The York Election Petition.

Argument in the York election case was concluded by Mr. Gregory before the Supreme Court yesterday afternoon, and the court granted a rule nisi with stay of proceedings returnable at the Easter term of the court which meets in April. A grand carnival is to be held in the Marysville rink on Tuesday evening next, Feb. 12th. WITH BULLER TO LADYSMITH.

Interesting Lecture at the Junction by Sergt. Major Cox.

Sergt. Major Cox was greeted with a most enthusiastic reception at Fredericton Junction last evening, upon the occasion of his lecture in aid of the new church. His thrilling account of the engagements resulting in the relief of Ladysmith introduced a new phase in the war story as related by recent lecturers, and the gallant young Sergt. Major captivated his audience.

Considering the exceedingly unfavorable conditions of the roads and the weather, the attendance was large.

The Rev. H. E. Dibblee presided and made a brief introductory address.

After the Sergt. Major had spoken for upwards of an hour an intermission was made, when the ladies of the church served cake and coffee, while the "lion" of the evening was introduced personally to a number of the people. Upon resuming his lecture numerous personal anecdotes were drawn from the modest young Canadian hero, which were greeted with tremendous applause. The appreciation of his audience stimulated the lecturer, and it was close upon 11 o'clock before he was allowed to close his address, which from every standpoint was admirable and unique—a memorable occasion in the village life of Fredericton Junction.

Dr. Murray in very feeling and strong terms moved a vote of thanks which was spoken to and seconded by Lt. Col. Alexander, and upon a call from the chairman, three rousing cheers and a tiger conveyed to the Sergt. Major the intimation that the motion had been favorably received.

THE DEATH PENALTY

To be Meted out to Boxer Leaders in China.

MANY HEADS WILL FALL IN THE BASKET.

Prince Tuan My Escape With Banishment for Life

(Special to Daily Herald.)

Peking, Feb. 6.—The ministers definitely decided at a meeting held last night to demand the imposition of the death penalty upon all twelve of the Chinese officials named in the list submitted, including, for the purpose of the moral effect upon the Chinese, Kang Yi and Li Wing Heng, who are dead. The sentence on the living must be inflicted except in the case of Prince Tuan and Duke Lan which the Emperor may commute to banishment to Turkistan.

The officials whose punishment was demanded are Prince Chuang, commander in chief of the Boxers, who had a large share in the responsibility for promise of rewards of fifty taels for the capture of foreigners, and the death of persons protecting them.

Prince Tuan the principal instigator of the troubles into which he dragged the Chinese government, who was appointed president of the Sang Li Yamen after giving to the Chinese government, who was responsible for the edicts against foreigners issued between June 20 and Aug. 16 and was mainly responsible for the massacres in the provinces especially.

Span Si, who ordered the troops to attack the legations in opposition to the advice of the mandarins who were looking to a cessation of hostilities, who secured the execution of members of the Tung Li Yamen, who were favorable to foreigners, who is the recognized authority of the ultimatum of June 19 directing the diplomatic corps to leave Peking within twenty-four hours, and who ordered before the expiration of this delay firing upon all foreigners upon the streets of the capital, and who are practically the authors of the assassination of Baron Von Kettler, the German minister; Duke Lan, vice president of the police; Ying Nien, who was criminal accomplice of Prince Chuang and Duke Lan in their machinations; Kig Yi, one of the instigators and counsellors of the Boxers; Chao Sa Kiam a member of the grand council and also Minister of Justice who was one of the leaders against the foreigners; Yu Sien, who reorganized the Boxers; Gen. Tung Fui Siang, who with Prince Tuan carried out in Peking the plans against the foreigners and who commanded the attacks on the legations and the soldiers who assassinated the Japanese chancellor; Li Heng Heng, who used his influence to have the Boxers recognized as loyal and patriotic men, and who led the government to use them with the object of the extermination of foreigners; Hien Tong, who has always been one of the official most hostile to foreigners; Hen Chien Yu, who has the same reputation; and Kih Siu, one of the officials most hostile to foreigners and who was the minister at the rights of service of the Boxers.

The ministers announced that these personages all deserve death. When this question shall have been settled the foreign plenipotentiaries will have to indicate who to their knowledge, committed crimes in the provinces for which punishment will have to be inflicted. They will also present to the Chinese board before its publication in order to prevent misunderstanding, the text of the edict referred to in the article ten of the collective note.

Feb. 4.—We had a fall of ten inches of snow last Thursday, and as a high wind prevailed yesterday it is now mostly in piles along the fences.

Our blacksmith, D. D. Keetch, is kept quite busy fixing chains and shoeing horses for our lumbermen. All are sore of getting a first class job done who patronize Mr. Keetch.

We trust that the government will take an interest in our welfare and remove it one mile and a half further up where it formerly was situated. Mr. Wm. B. Parent is the man we have selected for our new post master and we feel sure if he has charge of our office that these faint finding people will then have no cause to complain about it being conducted properly as Mr. Parent is not only capable of managing it properly but is obliging as well. BRIDE WHO SMOKES HAS NO RIGHTS.

Court Decision that Her Husband is Not Bound to Support Her.

Philadelphia, Feb. 4.—That a husband is not bound to support a wife who smokes cigarettes is the effect of a decision made by Judge Finletter in the Deserion Court to day.

Herbert Stanlan was before the court charged with non-support of his comely young wife, Marie, to whom he has been married only six months. The woman stated that her lord had failed to provide either a home or funds for her.

The Judge was about to make the usual order for Herbert to pay his wife's counsel asked the wife if it were true that she smoked cigarettes.

"I smoke them," was the snappy reply. Then the lawyer asked her to show the Judge her finger's that he might see the nice incense stains on them.

"Is that a fact?" queried the Court, as he tried to get a glimpse of the fingers which Mrs. Stanlan would not show. "I will not make any order in this case and now declare it dismissed," he announced with emphasis.

MRS. NATION'S CRUSADE.

The Saloon Wrecker Preparing to Make A Descent on Chicago and Kansas City.

(Special to the Daily Herald.)

Kansas City, Mo., Feb. 6.—Flaming bills have been posted in this city, announcing that Mrs. Carrie Nation, "the bravest woman in America," now leading the most wonderful crusade ever waged against the rum traffic, is on her way to Chicago, accompanied by a band of her saloon smashing warriors, and will speak at the Academy of music in Kansas city on Friday evening, Feb. 17.

Just what tactics Mrs. Nation will pursue in Kansas City and Chicago aside from her lecture is not known. The Chief of Police Hays says he will arrest Mrs. Nation if she attempts to put her methods into practice in this city.

Preparations for Mrs. Nation's coming have been made by the prohibition clubs of Kansas City, which have endorsed Mr. Nation's methods, and promised active support in her crusade outside of Kansas.

If you intend entertaining your friends at a social dance have your invitations and programmes printed at the Herald office.
