

LOCAL EVENTS.

The News of the City and Vicinity

SINCE YESTERDAY.

General, Social, Personal and Political Items of Interest.

Weather Probs.

(Special to the Daily Herald).

Toronto, July 31.—Maritime.—Moderate to fresh southeasterly to westerly winds, local showers or thunder storms with fair intervals. Thursday, moderate to fresh to westerly winds, fair.

Police Court.

A colored gent arrested by Policeman O'Neill, for being drunk and fighting on King street, last evening, was fined \$4 at the police court this morning.

Royal Arch Chapter.

A special meeting of the members of the Royal Arch Chapter F. and A. M., is to be held at the Masonic hall tomorrow evening at eight o'clock, to arrange for sending delegates to the Grand Lodge.

Government Meeting.

The local government held a short session last evening but nothing except routine business was transacted, and at 10.30 o'clock the meeting adjourned to convene in St. John this afternoon. The members of the government went to St. John by the 9.20 train this morning.

A Houlton Excursion.

The local order of Foresters have decided to run an excursion to Fredericton in the near future. The date has not yet been fully decided on, but it is thought it will be about the middle of August. Posters giving full information will be distributed about town in a few days.—Houlton Cor. Bangor News.

Grand Pythian Lodge.

The Grand Lodge of the Knights of Pythias is to meet at Charlottetown on August 13th. J. D. Fowler, W. S. Hooper, T. A. Wilson, A. E. Massie and others from this city will attend, and it is likely that Fowler division of the uniform rank will make the trip, providing a satisfactory rate can be obtained from the railways.

What Can This Mean.

Two Fredericton aldermen took no part in the reception to the governor general yesterday. They claim that the committee in charge of the arrangements slighted them. It is reported in this city last evening that the cause of their non-attendance was that they could not obtain "heavers" large enough to fit their heads.—St. John Telegraph.

Lumbering Notes.

The water in the river is very low, and the contractors for the corporation drive have been obliged to suspend operations for the present. Kilburn's drive, at Big Rapids, has not yet been moved, and there are quite a number of logs stranded below Grand Falls. It is thought rafting operations at the Douglas and Sugar Island Booms will cease the first of next week.

To Cross the Water.

Albert W. Edgcombe, Arthur A. Shute, Thomas Allen and William Walker, left this afternoon for Montreal whence they sail on the S. S. Lake Ontario, Friday morning, for a trip to England. They expect to be absent six weeks. Their numerous friends will unite with the Herald in wishing them a pleasant trip and a safe return.

The Millville Case.

The case of Thomas Kennedy and Edward Appleby, the Millville men charged with interfering with the rights of the C. P. R., was taken up by consent at the police court this morning after an adjournment of several weeks. A. J. Gregory appeared for the prosecution and J. H. Barry, K. C., for the defendants. The case is being continued this afternoon, the defendants giving their evidence.

Base Ball Notes.

The Chatham Stars are to play the young Tartars in Scully's field tomorrow and Friday afternoons.

The Caribous beat the Roses again at St. John yesterday, taking four straight games home with them from that city.

The Halifax Resolutes play the Alerts at St. John August 16 and 17, Houltons at Houlton 19 and 20, and Roses at St. John 21.

The Halifax Herald says that Monday's game between the Resolutes and Standards in which the former won 5 to 4, was a battle between the pitchers, Stackpole and Tibbitts, and both men were on their

mettle. Stackpole for the Resolutes, struck out 11 men and Tibbitts struck out 6. Tibbitts also did good work at the bat for the Standards. He got 2 runs, 3 base hits, 1 put out, 1 assist and had no errors.

HANSON-CAMERON.

Early Morning Wedding at St. Ann's Church.

St. Ann's Church was the scene of a quiet wedding at six o'clock this morning when Mr. Augustus Cameron of the firm of Cameron & McTavish, merchants of St. Stephen, was united in marriage to Miss Helen Daisy Hanson, third daughter of Mr. and Mrs. Edgar Hanson, of this city. Rev. Canon Roberts tied the nuptial knot in the presence of only immediate friends and relatives of the contracting parties. The bride was given in marriage by her father and was unattended. She was becomingly attired in a travelling costume of castor broadcloth, and a brown Gainsborough hat, and carried a shower bouquet of white.

Immediately after the ceremony the newly wedded couple were driven to the C. P. R. station and boarded the early train for St. John en route to Digby, where the honeymoon will be spent. They will take up their residence at St. Stephen at the end of a fortnight.

The bride who for several years has been a valued member of the teaching staff of the St. Stephen school, has a large circle of friends, and her popularity was attested by a host of valuable wedding presents. From the bridegroom she received a beautiful diamond pendant, and her parents and brother each presented her with substantial checks. Mr. McTavish, business partner of the bridegroom, presented her with a beautiful silver tea service.

The bridegroom is a brother of John Cameron of the Fredericton post office staff, and is a well known and highly respected citizen of the border town.

Distinguished Visitors.

Senator R. dford Proctor of Vermont, a distinguished American statesman and a former secretary for war, arrived in the city by the late train last evening accompanied by his daughter. They were out bright and early this morning for a drive about the city, and boarded the Steamer David Weston for St. John. The Senator has lately been on a trip to Grand Falls on business in connection with the Grand Falls Power Company of which he is one of the promoters.

G. W. Vannars and wife of New York are spending a few days in the city, guests at the Queen. Mr. Vannars who carries on a brokerage business on Wall street is a most agreeable gentleman and has already made the acquaintance of a number of citizens. Both he and Mrs. Vannars are enamored with the beauty of Fredericton and are thoroughly enjoying their visit.

Early Closing.

The meeting of grocers in Estabrooks Bros.' store last evening was attended by the Messrs Estabrooks, G. T. Whelpley, W. H. Vanwart, W. R. Logan, C. Burt, E. G. Hoben, A. E. Eardley, Jas. A. Bell, John Owens, Vernon Matthews, Arthur Gibson and a representative of Barker's White Store. It was unanimously decided by those present to close their places of business in future at 7.30 o'clock on each evening of the week except Saturday. The change is to go into effect on Monday next.

They Were High Minded.

About eleven o'clock last evening a guest at the Waverly hotel while preparing to retire for the night noticed three men walking about on the roof of the three story brick building used by Lemont & Sons as a store. Policeman O'Neill was notified and paid a visit to the locality, but when he arrived the men had vanished, and no trace of them could be found. The supposition is that the men were trying to effect an entrance to the store by means of the skylight.

Around the World.

Montreal, July 31.—Lorenzo Prince, of La Presse, who started out May 27 to break the record for circling the globe, arrived here last night, having performed the feat in 64 days, 16 minutes, which La Presse claims is the record. Fitzmorris, the Chicago journalist, performed the feat in 60 days, but it is claimed violated conditions by using special trains. Prince covered over 20,000 miles.

Through the columns of the press of other cities in which the musical farce "A Wise Woman" has been seen, it would seem that this latest work of Wilfred Clarke's is the greatest success that its brilliant author has ever had. Miss Marie Lamour and Frederic Murphy, who are being featured in the play, have risen to the occasion and made a hit quite as pronounced as the clever comedy.

Mr. and Mrs. Parker Glasier of Lincoln, are visiting the city and spent Sunday with Mr. and Mrs. Estey at Nauwigewauk.—St. John Gazette.

EARLMINTO'S SPEECH

In Reply to the Civic Address of Welcome

REGRETTED THAT HIS STAY IN FREDERICTON WAS SHORT

Other Matters Touched upon by His Excellency.

CANADA'S GLORIOUS PART IN THE SOUTH AFRICAN WAR.

Following is the full text of the Governor General's speech in reply to the civic address presented by Mayor Crockett at the Parliament buildings on Tuesday:

Your Worship,—I deeply appreciate the kind and enthusiastic welcome to the city of Fredericton, extended to me today, on my first official visit as Governor General, to the capital of New Brunswick. I have long wished to pay you a visit, and I can only deeply regret that the calls upon us have been so very great that it is impossible for us to make a longer stay than we are now doing. It is very difficult, in fact, impossible, for me to express to you the many calls which my official position makes upon my time, and which I feel bound to fill. I regret very much that our visit is so short. We would like to stay for a longer period.

You have alluded in flattering terms to my services in Canada upon the staff of Lord Lansdowne. I only hope that the experience I gained at that time—and I feel it will help me—will increase my interest in the country and will enable me to take greater interest in the sympathies and prosperities of the Canadian people. I assure you that I will always watch with great interest the development and prosperity of the Dominion of Canada, the future of which is very bright, and I shall always wherever I am, look to Canada as a place where I have very many friends.

You have expressed in most felicitous terms your loyalty and that of the people of this city, to the crown and person of our Gracious Sovereign, King Edward VII., and you have told us how the people of this city together with the rest of the Dominion of Canada, share in the great grief which has fallen upon us all in the death of our late beloved Sovereign, Her Gracious Majesty Queen Victoria, the greatest Queen that ever lived.

You have also referred to the great war through which the empire has passed during my term of office. Canada has taken a great and glorious part in that struggle, and while we have our griefs in the loss of some of our noble and beloved sons as well as our joys in victories won, we all rejoice in the part that Canada took and the manifestation of loyalty to the mother-country, and you have demonstrated to the world at large the unity of the empire.

I thank you Mr. Mayor for your kindly allusions to Lady Minto and to the interest she takes in the prosperity and welfare of the people of Canada.

I assure you that we shall carry away from your city the most kindly recollections of the cordial reception you have given us and only regret that we have to leave here so soon. (Applause.)
