

The Evolution of Warships.

A man need not be a scholar to be an inventor. One of the most successful aeronauts of old times who had made a study of aerial currents and the management of balloons once delivered an address in which he referred to "the anacantha" as "the largest bird that ever flew," and he also remarked that "the mental faculties of a man's mind is so constructed as to bring things down to a pin's point." He also referred to the currents of air as stretchums, meaning strata, and yet he was one of the foremost balloonists of his time.

He was an inventor also of many useful things and was the first man in the country to suggest an ironclad man-of-war with slanting sides. He built a miniature vessel on this plan of sheet iron, placing it in the water and fired musket balls at it at short range. Every ball glanced off. The Merrimac was built on a similar plan, and from that humble beginning the evolution or revolution in naval architecture took its start.

BAD BLOOD.

You can't be healthy if your blood is impure or watery,—if poison is circulating through your arteries instead of rich, pure, life-giving blood.

If you feel, drowsy, languid,—are constipated, have pimples or blotches breaking out on your body, the remedy for you is Burdock Blood Bitters.

"I have been using B.B.B., also my brother and sister-in-law, and we find it a most reliable and efficacious blood purifier, and most cordially recommend it. We purchased it from J. R. Ault & Sons of this town." MISS C. M. WATSON, Aultsville, Ont.

B.B.B. is a highly concentrated blood purifying vegetable remedy,—only 1 teaspoonful at a dose,—you add the water yourself.

FOR THE BLOOD

Deathbed Flattery.

Almost every dying person is liable to be allured by the solemn attitude of the company and the restrained or flowing torrents of tears and emotions to an alternating conscious and unconscious comedy of conceitedness. The seriousness with which every dying person is treated has undoubtedly been the very finest enjoyment of his life to many a poor despised devil and a sort of indemnification and partial payment for much privation.—Works of Nietzsche.

Saluting With the Hat.

Before the invention of wigs the hat was rarely removed except to salute others, especially royal personages. It was worn at table when ladies or persons of rank were present. Except when saluting royalty it was the custom merely to raise the hand to the hat somewhat after the manner of a military salute. When it became the mode to wear a profusion of false hair, the hat was less needed as a protection for the head and was carried under the arm.

A Tart Retort.

The infant of a household was in its cradle. The head of the house was at home, peevish and fault finding. At length he became unendurable. "You have done nothing but make mistakes tonight," he growled.

"Yes," she answered meekly; "I began by putting the wrong baby to bed."

Why Housekeepers Lose Appetite.

The woman who orders a dinner has eaten it before it reaches the table. If she cooks it, too, then she has eaten it twice. Is it any wonder she has no appetite for a third course of it?

LAXA LIVER PILLS

Those who have used Laxa-Liver Pills say they have no equal for relieving and curing Constipation, Sick Headache, Biliousness, Dyspepsia, Coated Tongue, Foul Breath, Heart Burn, Water Brash or any disease or disorder of the stomach, liver or bowels.

Mrs. George Williams, Fairfield Plains, Ont., writes as follows: "As there are so many other medicines offered for sale in substitution for Laxa-Liver Pills I am particular to get the genuine, as they far surpass anything else for regulating the bowels and correcting stomach disorders."

Laxa-Liver Pills are purely vegetable; neither gripe, weaken nor sicken, are easy to take and prompt to act.

A Toronto Druggist Tried All the Catarrh Remedies Known.

SAYS JAPANESE CATARRH CURE IS THE ONLY PERMANENT CURE.

Mr. John Wylie, the well-known Senior Clerk for Mr. Geo. Marshall, the leading Queen St. East Druggist, Toronto, writes:—"When I say I believe Japanese Catarrh Cure the only cure for catarrh on the market, I think I know just what I am talking about. I have tried every remedy which I thought would do me good, and also several doctors, but only received a little temporary relief. After hearing several of our customers, who had used Japanese Catarrh Cure, speak so highly of it, I tried it. From the very first it gave me much relief, soon the dropping in my throat ceased, and now, after using in all four boxes of Japanese Catarrh Cure, find myself completely cured of this most disagreeable disease, after suffering for years. I have since recommended it to some of our customers, and know of several of them whom it has cured."

Japanese Catarrh Cure permanently cures catarrh and catarrhal deafness. All druggists, 50 cents.

Great efforts are being made in Japan to develop a taste for rifle shooting among the people. Rifle clubs have been formed after the European model, most of them closely resembling those existing in Switzerland. A marked improvement in the general shooting is already shown. The Emperor takes the greatest interest in the movement and subscribes large sums for prizes. Japan has introduced the bicycle into its army. Last year a number of machines were purchased in Belgium, and on these Japanese soldiers have been exercised in orderly and reconnoitering duties.

A Singular Dutch Law.

The accouchement of the Queen of the Netherlands is expected to take place in January, says London Truth. If five years had passed without Queen Wilhelmina giving birth to a child her marriage would have been dissolved by the Dutch Parliament. The constitution of Holland also provides that if the Queen has a son she is to abdicate in his favor when he reaches the age of eighteen.

As She Saw It.

Mrs. Kleener—What is the matter with you this evening, John, that you ain't smoking?

Mr. Kleener—The doctor says I mustn't. He says I must stop smoking or die.

Mrs. Kleener—Oh, I'm so glad! You won't be scenting up my curtains any more, will you?

There is nothing like Asthmalene. It brings instant relief, even in the worst cases. It cures when all else fails.

The REV. C. F. WELLS, of Villa Ridge, Ill., says: "Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave, chained with putrid sore throat and Asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, Asthma, and thought you had overspoken yourselves, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full-sized bottle."

DR. TAFT BROS. MEDICINE CO.

Gentlemen: I write this testimonial from a sense of duty, having tested the wonderful effect of your Asthmalene, for the cure of Asthma. My wife has been afflicted with spasmodic asthma for the past 12 years. Having exhausted my own skill as well as many others, I chanced to see your sign upon your windows on 120th street, New York, I at once obtained a bottle of Asthmalene. My wife commenced taking it about the first of November. I very soon noticed a radical improvement. After using one bottle her Asthma has disappeared and she is entirely free from all symptoms. I feel that I can consistently recommend the medicine to all who are afflicted with this distressing disease.

Yours respectfully,

O. D. PHELPS, M. D.

DR. TAFT BROS. MEDICINE CO.

I have since purchased your full-size bottle, and I am ever grateful. I have family of four children, and for six years was unable to work. I am now in the best of health and am doing business every day. This testimony you can make such use of as you see fit. Home address, 235 Rivington Street. S.
