The News of the City and Vicinity

SINCE YESTERDAY.

General, Social, Personal and Political Items of Interest.

Not Promising for Holiday.

(Special to Daily Herald)
Toronto, April 4.—Strong breezes from east, unsettled with rain: Friday moderate to fresh winds, still unsettled, with rain.

No Herald Tomorrow.

Tomorrow being Good Friday and a public holiday, the Herald will not be issued on that day.

Furniture at Auction.

On Saturday morning Captain A. K. will auction off a quantity of household furniture at the former residence of the late Mrs. Jones, Carleton St. Sale begins at 10 o'clock.

St. John Civic Elections.

Next Tuesday will be civic nomination day in St. John, but up to date there is no sign of opposition to the present aldermen. The mayoralty contest will be between Mayor Daniel and ex-Mayor Sears.

Next Week's Concert.

The seats for the L. A. Wilmot Mission Band concert in the Opera House next Wednesday, April 10, are selling rapidly. And no wonder. The programme is an excellent one. Call at McMurtry's at once and secure your seats.

Death at St. Mary's.

Catherine, youngest daughter of Mrs. Frank Gilbert, died at her home in St. Mary's last evening after a brief illness from congestion, aged seven years. The funeral will take place tomorrow at two o'clock. Services by Rev. Father Ryan and interment at the R. C. Cemetery, St. Mary's. Robert B. Adams is the undertaker in charge.

Young Bachelors' Ball.

The Junior Assembly Club have issued invitations for a dance to be held in the Masonic Hall next Monday evening. The committee in charge is composed of F. G. Edwards, G. W. Torrens, J. W. Trites, C. E. Rabbitt, and W. A. Vanwart, with Jack Neil as secretary treasurer. The chapters will be Mesdames Tibbitts, Nichol, Hatt and Torrens. Orchestral music will be furnished and light refreshments served.

A Missing Man.

G. Fred Bustin, superintendent of the Boy's Industrial home at St. John has been missing since Tuesday. He started ostensibly for Chatham to visit his son, but never reached there. His accounts are straight and his private affairs are said to be all right, and his continued absence is a mystery. In the meantime the condition of the Reformatory is becoming demoralized. Wednesday six of the inmates escaped, and late that night were still at large, though a search was being made for them. The runaways are Albert and William Halm, Alfred Lavigne, Peter McCarty, Alphonse Saunders and Jeremiah Maher.

Must Pay up.

City Treasurer Golding has resolved to employ drastic measures with a view of reducing the huge list of defaulting taxpayers. He has decided to issue an execution against every man, woman or estate in arrears for taxes and place them in the hands of officers of the law to serve.

He started in on the task yesterday morning and will probably have the first instalment served the first of next week. There are quite a number of estates in arrears for taxes against which legal proceedings have been taken by the city, and before very long there may be an opportunity to purchase several very good front street properties at public auction.

The Secretary-Treasurer.

Coun. Cliff of Kingsclear, Morgan of New Maryland, and Fawcett of Temperance Vale, who were in the city today, stated that they were in favor of Warden Morehouse calling a special meeting of the Municipal Council at once to deal with the matter of appointing a successor to Secretary-Treasurer Black. It is understood that a majority of the County Council are of the same opinion. O. S. Crockett, A. B. Wilmot and R. Hibbard Simonds are mentioned as being among the latest applicants for the position.

Wedding Bells.

Alex C. McNally, son of Coun. Alanson McNally, of Queensbury, and brother of Aid G. J. McNally of this city, was married at Prince William on Tuesday to Miss Elia May, daughter of John Fraser of that place. The ceremony was performed at the home of the bride's parents by Rev. William Rose, in the presence of a number of friends and relatives. After the ceremony the happy couple drove to their future home at Queensbury.

Stream Driving Prospects.

Lumbermen are not any too well pleased with the outlook for stream driving, and go so far as to say that unless heavy rainstorms occur during the driving season, there will be a large quantity of lumber hung up. The price of deals is away down at present, and in view of this fact some of the operators say that they would almost as soon have their lumber hung up as have it brought out.

Police Court.

The young man arrested a few days ago on the charge of stealing from the dairy depot, pleaded guilty before Col. Marsh at the police court this morning. He was remanded until Monday for sentence, and in the meantime his counsel, H. F. McLeod, will undertake to procure for him a certificate of character.

One drunk was fined \$4 or five days in jail and chose the latter.

Death at Upper Gagetown.

Mr. Whitfield Briggs, who has been in ill health for some time, died of consumption, at his home, Upper Gagetown on Monday. He was 50 years old and was a highly respected citizen. He leaves a widow and eight children, the youngest about a year old, to mourn their loss. His funeral took place on Tuesday.—Queen's Co. Gazette.

The Late Mrs. Wilson.

The funeral of the late Mrs. William Wilson will take place at 3.30 o'clock tomorrow afternoon from her late home on Waterloo Row. Services will be conducted at that hour by Rev. G. M. Campbell and interment will be made in the rural cemetery, with John G. Adams the officiating undertaker.

The River Rising.

The ice in the river is becoming very soft and the heavy downpour of rain is bringing the water up quite rapidly. The snow is fast disappearing and it does not look as if the ice could hold on much longer. It is freely predicted now that the ice will be running before the 10th.

Have Photograph Taken.

Mesereau, the photographer arrived at Marysville yesterday from Chatham. He will remain a few days to accommodate his patrons in that town. Call on him at his studio near the cotton factory.—d.f.

Lady Tilley and Mrs. H. C. Tilley have gone to Clifton Springs, N. Y.

PREMIER TWEEDIE.

Happy Reply to the Testimonial from Members of the Legislature.

RETURNS THANKS FOR THE SPAN OF HORSES.

The Province Should be Proud of Its Local Representatives.

Premier Tweedie in replying to the testimonial from the members of the Government and Legislature, on the occasion of their presenting him with a span of horses on Wednesday, said that it was utterly impossible for him to express his feelings in the manner he would like. He could assure them that their action had taken him completely by surprise, as he had not the slightest intimation of what was in store for him. When asked to accept the leadership of the party he did so not without some hesitation, because he was aware that coming after men of great ability he would be apt to call forth unfavorable comparisons, no matter how hard he might strive to discharge his duties satisfactorily. However, the difficult, onerous position of premier had been made much easier for him, because of the high standard of representation enjoyed by the constituencies of the province. Never in his experience had the constituencies of New Brunswick been represented in the Legislature by a better class of men. It was not out of place for him to say that they were a credit to the province and to the Dominion of Canada. It was possible that in their desire to say nice things of him, the members had gone a little too far, as he was not aware that he had done any more than he should have done. A leader must necessarily be a follower in order that he might ascertain the views and wishes of his supporters, and so long as he held the office of Premier he would make it his business to keep in close touch with his supporters. The chosen representatives of the people are in reality the government, and those who constitute the executive are merely the exponents of their wishes. He was very grateful for their kindness, but he could assure them that he could accomplish but little without the assistance of the other members of the government and their supporters in the Legislature. There was his good friend the Attorney General, he was always ready day or night to render all the assistance in his power to advance the interests of the province. He would also have to mention his old friend Mr. Hill, whose services during the session had been invaluable.

AN IMPORTANT CHANGE.

P. O. Money Orders Can Now Be Sent at Greatly Reduced Rates.

An important change in the money order branch of the post office department, went into effect on April 1st. Under the new regulation money can now be sent to all parts of the United States and Canada at the same rates, and a substantial reduction has been made in the commission charges. The new tariff for the U. S. and Canada is as follows: On orders over \$5 and up to \$10..... .03 Over \$10 and up to \$30..... .10 Over \$30 and up to \$50..... .15 Over \$50 and up to \$75..... .25 Over \$75 and up to \$100..... .30 Under the old tariff the charge on sums under \$2.50 payable in Canada was three cents, with a proportionate increase on sums up to \$100, the commission on the last named sum being 40 cents. The smallest charge on orders under \$10 payable in the United States was formerly ten cents, and the charge for \$50 which was the largest sum that could be transmitted was fifty cents. The new tariff should mean a largely increased business for the money order departments.

There has been no change in tariff relating to Great Britain and other European countries.

Delighted to hear good accounts of you and yours. Remember me kindly to Mrs. and Miss McKenzies and with every good wish for yourself in which my wife joins, I am yours truly,
Geo. J. MAUNSELL.

TOURIST MATTERS.

City to be Asked to Increase Grant to the Association.

A meeting of the Fredericton Tourist Association was held at the Barker House last evening when plans for advertising Fredericton at the Pan-American exposition were talked over. Estimates of the proposed cost of the work were submitted, and it was found that the association's share of the government grant together with the \$150 voted by the city would be insufficient to defray the cost of advertising on as extensive a scale as the association had previously decided upon. After several proposals in regard to the raising of additional funds had been discussed, it was unanimously decided that a committee of the association should wait upon the city council at an early date and ask that the grant from the city be increased to \$200, the amount asked for in the first instance. The members of the association feel that it will be necessary to solicit private subscriptions, if a respectable showing is to be made at the Pan-American, and they do not think they should be called upon to resort to the method of raising funds to assist in a work the object of which is the advancement of the city.

An invitation has been received by the Association from the Bay Chaleur Tourist Association to attend their annual meeting to be held at New Carlisle, P. Q. on June 5th, and it has been decided to accept the same.

AN OLD FRIEND.

Chatty Letter From Col. Maunsell Formerly D. O. C. of New Brunswick.

Capt. Thomas McKenzie, caretaker of the drill hall, is in receipt of the following letter from Lieut. Col. Maunsell, which will be read with interest, by the latter's many old friends in this city:

Springfield, Taunton, England.
March 9.

My Dear McKenzie—I am delighted to see you well known hand writing, and to hear of your well-being. We have soldiered long together and have had nothing but happy associations and mutual good will.

We are happily situated here—a beautiful country and good neighbors. A branch of my family has lived in this country for centuries and the old place, "Maunsell Grange," is about 2½ miles from this. I am rejoicing in my old sport, fox-hunting, and still keep touch with soldiers. I get into uniform once or twice in the year, at the prize giving of the volunteers and lad's brigade in which I have always taken a keen interest. I am also taking a hand in army reform, and in particular in the formation of rifle clubs and rifleshooting at Morris barge ranges. The depot of my brother's old regiment
