

BIG YACHT RACE.

Yankee Boat Won on Time Allowance.

LIPTON MUCH DISAPPOINTED

But Acknowledges Fair Defeat.

New York, Oct. 5.—With victory flags floating from her towering masthead and the ends of her spreaders in honor of her concluding triumph in the cup races of 1901, the gallant sloop Columbia returned to her anchorage last night under the escort of the entire excursion fleet. She yesterday completed her defense of the honored trophy in another stirring race with the Shamrock II, over a leeward and windward course of 30 miles, crossing the finish line two seconds behind her antagonist, but winning on the time allowance conceded by Lipton's boat by 41 seconds. And plucky Sir Thomas Lipton, on the Erin, led his guests in three hearty huzzas for the successful defender.

"She is the better boat," he said, "and she deserves to be cheered."

The challenger yesterday gained slowly but steadily all the way out and rounded 49 seconds before the defender, having actually gained one minute and four seconds. Immediately after the yachts turned for the beat home, the breeze moderated and turned fluky. At one time Columbia seemed a mile ahead, when a sudden cant of the wind allowed the Shamrock to point toward the mark and a mile from home the challenger appeared to be leading by fully a mile. One hundred yards from home the two racers were almost on even terms. It was a pretty sight and one seldom witnessed when they crossed rail to rail, the white yacht's bowsprit just lapping the golden boat's mast.

What Lipton Said.

While taking his defeat gamely, Sir Thomas Lipton made no attempt to conceal his disappointment.

"I am very much disappointed," he said. "I can't hide that. I thought within 15 minutes of the finish that we had won. When I looked around the situation was changed and we had lost. It was a hard blow to be so near winning and then to lose. I should like to have got one race just by way of consolation. It is a very hard thing to be beaten by a breath—by a few beats of the pulse. It has been a severe strain on me. I have worked so hard for many months now and I am glad it is over. To have won would have been a joy greater than today's disappointment. Columbia's win today was fair and square and honorable. There is nothing to protest if I wanted to protest. In fact I have a feeling in my heart that if there had been any error in judgment at all it would have been in my favor. If there had been any possibility of choice in the matter I believe the New York Yacht Club would have given me the race. Sometimes a man may have the better boat, but even having it must have a wee bit of luck with him. I am very much grieved, indeed, very much grieved, and," he added, "I should have liked to have won one race."

THE OLD FOLKS AT HOME

Are Never Without Peruna in the House for Catarrh, Coughs and Colds.

MR. AND MRS. PETER HOFFMAN, KYLERTOWN, PA.

MR. PETER HOFFMAN, Kylerstown, Pa., writes:

"I was deaf for five years and could find no help. I was completely deaf; was afflicted with shortness of breath, bronchitis, trouble in the throat, so that I was in misery. Through one of Dr. Hartman's almanacs I decided to try Peruna, and bought a bottle.

"I took three bottles and now feel real well; my hearing is good again; I can breathe without difficulty; my throat is no longer inflamed. I followed all the directions, and can now say that Dr. Hartman's Peruna has cured me.

"I recommend it to all suffering with catarrh. I am seventy-one years old, have an appetite again and can work. I feel ten years younger."

When old age comes on, catarrhal diseases come also. Systemic catarrh is almost universal in old people.

This explains why Peruna has become so indispensable to old people. Peruna is their safe-guard. Peruna is the only remedy yet devised that meets these cases exactly.

Such cases cannot be treated locally; nothing but an effective systemic remedy could cure them. This is exactly what Peruna is.

Peruna can be obtained for \$1.00 a bottle at all first-class drug stores in Canada. "The Ills of Life," which can be secured at all up-to-date drug stores, and upon request is sent free to all, gives a short description of all catarrhal diseases. Address Dr. Hartman, Columbus, Ohio, U. S. A.

Mrs. Peter Hoffman also writes:

"I was sick for many years; suffered with the liver, stomach and kidneys. I had seven doctors, but none could cure me, as they did not know what ailed me.

"Every one who saw me said that I could not live very long. I began to take Peruna and grew better every day. The severe pains in the stomach have disappeared. I am now well and have a good appetite. I am seventy years old and can do my work without getting tired.

"Peruna is the best medicine in the world for catarrh. Your good Peruna has saved my own and my husband's life."

Mr. Robert Metters, of Murdock, Bass Co., Neb., Box 45, writes:

"I had catarrh from my head all through my system. I took Peruna until I was entirely cured. I am eighty-three and a half years old, and feel as young as I did ten years ago.

"I visited recently among some old friends, who said I looked as young as I did twenty years ago."
