St. John Civic Elections.

Very little interest was manifested in the St. John civic elections yesterday, and the vote polled was small. For alderman at large A. D. Hilyard, brother of Postmaster Hilyard of this city and Ald. Saxon were re-elected, defeating E. C. Wilson, 1509, 1624, 657. In Lansdowne Ward Ald. Christie beat Dr. J. M. Smith, 1500 to 592. Mayor Daniel and all the other members of the council were re-elected by acclamation last week, and the council's personnel is exactly the same as last year.

Died from Exposure.

The body of the old man, Ichabod Powell, who has been missing from his home in Little River, Cumberland Co., N. S., was found Monday night by

searchers, two miles from Oxford, the discovery being made by Councillor A. M. Ross. When found the deceased was partly lying on his right side, with his hands folded across his body, and had apparently been dead about ten days, the face being much decomposed and the hands frozen. The inquest returned a verdict that death was due from exposure and exhaustion while lost in the woods.

Western Visitors.

H. D. Hallett, C. E., and wife of Aurora, Ill., who have been spending a few weeks at Douglas with his father Josiah Hallett, and at Marysville with his brother, Station Agent Hallett, will start on their return trip to the west tomorrow. He makes a specialty of hydraulic, electrical and sanitary engineering, and his duties frequently call him to different parts of the state.

A Chance for a Bargain.

As will be seen by advertisement in another column, James Farrell is offering for sale his entire driving outfit, consisting of a horse six years old, extension top buggy, light wagon, truck wagon, punge, harness, etc. The carriages and punge are almost new and will be sold at a sacrifice. The horse is stylish, sound and kind and a capital roadster. Intending purchasers are invited to call at the owner's stables on King street and inspect the outfit.

Mrs. McFarlane's Illness.

Adams, Burns & Co., of Bathurst were the applicants.

CREDITORS' MEETING

Statement of the Affairs of A. Lo timer Who Late-ly Assigned.

MESSRS. R. S. SAVAGE AND L. H. HIGGINS APPOINTED INSPECTORS.

Liabilities Amount to \$6,850 and Assets to \$4,174.40.

THE STOCK WILL BE SOLD BY TENDER TO THE HIGHEST BIDDER.

A meeting of the creditors of Andrew Lottimer, boot and shoe dealer, who lately made an assignment, was held at the office of J. W. McCready yesterday afternoon. Those in attendance were L. H. Higgins, representing L. H. Higgins & Co. of Moncton; A. J. Gregory, representing Mrs. Julia Lottimer; John Palmer representing himself and the assignee, John Kilburn; R. T. Hayes representing J. M. Humphrey & Co., St. John; J. D. Pinney, K. C., representing the Shediak Boot & Shoe Co.; R. L. Savage, representing the Hart Boot & Shoe Co. and Amer Holden & Co.; Jas. W. McCready and W. T. McLeod. In the absence of the official assignee John Palmer was elected chairman of the meeting.

A motion to confirm the appointment of John Kilburn as assignee was carried by a vote of 31 to 7, the representative of the Shediak Boot & Shoe Company constituting the minority.

Messrs. L. H. Higgins and R. L. Savage were appointed inspectors. Offers for the purchase of the stock from M. Fickler & Co., J. P. McManus, M. L. Savage and Morley Lottimer were submitted to the meeting, and Messrs. Higgins, Savage and McLeod, and Hayes were appointed a committee to look over the stock and make a recommendation to the meeting, after which an adjournment was made until 8.30 o'clock this morning.

The meeting convened this morning at the hour above named, and received a report from Mr. Higgins, from the committee appointed to examine the stock. The committee were of opinion that the highest offer received was quite satisfactory, but as only local dealers had been allowed to tender they thought it no more than right that outsiders should be given a chance. They therefore recommended that a notice be inserted in the St. John and Fredericton papers by the inspectors, calling for new tenders for the purchase of the stock. The report was adopted and the recommendations were ordered to be carried out.

THE RIVER STEAMERS.
First Regular Boat From St. John Arrived in Port.

The steamer Aberdeen, Capt. Norwood, arrived in port last evening, from St. John with a number of passengers from points down river. She also had on board considerable freight consigned to river merchants, and has been adding to her cargo today. She will leave at six o'clock tomorrow morning for Woodville, and will remain on the route as long as navigation permits. On the way up yesterday the Aberdeen was run into by the tug Dirigo near the lower booms, and had a portion of her guard railing on the port side carried away. The Dirigo came up alongside to take some freight on board, and the collision was the result of an error of judgment on the part of her Captain. The damage was repaired this morning by J. H. Smith.

The David Weston, arrived from St. John this afternoon on her first regular trip of the season. She had a large passenger and freight list, and made a very good run considering the strong current she had to contend with. She will leave here for St. John tomorrow morning at eight o'clock. The steamer Victoria is expected up tomorrow afternoon.

May be a Saw-off.
The St. John Globe is responsible for the following: "It is now pretty generally understood that the public will hear no more of Mr. G. W. Fowler, M. P.'s suit against Councillor Gilliland, of Robesay for his failure to fully discharge his duties in connection with the Robesay voters' lists. Another suit that it is understood will drop out of sight is that of unseated Mr. Fowler for alleged illegal practices in connection with the last Dominion elections. How far the discontinuing of these two suits is a matter of arrangement between the parties interested may never be known, but that

neither is to be fought out will cause most people to think that a saw off has been arranged.
