

IT SAVES FROM DISEASE AND DEATH

Mr. Charles Comeau,
of Neguac, New Brunswick,
Says.

I AM NOW CURED

thanks to

PAINE'S CELERY COMPOUND

Dyspepsia and Liver Trouble
Forever Banished.

The Wells & Richardson Co., Limited.

Dear Sirs,—I can conscientiously recommend Paine's Celery Compound to all who may be suffering from dyspepsia and liver trouble. For years while living in Black Brook, I suffered from a complication of troubles, and was so bad with dyspepsia that I could not touch a morsel of food. I found it difficult to sleep, and what little I did get was often broken with horrid dreams. Intense sufferings from liver complaint added to my load of agony; I also had dizziness, pains in the back, and was pale, haggard and despondent.

I kept doctoring and dosing without deriving the slightest benefit, and finally gave up all hope of getting well. One day my daughter, who had read of a wonderful cure by Paine's Celery Compound, begged me to try one bottle of the medicine. I told her it was no use to throw away money, but she pleaded so hard, that to please her, I bought a bottle and before it was used up I felt better. Encouraged so much, I continued with the medicine and improved every day.

I am now cured, thanks to Paine's Celery Compound. You cannot wonder that I consider Paine's Celery Compound the greatest medical discovery in the world. I urge all who are suffering to try this grand medicine and test its virtues.

Yours truly,

CHAS. COMEAU.

For cuts, wounds, rheumatism, stiff joints, burns, scalds, bites of insects, croup, coughs, colds, Haggard's Yellow Oil will be found an excellent remedy.

Thermometer was down to 40 here Thursday morning, making it a little chilly, but Montreal is an over-heated summer resort compared to Nova Scotia, where a herd, fast frost, settled down Wednesday on that antiquated and mildewed organization known as the [Conservative party. Seven of the Libs. went in by acclamation, and by the time voting day gets around the Cons. will be sitting on the furnace pipes trying to thaw out. —Montreal Herald.

Pure teas of the best quality are what everybody wants, and UNION BLEND TEAS have no rivals in purity or excellence. They are sold at 25c., 30c., 35c. and 40c. a pound, the prices usually demanded for inferior teas.

Rev. Dr. A. T. Wigram, canon of Grahamstown, in an article in the current issue of the Nineteenth Century, notes that the two Boers who in 1795 hauled down the British flag when it was hoisted at Graaf Reinet were named Kruger and Joubert, ancestral kinsmen of the Kruger and Joubert of the present war.

A London cable says: On the return of the Duke of Cornwall from abroad he will be created Prince of Wales. By conferring that title after an interval following upon his own demission, the King is strictly following precedent. The title of Earl of Darnley, which is also borne by the heir apparent, may be conferred later.

When you feel weak, run down, nervous, unable to work or think as you ought, take Milburn's Heart and Nerve Pills. They'll build up your health and give you strength and energy.

The newspaper men who have been stowed away in a car with the lackeys, valets and scullions on the Duke's train are said to be sporting mad. But probably they went along in the work of earning a living, just as the menials referred to are doing. —Hamilton Times.

The Toronto customs receipts for the current month indicate a big rush of business. Up to Wednesday night the receipts were \$394,600, or \$70,330 ahead of the same date last year.

THIS VETERAN'S FIGHT

In the days of the Revolution he was on the side of victory, in later years surrendered to disease, but South American Kidney Cure gave him his liberty.

Mr. A. Williamson, of Kincardine, Ont., a veteran in the American war, and now customs officer, town clerk and a prominent citizen, says of South American Kidney Cure:—"I have found it a wonderful specific in my case. I suffered a great deal from Bladder and Kidney troubles, and one bottle entirely cured me. I think it a boon to mankind." Cures in all stages and gives relief in six hours.

Government Institutions Endorse Japanese Catarrh Cure as the Only Permanent Cure for Catarrh.

CURED EVERY CASE WHERE THE REMEDY WAS TRIED.

Catarrh is one of the diseases which should not be experimented with, every day's neglect allows it to spread deeper and deeper until loss of taste, smell and hearing are the inevitable result, then finally consumption sets in, for which there is no cure. Thousands who have suffered for years from catarrh proclaim Japanese Catarrh Cure the only permanent cure. It will cure you.

Mr. A. R. Wilson, Principal, Government Indian Home, Elkhorn, Manitoba, writes:—"Some time ago we purchased three boxes of Japanese Catarrh Cure, and must say it gave wonderful results in every case tried. It certainly is an article of unequalled merit."

Japanese Catarrh Cure is not a powder, it is a pleasant, healing, penetrating, volatile pomade, it is easy to use, requires no instrument of any kind, it reaches every catarrhal diseased portion of the mucous membrane, and permanently cures catarrh, wherever located. Sample box free. Enclose 5 cent stamp. Address, The Griffiths & Macpherson Co., Limited, 121 Church St., Toronto. Sold by all druggists, 50 cents.

Hon Mr Tarte is still suffering greatly from the effects of the gunpowder explosion at Quebec, and his medical man has advised him that it would be most indiscreet for him to take part in any public function for the present. Mr. Tarte's hearing has been somewhat impaired by the explosion, but this will be only temporary.
