

CRIPPLE CURED BY FRIGHT.

Hog Thief in Louisiana Unwittingly Does Kindness to Sufferer.

New Orleans, Oct. 12.—Mr. Hampton, who lives in the northern portion of the state, has been a cripple for 15 years. He had an affection of the spine, and was unable to walk. He was carried about from place to place by a large, powerful negro. Mr. Hampton would put his arms around the negro's neck.

One night two laborers, who belonged to a gang which was repairing the railroad track in the vicinity, planned to steal a pig. They knew one of the farmers had butchered three pigs, and that the dressed animals were hanging in a barn. One of the men sneaked into the building to get a porker while the other waited at the roadside to keep a lookout. It was an exceedingly dark night, and, as it happened, Mr. Hampton and his negro were returning home. Suddenly, out of the dark, loomed the form of the black servant with his charge on his back. The waiting accomplice to the pig thief thought it was his partner returning with his greasy booty, and in smothered tones said, "Is he fat?"

The negro was superstitious, as the race is wont to be, and he thought it was a ghost. He jumped about ten feet, and Mr Hampton was shaken off his back. The negro was a faithful fellow under ordinary circumstances, but in his far all ties were forgotten, and he ran down the road. Mr Hampton was greatly frightened himself and made a supreme effort to follow the deserter. Strange to say, he succeeded in using his limbs, and ran 200 yards before stopping. None of the country doctors could explain the phenomenon, but it is a fact that he was completely cured.

The Halifax mayor's chain, ordered by Ald. Geldert in London, is at the customs awaiting the action of the committee in charge of the decorations for the visit of the Duke and Duchess of York. The committee sent a cable to Ald. Geldert asking him to buy the chain. Later the city council failed to concur in the resolution of the committee, and Ald. Geldert was cabled to cancel the order. He failed to get the message, and as a result the chain valued at £60 is at Halifax. The question that is now stirring the city fathers is "Who is to pay for the decoration?" With 25 per cent. duty added the cost will be £75.

A Well-Known Toronto Clergyman's Wife

Suffered Untold Agony for Ten Years from Asthma and Bronchitis—was Cured by Clarke's Kola Compound.

It matters not how long you have suffered from asthma or how many remedies have failed to cure, you can be cured by Clarke's Kola Compound, which is to-day universally recognized to be the only permanent cure for Asthma and Bronchitis.

Rev. C. H. Wisker, one of Ontario's best-known clergymen (owing to his connection with the Upper Canada Tract Society), residing at 294 Sackville street, Toronto, writes:—"My wife has been a great sufferer from asthma and bronchitis for ten years. Many times she has had to sleep sitting up, and frequently we have had to call in our physician, as we thought she would suffocate. About a year ago a friend recommended Clarke's Kola Compound. My wife took in all three bottles, after which her asthma entirely disappeared and has not since troubled her. I can highly recommend this wonderful medicine to all who are troubled with asthma or bronchitis, and I know of many others whom it has also cured."

Clarke's Kola Compound is the only permanent cure known for asthma. Sold by chemists everywhere. Book on Asthma and its Cure free. Address, The G. and M. Co., Limited, 121 Church street, Toronto.

FREDDIE WANTS DIVORCE.

Sioux City, S. D., Oct. 12.—The law firm of Bailey & Voorhees, of this city, attorneys for Frederick Gebhard, the prominent New Yorker, whose name is known on two continents because of his attachment some years ago for Mrs. Langtry, has filed in the State Circuit Court a suit in which Gebhard asks for an absolute divorce from his wife, Mrs. Louise Morris Gebhard. His divorce suit is based upon the simple ground of desertion, and evidently will be without sensational features. If the customary procedure is followed it is probable that within the next week the case will be heard, and Gebhard granted the divorce. Before marrying Gebhard the defendant was Miss Louise Morris, a Baltimore belle. It is stated that for a year prior to coming to South Dakota, Gebhard and his wife had lived apart.
