### A DAY IN BED.

Oh, what is so rare as a day in bed,  
A season of rest complete,  
A day of delight from morning till night,  
With plenty of good things to eat,  
For scientists say, and we must believe,  
If we want a wise, clear thinking head,  
And a body that's tough, of the right kind of stuff,  
We must give it a day off in bed.

Imagine the yawning and stretching and all  
Of the joys such loafing would bring;  
Imagine the bliss of a day spent like this,  
While the world was a-toil and a-swing!  
Just fancy the envy of all fellow men  
Who knew you were bunked for the day!  
Why, the malice you'd spread by your day off  
In bed  
Would more than atone for lost pay.

Oh, naught is so rare as a day in bed,  
Not even a day in June,  
And blest be the man who invented the plan,  
Who deserves a far loftier rune!  
I beg you to try it and see for yourself  
(Though I haven't myself, it is true),  
For there's nothing, I say, so rare as a day  
In bed, unless it is two.  
—Joe Cone in New York Sun.

### Have You Caught a Bad Cold?

Are you sneezing and snivelling, is your head stuffed up? No need for that. Just use Catarrhzone; it is quick relief, and sure to cure. It never yet failed to cure any Cough, Cold, Bronchitis or Catarrh. Thousands have used it with uniform success, and that ought to be proof enough that it will cure you too. The pleasant germ killing medication is breathed from the inhaler into the nasal passages, throat and lungs. It kills the germs and heals the sore membranes; it cures these diseases quickly and for all time. Nothing in the world so satisfactory as Catarrhzone. Druggists will let you try the complete dollar outfit. Remember it is guaranteed cure or your money back. Small size 25c. Druggists or N. C. Polson & Co., Kingston, Ont.

### A DROP OF INK.

A drop of ink, with care and skill combined,  
In ornamental character enshrined.  
A noble thought.  
Another drop went wrong through want of care,  
Fell on my work and marred its texture fair  
With ugly blot.

Thus each of fortune's gifts, 'tis plain to see,  
Used or unused, a potent power must be  
For good or ill.  
Small actions oft with big results are fraught;  
Each word, each look, e'en every passing thought  
Needs guidance still.

## Test of Merit.

If the test of merit is the length of time a proprietary medicine remains a seller, then BURDOCK BLOOD BITTERS is a record breaker. It has now been over twenty years on the market and stands out prominently as one of the biggest sellers to-day. In all that time you can count on one hand all the (\$)

dollar preparations that have sold over 100,000 bottles in any one year. B. B. B. is one of them, and still stands in the first rank, not only as a seller, but in the estimation of those who have used it as a family medicine for the cure of boils, pimples, dyspepsia, constipation and bad blood. Its healing, cleansing and purifying properties manifest themselves in curing all blood and skin diseases from a common pimple to the worst scrofulous sore.

Testimony from one who has used it:  
October 22, 1900.

MRS. PRICE, Hamilton, Ont., says: "About three months ago I was covered with pimples, was very nervous, and had dizzy spells several times a day. I took three bottles of BURDOCK BLOOD BITTERS and it completely cured me. I now recommend it to all my friends."

### POWDER AND BALL.

Krupp's 130 ton gun fires two shots a minute. Each costs \$1,500.

The tube of a 12 inch gun has 50 special grooves, causing its projectile to revolve 75 times per second as it leaves the muzzle.

Clearchus, the Spartan, laid down as one of the maxims of war the statement that a soldier ought to fear his own general more than he did the whole hostile army.

The German naval programme, which, according to the original announcement, was not to be completed until 1916, is now, it seems, to be finished by 1906. In that year Germany will have at least 40 ships, 20 large cruisers and 28 small cruisers.

### THE AMERICA'S CUP.

Designer Nat Herreshoff isn't worrying. He leaves that to the other fellows. —Boston Herald.

Sir Thomas Lipton should have a statue raised by true sports who admire the spirit in which he accepts conditions instead of growling over them. —New York World.

If the American cup defenders call our boat the Independence, Sir Thomas Lipton may call the challenger George III and precipitate the war of 1776 over again.

### Water as a Purifier.

In addition to the purification of air by vegetation, by sunlight and by the winds water is one of the prominent aids in these grand purifying agencies. It is constantly absorbing filth, which in the streams is carried to the ocean and there devoured by millions on millions of creatures made for this purpose. It is well, therefore, if there are foul gases about us, fresh paint or any poisons to have water at hand for absorption, with copers combined, in some instances. Of course this water is unfit for kitchen use, but may be put around the trees or on the garden. It follows that water that has stood in the house for any time and that in any sleeping rooms, sick-rooms, etc., is utterly unfit for use. This applies to medicines, especially liquids, unless kept in tightly corked bottles.

Doan's Pills cure backache, sideache, scanty, cloudy, thick and highly colored urine, diabetes, dropsy and all troubles arising from a weak condition of the kidneys.
