Catarrh can be Cured.

Japanese Catarrh Cure is the
only Permanent Cure ever
discovered for Catarrh.

SAMPLE TREATMENT FREE.

There are a thousand and one so-called cures
for catarrh. Most of them contain dangerous
narcotics. They relieve at the time, but it does
not last. Now that is just where Japanese
Catarrh Cure differs from all other so-called
catarrh remedies. It cures and the patient
stays cured. It performs when others promise.
Japanese Catarrh Cure is absolutely certain in
its effects and has never yet failed to cure any
case of catarrh, when persistently used. It is
a soothing, refreshing and healing ointment,
which is inserted up the nostrils, when it is
quickly breathed up to the seat of all the
trouble, purifying, healing and vitalizing the
diseased membrane, and the trouble won't re-
turn. We do not ask you to take our word for
this. We can prove it by recommendations
from physicians and thousands of testimonials.
We want you to prove it by sending for a
sample box, which you can have absolutely free
of charge. Send 5 cents for postage, etc., to
The Griffiths & Macpherson Co., Limited, 121
Church St., Toronto. Sold by all druggists.
Price, 50 cents.

W E Findlay, a graduate of McMaster
University of the year 1896, has just
received an appointment as tutor in
mathematics in Columbia University,
New York. H E Jordan, another gradu-
ate of McMaster, of the class of 1900, and
also a specialist in mathematics, has been
awarded a fellowship in Chicago. The
fact that he has received this honor be-
fore going to Chicago is an evidence of
of the reputation of McMaster graduates
at that university.

HOUSEHOLD HINTS.

Save your cold tea for the vinegar bar-
rel. It sours easily and gives color and
flavor.

Cleaning windows with borax instead
of ammonia or soap takes much less time
than the ordinary way and is a success.

Never buy butter which has a milky
look or is dotted with pink spots. This
is a sign that it has not been thoroughly
washed from the buttermilk and will
quickly turn sour or lose its flavor.

To clean chandelier globes that have
become smoked and grimy they should be
left for some minutes in hot water in
which a piece of washing soda has been
dissolved. Afterward wash them in hot
water with a little ammonia, scouring the
discolorations with a small, not too stiff,
brush.

THE HOME DOCTOR.

An excellent gargle for sore throat or
hoarseness is made by boiling a teaspoon-
ful of pure honey in a cup of water.

Cinders or any of the particles that
seek lodgment in the eye are best re-
moved by first closing the eye until it is
filled with tears. Next turn the lid back
and use the edge of a handkerchief or a
looped hair to remove the cinder.

Common, everyday earth is a cure for
many an ache or pain. In the case of a
burn from an acid the chief thing is to
apply an alkali to neutralize the acid.
This may be done by gathering a hand-
ful of earth and laying it on the injured
part, for the earth contains alkali enough
to render it very efficacious. Soda may
be used for an acid burn.
