kept taking it four months, and I am now well and strong and feel better than I have done for the past twenty years, thanks to Peruna."—T. H. Mars.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio, U.S.A.

Peruna can be obtained for \$1.00 a bottle at all first-class drug stores in Canada. Request is sent free to all, gives a short description of all catarrhal diseases. "The Ills of Life," which can be secured at all up-to-date drug stores, and upon request is sent free to all, gives a short description of all catarrhal diseases.

Lives Lost in a Mine.

Fairmont, W. Va., Oct. 12.—An explosion occurred at the New England mine of the Fairmont Mining company here today. Three dead have already been taken out and

six more are believed to still be in the mine which is on fire. At the time of the explosion, twenty-five men were at work, but all but nine escaped. The explosion was caused by a broken lamp of one of the miners igniting the gas.
