20,000 Farm Laborers Wanted.

The Manitoba government advises that it will require at least twenty thousand farm laborers to harvest the enormous wheat crop of Manitoba and Assinaboia this season, and in order to supply this demand the Canadian Pacific railway has completed arrangements with the Intercolonial, Dominion Atlantic, Canada Eastern and P E I railways to run farm laborers' excursions to any point in Manitoba or Assinaboia west, south-west and north-west of Winnipeg, as far as and including Moose Jaw, Estevan and Yorkton, at rate of \$10.00 for the going trip. Second class tickets will be issued from points east of New Glasgow on August 9th, and from points west of New Glasgow on August 10th, and with each ticket agent will furnish verification blank which will be deposited with ticket agent where he secures work, and when this certificate has been signed by the party for whom he has been working, it will entitle the original purchaser to a ticket to return to his starting point in the Maritime Provinces at rate of \$18.00, any time previous to November 15th, 1901.

On this trip tickets will be issued to females as well as males, but will not be issued at half fare to children, and 150 lbs of baggage, wearing apparel only, will be allowed on each full ticket.

Late advices state that harvesting operations will commence on August 10th. —d.w.

Mysterious Billy Smith.

The Boxing Exhibition in the curling rink next Friday evening, will doubtless be a success, as this will be the first appearance in this city of Mysterious Billy Smith the real welter weight champion of the world.
