STRONG TOWNSHIP SENSATION.

The Restoration to Health of Wm. Doeg who Had Not Left His Room in Years. Rheumatism of the Worst Kind Completely Cured.

(Sundridge Echo.)

The Echo has taken the trouble to investigate the circumstances and can vouch for the truth of the following interesting story in its every particular.

Almost everyone in this neighborhood knows Mr. Wm. Doeg. In 1878 Mr. Doeg moved from the Township of Oaprey, in Grey County, to lot 19 in the thirteenth concession of Strong Township. He has since made many friends, and all who know him speak of him in the highest terms.

Some time after he came to this part he was stricken with rheumatism. It gradually grew worse and worse till for the last four years he has been a confirmed invalid, and as a consequence has not been seen in town at all. He has sat night and day in his chair, unable to move or walk a step for months. The pain never left him. It commenced in his back, and the torture he had to bear was terrible. From his back it would sometimes move to other parts of his body. His knees were fearfully painful at times. The truth is that for four long years the poor man did not have a single moment's respite from the racking of this dreadful disease.

Mr. Doeg says: "It makes me shudder to look back upon that awful four years, even the thought of it is dreadful. How I ever lived through it I do not know, but I thank God that he has at last restored me to health and strength with nothing of the rheumatism left but the memory of it."

Mr. Doeg is a changed man. Hale and hearty he now enjoys every moment of his new life to the full.

How did the change come about? This is the question which Mr. Doeg is most delighted to answer. He had tried the treatment of several physicians and had used almost every medicine known as a cure for rheumatism, but he got no relief.

"I gave them all a fair chance, too," said Mr. Doeg to The Echo, "but nothing seems able to give me even temporary relief. I grew despondent and despaired of every leaving that dreadful pain behind me."

"One day I read in a newspaper the testimonials of some who said they had been cured of rheumatism by Dodd's Kidney Pills. I didn't much faith in anything by this time, but I sent for a box of the pills and commenced. I noticed an improvement and kept on, and I look at me now."

Mr. Doeg certainly doesn't look like an invalid now, and it is hard for one who had not seen him in his sick room to believe that six months ago he couldn't walk.

"Have you any objection to making and signing a written statement of the whole thing for publication in The Echo?" was asked Mr. Doeg.

None whatever, I will be glad to do so, for I want every person suffering as I was with rheumatism to know that Dodd's Kidney Pills will cure them and I do hope that my statement will be read by all such unfortunate.

This is Mr. Doeg's written statement:—For four years I suffered excruciating torture, during which time I was scarcely an hour free from pain. The trouble commenced in my back, where it often remained stationary for months, and so intense was the pain that I could not lie down or take rest, but had to sit night and day in a chair. The pain would then remove to other parts of my body, and when in my knees I was unable to walk, and confined constantly to my room. I was treated for rheumatism by several doctors and also tried many medicines without receiving any benefit. Almost in despair I feared I would never again experience the pleasure of being free from pain.

Last spring my attention was directed to some remarkable cures of rheumatism effected by Dodd's Kidney Pills, recorded in the public prints. I procured a box, and soon found that they were doing me good, so I kept on, till now I can say I am a new man entirely free from pain, and have continued so for over six months, being able to attend to my daily duties on the farm and feel strong and able for work.

I verily believe this great change has been effected by the use of Dodd's Kidney Pills, and I think it my duty to make this statement public for the benefit of anyone afflicted as I was. Wm. Doeg, Sundridge.

This is a plain unvarnished statement of fact, as we found it, and every reader of The Echo, especially those who know how bad Mr. Doeg was, will agree that it is a case without parallel in the history of the community.

A COLLEGE ROW.

Storm at Bishop's College, Lennoxville, Blows Over Without Any Serious Injury.

Sherbrooke, Quebec, March 28.—The trouble between the students and the Council at Bishop's College, Lennoxville, was settled in an amicable way last night, the students having made an ample apology to the Council. The trouble, however, will have the effect of postponing the exams until after Easter as several of the students had left the college prior to the apology having been made. The trouble or clash between the students and the Council arose in this way: It seems that a certain student wanted to take his na-

trication exams just now, as for private reasons he wanted to be absent from the college from Easter until September. The usual fee is \$3, but it being an unusual occurrence for a student to take this exam just now the Council decided that the fee be doubled, and that it be paid in advance. The students decided to petition the Council to have the fee reduced to the regular figure.

When this letter was laid before Principal Whitney and the Council they considered that it was an unwarrantable action on the part of the students, and the latter were given fifteen minutes in which to make an apology.

This the students refused to do, and the Principal ordered them to leave the building by ten o'clock on Tuesday evening. The students were determined to stand out.

At nine o'clock, however, on Tuesday evening, another meeting of the students was held, when it was decided to give an apology for their conduct, the authorities at the same time also making some concessions.

FOR THIRTEEN YEARS.

A Long Period of Pain, Misery, Bloating, Distress, and Partial Starvation—Dyspepsia's Dire Punishment.

When a man suffers the pains and excruciation of Dyspepsia for thirteen long years and is then restored to health and strength, he is naturally very grateful.

Mr. Michael Stewart, who lives at the corner of Pearl and Division streets, in Kingsville, Ontario, says:

"For thirteen years I suffered the untold miseries of Dyspepsia. I used to bleed up so that I could not bear my clothes to touch me. I could not eat anything but the lightest and plainest foods. If I ever dared eat an apple, the smallest bit of pastry, or ever so little pork, I would have to lie down until the pain would pass."

"I have tried many so-called remedies, but got no help till a friend of mine told me that Dodd's Dyspepsia Tablets had cured him. I made up my mind to get some."

"The very first dozen Tablets I took gave me great relief. I continued to use them, and now I am completely cured. They are worth their weight in gold."

Dodd's Dyspepsia Tablets are a specific. They cure all Stomach Troubles. There is no case of Dyspepsia or Indigestion, no matter how acute or of long standing, that they will not cure."

Mr. Stewart suffered for thirteen years and was cured. You may be cured, but don't put it off too long. Dyspepsia kills. Dodd's Dyspepsia Tablets cure."

A Few Words With the People of Fredericton About Waterproofs.

You do not buy a waterproof for the fun of it, but you want that garment to protect you from rain, therefore ask a guarantee—no matter where you buy it—to be strictly waterproof, to look like one is not enough. And bear always in mind, no matter how cheap a dealer offers you one, that the manufacturers can sell 30 or 40 per cent cheaper.

Do not believe when one offers you a gold dollar for 50 cents that one is going to do it. He will give you one that looks like a gold dollar, and it is not always the cheapness of the thing that gives satisfaction. It is your money's worth that does it, and above all when you get that which you expected to get, that makes you satisfied. I guarantee every waterproof to be strictly so. I cut every garment to your measure and style, you like best, I keep every coat in repair for two years, free of charge, and if you belong to Fredericton, and are unable to pay all cash I will give you credit.

To keep about these coats, if you believe in a cheap waterproof, come and I will sell you one for two dollars and guarantee it to be as good as you get for four dollars of your ready-made jobbers. And above all remember that I manufacture those coats right here in Fredericton and you are welcome to come and get a good look before you buy one."

H. SIDMAN, manufacturer, Queen street, Olex Sharkey building.

"The blood is the life." Science has never gone beyond that simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgment are affected, and many an evil deed or impure thought may be directly traced to the impurity of the blood. No one can be well balanced in mind and body whose blood is impure. No one can have a wholesome and pure life unless the blood is pure. Pure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. When the blood is pure, body and brain are alike healthy and life becomes a daily happiness.

Free.—Dr. Pierce's Common Sense Medical Adviser, 1008 pages, 700 illustrations, is sent free on receipt of stamps to defray expense of mailing and contents. Send 31 one-cent stamps for paper covers, or 50 stamps for cloth, to Dr. R. V. Pierce, 663 Main Street, Buffalo, N. Y.

Don't be Caught. Are you thoroughly equipped with clothes? Had you not better place your order with me at once for a working suit or a nice dress suit. I employ skilled labor, use good goods, and always give a good fit. I. C. Barden opp. From Business College York St. From.—d.

SUFFERING WOMEN.

A Message of Hope to the Weak and Depressed.

A Grateful Woman Tells of Her Release From the Agonies That Attended Her Suffering After Three Doctors Had Failed to Help Her.

The amount of suffering borne by women throughout the country can never be estimated. Silently, almost hopelessly, they endure from day to day afflictions that can only fall to the lot of women. The following story of the suffering and release of Mrs. Charles Hoeg, of Southampton, N. S., ought to bring hope and health and happiness to other sufferers. Mrs. Hoeg says:—"For nine out of the thirty-two years of my life I have suffered from a family disease, and have been similarly afflicted, can imagine I could suffer and yet have lived. Three weeks out of four I would be unable to move about, and indeed, at no time was I able to attend to my household duties. I consulted physicians—three of the most skillful doctors in the county of Cumberland at different times had charge of me. These all agreed in their diagnosis, but the cure was varied, and while at times I would experience some relief, at no time was there any hope given me of a permanent cure. Many a night when I went to bed I would have been glad if I died had come before morning. I never had much faith in proprietary medicines, but at one time I took a half dozen bottles of a blood-making compound, which was highly recommended. This, like everything else, failed to help me. There seemed to be not a particle of blood in my body. My face was absolutely colorless, and my appetite almost entirely deserted me. I often saw in the newspapers letters testifying to the merits of Dr. Williams' Pink Pills, but nine years of suffering and discouragement had made me too sceptical to see any hope of relief, when a doctor had failed to effect a cure. But at last I came across the story of a cure near home—that of Mr. Moses Ross, of Redney, I knew that at one time he had been regarded as a hopeless case, but that he had been cured through Dr. Williams' Pink Pills, determined me to try them. I had not taken two boxes before I began to feel better, and grew confident of a cure. I kept on taking the pills, all the time feeling my blood in my veins, activity returning to my limbs, and the feeling of depression gradually wearing away. To many women it may seem incredible that the mere making of new blood in my veins could restore to a healthy condition misplaced internal organs, but this has been my happy experience. My pains have all left me, and I am as healthy and strong as I ever was in my life. This health I owe to Dr. Williams' Pink Pills, which have rescued me from a life of suffering, if not from the grave."

Williams' Pink Pills are especially valuable to women. They build up the blood, restore the nerves, and eradicate those troubles which make the lives of so many women, old and young, a burden. Palpitation of the heart, nervous headache and nervous prostration speedily yield to this wonderful medicine. These pills are sold only in boxes, the trade mark and wrapper printed in red ink, at 50 cents a box, or six boxes for \$2.50, and may be had of druggists, or direct by mail from Dr. Williams' Medicine Company, Brockville, Ont.

Dr. Burrell said he meant his remarks to apply to charity games and games of every description played for prizes or favors of any monetary value.

THE CLERGY LIKE IT.

Dr. Agnew's Catarrhal Powder cures all creeds. It relieves in 10 minutes.

Here are a few names of clergymen of different creeds who are firm believers in Dr. Agnew's Catarrhal Powder to "live up to the preaching" in all it claims: Bishop Sweetman, Rev. Dr. Langtry, (Episcopalian); Rev. Dr. Withers and Rev. Dr. Chambers (Methodist); and Dr. Newman, all of Toronto, Canada. Copies of their personal letters for the asking. 50 cents. 4

GAMBLING AT HOME.

Rev. Dr. David James Burrell of Marble Collegiate Church Delivered a Scathing Denunciation of It.

New York, March 26.—Another prominent clergyman has joined the crusade against gambling in the home. The custom was scathingly denounced by Rev. Dr. David James Burrell, pastor of the Marble Collegiate church, 5th av. and 20th St., who preached on the subject before a congregation that filled the church Sunday evening.

Women in the so-called "fast set" who play games of chance with their guests he characterized as far lower in moral tone than the meanest player in a gambling resort.

Dr. Burrell's congregation includes many families whose homes are in 5th av. or the bordering streets, and his words made a deep impression on everyone who heard them. He chose for his text the following verse of the parable of the talents—Matthew xxv: 13: "The kingdom of heaven is as a man taking a journey into a far country, who called his servants and delivered unto them his goods."

In beginning, Dr. Burrell spoke of talents divinely entrusted to us, and of the final accounting that mankind must make to God. This led the preacher to the use men and women make of wealth, and gradually the question of gambling was introduced.

"There are men who use their talents against their fellowmen," said Dr. Burrell. "The rum-seller is killing men, de-populating homes and beggaring wives and children. The gambler is another. They surely cannot have a place in the kingdom of heaven."

Government Institutions Endorse Japanese Catarrh Cure as the Only Permanent Cure for Catarrh.

CURED EVERY CASE WHERE THE REMEDY WAS TRIED.

Catarrh is one of the diseases which should not be experimented with, every day's neglect allows it to spread deeper and deeper until the final result, then finally consumption sets in, for which there is no cure. Thousands who have suffered for years from catarrh proclaim Japanese Catarrh Cure the only permanent cure. It will cure you.

Mr. A. E. Wilson, Principal, Government Indian Home, Eklahoma, writes:—"Some time ago we purchased three boxes of Japanese Catarrh Cure, and must say I have wonderful results in every case tried. It certainly is an article of unequalled merit."

Japanese Catarrh Cure is not a powder, it is a pleasant, healing, penetrating, Violefluminate, it is easy to use, requires no instrument of any kind, it reaches every catarrhal diseased portion of the mucous membrane, and permanently cures catarrh, wherever located. Sample box free. Enclose a cent stamp. Address: The Griffiths & Macpherson Co., Limited, 121 Church St., Toronto. Sold by all druggists, 50 cents.

DR. SMITH'S ADVICE.

An Honest and Earnest Friend of the Sick Speaks.

He Tells His Patients to Use Dodd's Kidney Pills, and the Results Prove His Wisdom in So Doing.

Nicolet, Que. Mar. 29 (Special).—Dr. W. Smith, of this place, reports two cases of Kidney Diseases cured by Dodd's Kidney Pills, which are very striking testimonials to the merit of this great medicine. The subjects are, Mr. Caleb Rivard and Mr. J. Joseph Hamel.

Mr. Rivard suffered from incontinence of the urine day and night. He was so worried by the discharge of urine at night that he purchased from Dr. Smith a rubber instrument to protect his bed. Dr. Smith advised Dodd's Kidney Pills. He bought some, and soon reported to the doctors that he was quite cured. The trouble had entirely disappeared.

Mr. Hamel writes of his case:—"I suffered with Kidney Disease for three or four years so bad that I would have to lay off work two or three days every week. I was continually sick, and was forced to walk like an old man, being all bent with the pain. I had lost all my energy. I heard of Dodd's Kidney Pills. After I had taken a few doses, I was delighted to find myself improving. This encouraged I continued, and after the third box my trouble had entirely disappeared. I could stand and walk upright without any pain or stiffness whatever. This is over six months ago, and I have not had the slightest return of the trouble or pain."

These cures have caused quite a sensation in this neighborhood, as both gentlemen are well known. Dodd's Kidney Pills are very popular in Nicolet.

MAY BE MURDER.

Suspicious Circumstances Surrounding the Death of a Carleton County Man.

Bath, Carleton Co., March 28.—David Crane came into the village today in search of a coroner to hold an inquest on the body of his uncle, Peter Sparks, who he claims died from the effects of ill treatment from some of his neighbors in a drunken carousal. His story was as follows: On Tuesday afternoon Sparks was splitting wood at his own door, when two young men called, and he went away with them, going to the place of Albert De Merchant, where the night was spent in drinking and quarrelling. Sparks was

brought home some time in the early morning very much battered up, and it was thought necessary to call in a physician, who pronounced his injuries fatal. He died this morning about 8 o'clock. Drs. Atkinson and Brown are holding a post mortem examination this evening. Coroner Mr. M. E. Connors will hold an inquest tomorrow. Sparks was about sixty years of age and unmarried. The community is very much excited over the matter, and Sparks was a very harmless, quiet man when left alone.

You Ought to Know This:

Bronchitis Asthma can be cured by inhaling Catarrhazone. So says Captain McDonald, of Kingston, Ont., who was positively cured, after years of suffering, by Catarrhazone.

Mrs. Dinmore, Shubenacadie, N.S., says: "Catarrhazone cured me perfectly of Bronchitis and Catarrh of the nose and throat."

Mr. Wm. Pollock, Plym, Ont., says: "Catarrhazone positively cured me of Bronchitis."

"Catarrhazone relieves quickly, cures surely, is safe, pleasant, and guaranteed to cure. Two sizes 25 cents and \$1.00. Druggists or N. C. Polson & Co., Hartford, Conn.

"Why Do They Do It."

It is said by close observers that ladies always put the left stocking on last. Science has never taught us why and we cannot throw any light on the matter. We do know however that they have received at Edgecombe's several cases of new and seasonable hosiery direct from the manufacturer in England and of splendid value.—d.

Valuable Advice to Rheumatics.

Eat meat sparingly, and take very little sugar. Avoid damp feet, drink water abundantly, and always rely on Polson's Nerviline as an absolute reliever of rheumatic pains. Being five times stronger than other remedies, its power over pain is simply beyond belief. But a large 25 cent bottle today, test it, and see if this is not so. Polson's Nerviline always cures rheumatism.

Eat what you like.—Give the digestive organs some work to do. These functions need exercise as much as any part of the human anatomy, but if they're delicate, give them the aid that Dr. Von Stan's Pineapple Tablets afford and you can eat anything that's wholesome and palatable—60 in a box, 35 cents.—8
