The News of the City and Vicinity

SINCE YESTERDAY.

General, Social, Personal and Political Items of Interest.

Weather Probs.

Special to the Daily Herald.

Toronto, Jan. 30.—Moderate westerly winds, fair and cold. Thursday, winds shifting easterly, snow or rain by evening.

Washington, Jan. 30.—Eastern States and Northern N. Y.—Snow tonight and Thursday, probably becoming heavy, falling temperature Thursday, fresh to brisk westerly winds, becoming more westerly and probably high on the coast.

A Public Holiday.

Our city fathers are desirous that Fredericton shall not be behind other Canadian cities in showing its loyalty and respect to our late sovereign. They therefore request that all places of business be closed on Saturday next, and a public holiday observed.

Cathedral Service.

It has been decided to hold a special service at the Cathedral on Saturday at eleven a. m., as a tribute of respect to the memory of our deceased sovereign. Lieut. Col. Dunbar and the officers and attached officers and men of the R. C. R. I. will attend in uniform.

Col. Robinson's Funeral.

The funeral of the late Col. Robinson will take place from the residence of Bishop Kingston, at two o'clock tomorrow afternoon. The remains will be taken to St. John church, Newswalks, where services will be conducted by Rev. Benson Bellis, and interment will be made in the Episcopal cemetery at that place.

The Late Mrs. Shute.

The funeral of the late Mrs. S. F. Shute took place from her home on St. John street at two o'clock yesterday afternoon, and was attended by a large number of sorrowing friends. The remains

were taken to the Cathedral where an impressive service was conducted by Rev. Canon Roberts. Interment was made in the old burying ground, Brunswick street. The pall bearers were W. T. Whitehead, H. B. Rainsford, Major Cropley, D. E. Crowe, R. S. Barker and G. E. R. McDonald. John G. Adams had charge of the funeral arrangements.

Memorial Service.

A union memorial service to our late Sovereign is to be held in St. Paul's church on Saturday morning at eleven o'clock. Special music will be provided by the united choirs of several of the city churches, and a number of clergymen will take part. Extensive preparations are being made for the affair, and it gives promise of being one of the most interesting and impressive services ever held in this city.

Will Visit the St. John Valley.

Hon. Sydney Fisher, minister of agriculture, passed through St. John Tuesday, by the C. P. R. express en route from Nova Scotia to the upper provinces. In conversation with a Sun man, Mr. Fisher said he was delighted with the appearance of Fredericton, and was so much interested in what he had heard about the agricultural wealth of the valley of the St. John river that he would take the first opportunity which his official duties would permit to visit this region of New Brunswick when the snow was off the ground and he could see just what the prospect really was.

Farms at Auction.

Auctioneer D. J. Stockford sold three farms at auction under mortgage in front of the post office at noon today. One belonging to Juliette Day of Dumfries and another to James Smith of Hanwell were bid in for \$10 each, and the third owned by Sarah Jane Morse of Queensbury was bid in for \$500. A. J. Gregory purchased all three for the mortgagee, O. M. Hart.

Lived in Five Reigns.

William F. Dibblee of Woodstock, father of Geo. Y. Dibblee of this city, if he lives till August next, will be 91. He is extraordinarily hale and hearty, not appearing more aged than most men at 70. The present king is the fifth sovereign who has occupied the throne during Mr. Dibblee's life.

Leave Extended.

The militia department has extended the leave of Capt. D. I. V. Eaton, now in this city, to Feb. 28, and Capt. A. H. Macdonnell's to Feb. 25.

THE CHICAGO SHOW.

New Brunswick Will Have a Creditable Exhibit.

The guides who are to represent New Brunswick at the Chicago Sportsmen's Show have not yet been definitely decided upon, but it is understood that the party will include such celebrated big game chasers as Henry Braithwaite of this city, Adam Moore of Scotch Lake, Harry Allen of Penniac, and Robert Armstrong of Newcastle. The names of George Armstrong of Perth Centre, and Thomas Pringle of Stanley are also mentioned as likely to be of the party.

The promoters of the movement recently held a conference with Surveyor General Dunn, who intimated that he would be pleased to place at their disposal any specimens in the fine collection of stuffed birds and animals at the Crown Land office that they might wish to include in their exhibit. Regarding financial assistance he, of course, could do nothing for them without first obtaining the consent of his colleagues.

The guides have decided to exhibit a number of moose and caribou heads, which they will collect in the province, and they will also take with them a large collection of sportsmen's photos, depicting hunting grounds and scenes in this province. It is not improbable that the huge bull moose belonging to the Crown Land office collection, and perhaps a stuffed caribou, may be included in the collection.

The guides greatly appreciate the kindness of the Canadian Pacific railway in offering to furnish free transport for themselves and exhibit, and they feel indebted to the Fredericton Tourist Association for the valuable assistance they rendered in obtaining the important concession from the railway authorities.

The Fredericton Tourist Association has decided to send a representative to the Chicago and New York Sportsmen's shows to superintend the distribution of their literature.

A Peculiar Case.

A gentleman who lately returned from a business trip up river, tells of a case which is creating considerable talk among the people of Edmundston. It appears that a resident of that place named Herbert, a relative of the popular and versatile Felix Herbert, of hotel fame, has been under the doctor's care for some weeks undergoing treatment for what was generally supposed to be consumption. He seemed to be failing gradually, and his friends and relatives had arrived at the conclusion that his stay on earth was to be of short duration. Imagining their surprise therefore, when a few days ago the announcement was made that he was on the mend and would probably recover his health and strength. On enquiry it was learned that the patient had a short time before caught up a quantity of hay, swallowed by him last summer, and immediately after ridding himself of this unwholesome dose, began to show signs of improvement. The Herald gives the story to the public for what it is worth.

Lieut. A. B. Nagle of the R. C. R. I., is to leave on Saturday for Kingston to take a course at the Royal Military College.

It is Major Macdonnell.

The Ottawa despatch published a few days ago, which stated that Major H. Macdonnell of the R. C. R. I., had been posted to No. 4 Regimental depot from March 20th, seems to have been incorrect. The officer who has received the appointment is Major Charles J. Macdonnell of Toronto, and it is generally supposed that he is to take over the command of this depot from Lieut. Col. Dunbar. Major Macdonnell has been connected with the R. C. R. I., for a number of years, and went to South Africa as adjutant of the first Canadian contingent. He has several times served on the staff of brigade camps in the Maritime Provinces and is regarded as a capable officer and good disciplinarian. The major is a graduate of the Royal Military College.

Married at St. John.

Tuesday morning, in the Mission chapel, St. John, Rev. C. B. Kenrick united in marriage J. Fraser Gregory and Miss Helen Myers. A few guests were present. Mr. and Mrs. Gregory immediately left for an American tour. On their return will reside in their new home in Douglas Avenue. The bridegroom is a member of the big lumbering firm of W. H. Murray & Co., St. John, and is the eldest son of Judge Gregory of this city.

Wedding Bells.

Miss Esther Pollock, eldest daughter of Henry Pollock and Ambrose Holt of Boiestown, were married at the home of the bride's parents, Charlotte street, at 2:30 o'clock this afternoon. Rev. G. M. Campbell performed the ceremony in the presence of a few immediate relatives and friends of the contracting parties. The happy couple left by the Canada Eastern Express for their future home at Boiestown.

Aged Clergyman's Death.

Rev. Lewis Jack, a venerable Presbyterian clergyman, died at Buctonch, Monday, aged 85 years. He was a native of Scotland, and came to New Brunswick in 1848. Rev. T. Casperson of North Sydney, a graduate of the University of New Brunswick, is a son of the deceased.

THE DEAN'S TRIBUTE

To the Memory of the Late Queen.

On the invitation of the Montreal Star, Rev. Dean Partridge contributed the following tribute to the memory of Queen Victoria:

The Queen is dead! The news comes to the nation which is unprepared for the blow. Queen Victoria seemed so much a part of the Empire, its work, and its aspirations, that it looked for her to live on and on.

The grief is individual. Each of her subjects has lost one who filled the biggest place in the world's affection, and in his own. "All the land shall mourn, every family apart." The devotion of those who have been fighting, during all these years, has been chiefly to her. And many a time her sympathy has touched a tender chord in all men's hearts. We weep for her as for our mother.

The greatest restraining and counselling influence has passed from the world's affairs. Her wisdom and knowledge surpassed that of her most prominent statesmen. None will feel her loss more than they.

What place will the king take as he grasps the sceptre blamelessly borne by her for sixty-three years?

He will do well. He has great tact, judgment, powers of expression and repression, much dignity, unusual ability. For well nigh twenty years he was trained by the wisest of fathers, and the rest of his life by the most conscientious of mothers. He has been gradually fitted for the task that lies before him. Her mantle falls worthily on him. God Save the King!

FRANCIS PARTRIDGE, D. D., Dean of Fredericton.

Seriously Ill.

Herbert Dunphy, son of Mr. and Mrs. Judson Dunphy of Kingsclear, is seriously ill at Victoria Hospital, and but little hope is entertained for his recovery. He was taken ill last September with an attack of rheumatic fever, and shortly afterwards lost the use of his limbs. Since that time his condition has been one of utter helplessness. He was admitted to the hospital a few weeks ago, and all that medical skill can conceive has been done for him, but there has been no improvement in his condition.

Marysville Assault Case.

Col. Marsh gave judgment at the police court this afternoon in the Marysville assault case. Three fines amounting to \$30 in all were imposed upon Town Marshal Barker, together with costs, and the charge of assault preferred against Harry Gibson was dismissed. The complainant in both cases was Harry Blair, a student in H. F. McLeod's law office.

Memorial Service.

An impressive memorial service was held in St. Andrew's church at Doaktown last evening. Rev. Mr. Montgomery conducted the meeting and almost the entire village showed their esteem for the deceased sovereign by attending.

Depot Burglarized.

Some person or persons burglarized the Canada Eastern railway depot at St. Mary's last night, thoroughly ransacking the place and securing \$450 from the till.

Christ Church Cathedral, Montreal, had a narrow escape from destruction by the Saturday evening. A few minutes past six o'clock the caretaker went to the furnace, and found that the floor was burning around the mouth of the large furnace. Had the fire remained undisturbed a few minutes longer it would have attained such proportions that it would have been extremely difficult to check the flames.

SOLDIERS MUTINIED.

West Indian Guards of Cronje's Men at St. Helena

QUARRELLED WITH BLUE JACKETS,

Raided the Town and were with Great Difficulty Suppressed.

(Special to the Daily Herald.)

London, Jan. 30.—The West Indian troops stationed at the Island of St. Helena, where General Cronje and a large number of Boers are held prisoners, mutinied early during the month, raided the town and terrorized the inhabitants, injured many of them, defied their officers, and were subdued only when faced by the muzzles of rifles. The censor suppressed the news, but the associated press has received the story by mail.

The trouble started with a row on the night of January 1st, between some blue jackets and a party of the West Indians. On the following night the West Indians broke out of barracks and raided the town with clubs and razors tied to sticks. They ran amuck, cutting and beating women and children and men indiscriminately and attacked the sailors.

All the efforts of the officers to suppress the mutineers were futile. When ordered to camp they refused to obey, and threatened to dynamite the town. A strong naval force then was landed, the available troops were collected, and the streets were paraded and guarded all night long. At daylight the troops were drawn up with loaded rifles in front of the palace where the West Indians were barricaded. The latter were ordered to surrender and were notified if they did not do so they would be fired upon. The mutineers were cowed and allowed themselves to be taken to the camp where they are under guard until a troop ship shall arrive to relieve them.
