

AN OLD PHYSICIAN'S Prescription for Chronic Catarrh-- In Use Over Forty Years. The Home of Peruna

The Hartman Sanitarium,
Columbus, Ohio.

40 years ago Dr. Hartman graduated at the Jefferson Medical College at Philadelphia, and immediately commenced the practice of medicine in Millersville, Lancaster Co., Pa. Subsequently he practiced in Lancaster City until twenty years ago. He then lectured on the subject of medicine and chronic diseases in all the principal cities in the United States.

During all this time the doctor has been a specialist in the treatment of chronic catarrh. He has probably treated more cases of catarrh than any other physician in the world. Several thousand people (suffering from this stubborn disease) are constantly under his treatment which he carries on by correspondence.

The remedy upon which the doctor relies for the cure of this vast multitude of people is Peruna. Peruna is without doubt the only reliable internal specific for catarrh yet devised by the medical profession. It cures catarrh wherever located—catarrh of the head, catarrh of the throat, of the stomach, lungs, liver, bowels, kidneys, or catarrh of the pelvic organs. Catarrh of these various organs includes a host of diseases known by different names.

Peruna is not a patent medicine, but the regular prescription of a regular physician in the regular practice of medicine. The remedy Peruna is manufactured only by The Peruna Medicine Co., of Columbus, O., where it is supplied to druggists all over the United States and Canada.

Anyone suffering from catarrh, severe or mild, acute or chronic, in any organ or part of the human body, should begin the use of Peruna at once. If at any time during the treatment the patient wishes to ask any question of Dr. Hartman concerning any detail of the disease or treatment he should write the doctor who will promptly answer, free of charge.

"Pe-ru-na Saves Many Times its Cost in Doctor Bills."

Mr. Geo. A. Gauvin, No. 18 Spring Garden, Halifax, N. S., is Vice-President of the Halifax Camera Club, Lieutenant of the Ramblers' Cycle Club, Halifax, writes:

"I feel it a duty as well as a pleasure to speak in high praise of Peruna, especially valuable in cases of catarrh so frequent during the winter season in this country. I have used it myself with fine results, also in my family and found that it has saved me many times its cost in doctor bills.

"Peruna is not only a cure for cold, but a splendid preventive. I know of no medicine, patent or otherwise, which is so powerful to remove disease from the system.—GEO. A. GAUVIN.

"Have Enjoyed Perfect Health Since Using Pe-ru-na."

Miss Florence E. Kenah, 484 Maria St., Ottawa, Ont., writes:

"A few months ago I caught a severe cold which settled on my lungs and remained there so persistently that I became alarmed. I took medicine without benefit, until my digestive organs became upset, and my head and back began to ache severely and frequently.

"I was advised to try Peruna, and although I had little faith I felt so sick that I was ready to try anything. It brought me blessed relief at once, and I felt that I had the right medicine at last. Within three weeks I was completely restored and have enjoyed perfect health since.

"I now have the greatest faith in Peruna."—F. E. KENAH.

"Pe-ru-na Keeps me in Fine Health."

Miss Ella Pittaway, No. 85 Primrose Ave., Ottawa, Ont., writes:

"I cannot speak too highly of Peruna as a medicine of special value during the inclement weather. I was subject to catarrh of the head and throat until I tried Peruna, and I now find that a few doses taken in time invariably cures me, and also that it acts as a special preventative of throat difficulties.

"It keeps me in fine health, and I value its qualities very much."

MISS ELLA PITTAWAY.

Recommends Pe-ru-na for Colds.

Mr. E. H. Cunningham, Mgr. Cable Co., Halifax, N. S., writes:

"During the past winter I contracted a severe cold which I found difficult to throw off. After using several remedies without success, I purchased a bottle of Peruna, and was so pleased with the result, that I now wish to recommend it to all persons suffering as I did."

E. H. CUNNINGHAM.

"Feel Better and Stronger Than for Years."

Miss M. Jean Sargent, Frankford, Ont., writes:

"A few months ago I caught a severe cold coming home from an evening party, being too thinly dressed. It developed into catarrh of the throat, and I soon found that it was more serious than I had anticipated.

"Having read of Peruna and its claim of quick cure, I determined to try it, and sent for a bottle. I am very much pleased to state that the results were far better than I had anticipated or expected. The third day after using it my cough had nearly disappeared, and my appetite had returned, within another week I felt better and stronger than I had done for years.

"I therefore gladly endorse it."

M. JEAN SARGENT.
