The Douglas gold medal, for the best English essay on the centennial celebration of last year, has been awarded to W. O. Raymond of the junior class. The successful candidate is a son of the Rev. W. O. Raymond of St. John, a graduate of the U. N. B., who has acquired quite a reputation as a historian. There were three essays handed in, all of which were pronounced by the Professor of English to be of unusual merit.

The final examinations of the year will begin on Saturday in the English department, and will be continued until Monday week.

The encyclopaedic exercises are to take place in the College library on the evening of the 30th inst., commencing at eight o'clock. Prof. Dixon is to speak on behalf of the faculty, the alumni oration will be delivered by Rev. Mr. Heime, of Montreal, and C. W. Kelley is the valedictorian of the senior class.

Doctor of Philosophy.

Rev. T. Allen Hoben, son of Supt. Hoben, of the Canada Eastern railway, has passed the final examination for the degree of doctor of philosophy at the University of Chicago, and it will be formally conferred on him at convocation June 18. STRIKE AT KINGSTON.

THE KING'S DECISION.

His Birthday Will be Celebrated May 24 of Each Year.

(Special to the Daily Herald.)

London, May 16.—King Edward, although born Nov. 9, 1841, has decided that his birthday shall be celebrated

May 24 of each year thus continuing the holiday hitherto observed.

This decision will give an impetus to the colonial movement to observe the date as empire day.

PROROGATION NEXT WEEK.

(Special to the Daily Herald.)

Ottawa, May 16.—The holiday, Ascension day, was generally observed here. A few members were about the House packing up blue books and making preparations for prorogation which will take place next Wednesday or Thursday at the latest.

THE TROUBLE AT ALBANY.

(Special to Daily Herald.)

Albany, N. Y., May 16.—The military charged the crowd a aim this morning and several of the latter were injured. Seven cars were taken out of the barns. All saloons are closed and pickets guard the doorsteps of private houses. Pinkerton detectives armed with rifles ride on all cars.

SOUTH AFRICAN WAR.

London, May 16.—The Pretoria correspondent of the Times, in a letter dated April 16, says:

"In another fortnight the South African winter will have arrived, and unless the Boers are prevented from moving north to the bush veldt and hostilities are somehow ended, there will be another spell of severe and unsatisfactory campaigning in an impossible country, together with five months of comparative peace in the two colonies."

The correspondent then described a strenuous scheme which is on foot to prevent the enemy retiring north into winter quarters, but he does not appear to be very sanguine of its success. "The figures of the intelligence bureau," he says, "show that there are still between 18,000 and 19,000 burghers available for service, although no commando is known to exist larger than 800 men."

Windsor bacon.

These meats are mild cured and properly smoked and are unsurpassed for sweetness, delicacy and freshness of color. Also pure leaf lard fat, corned pork for beans, mixed corned pork for boiling pressed ham and pressed corned beef.

All meats which are destined to be eaten cold are greatly improved by being pressed. Meats thus treated retain their juices and have a more delicate flavor.

You can buy your sugar cured meats at Murphy's factory cheaper than at any other place in the city.

Nothing But Smoke.

An alarm of fire was rung in at our o'clock this afternoon for what was thought to be a blaze in the basement of the Methodist church. The firemen on investigating found nothing more serious than a room full of smoke, which had been unable to go up the chimney on account of a soot blockade in the stove pipe.
