NOTHING ELSE CURES!

PAINE'S CELERY COMPOUND

Used by Men and Women of Wealth and Social Standing and by the Great Army of Toilers.

THE SPRING MEDICINE THAT CURES WHEN ALL OTHERS FAIL.

A Marvellous Banishment of Pain and Disease Endured for Fifty Years.

HONEST AND UNSOLICITED TESTIMONY OF A LEADING MONTREAL BUSINESS MAN.

If you have suffered agonies from rheumatism and neuralgia during the winter months; if your dyspepsia has gnawed at your vitals and tortured you from day to day; if kidney and liver troubles threaten to end your life; if poisoned and impure blood has shown its effects in boils, pimples and eruptions; if eczema or salt rheum have made you unsightly; if sleeplessness and nervousness have made you miserable and despondent; if headaches, sideaches and backaches give warning of approaching dangers, your only hope of new life and vigorous health is in the use of Paine's Celery Compound, Dr. Phelps' world-famed prescription that has done more for suffering men and women than all other combined remedies.

Mr. B. Hutchins, one of the best known Real Estate and Financial Agents in Montreal, says:

"About five years ago I wrote you a letter acknowledging the wonderful effect your Paine's Celery Compound had upon me after I had given it a fair trial; that it had cured me entirely of neuralgia in the head from which I had suffered most fearfully periodically for over fifty years, and also that it had cured me of rheumatism in my limbs, and braced me up generally. In fact, it had removed every pain in my body, and made me feel 25 years younger. Hence my desire that all of my numerous friends and the public generally should know that there really was a cure for the painful and distressing diseases of rheumatism and neuralgia.

"Accordingly, I sent you, of my own accord, the only certificate I ever gave for a medicine, hoping many other sufferers might be induced to benefit by the use of Paine's Celery Compound.

"I have not had a return of my old complaint, and therefore have to confirm all the statements I have ever made respecting your Compound, and moreover, I wish to say it possesses a merit which I think you have never claimed for it. Most ordinary headaches proceed from a disordered stomach, and in such cases a good dose of the Compound will relieve the sufferer in a few moments, as it acts promptly on the stomach."

Dodd's Kidney Pills Have Laid Claim to This Title.

They seem to be substantiating the Claim by the Evidence of Many Trustworthy and Well-Known Ladies.

Lushes's Bight, Little Bay Island, Green Bay Nfld., Mar. 15.—(Special).—Dodd's Kidney Pills, and the wonderful healing work they are accomplished in Newfoundland, is the subject of much favorable comment among our people. Many cases are reported, where they have saved the lives of men and women suffering with Bright's Disease, Diabetes, Rheumatism, and Female Troubles. The local druggists are selling a great deal of this remedy. Right here there occurred a case which is of more than ordinary interest. Mrs. Elizabeth Brooks was for years a sufferer with Kidney Disease. She is a lady well-known and highly esteemed, and her story of recovery has caused general satisfaction. She writes:—

"I wish to make known to all what good I have obtained through the use of Dodd's Kidney Pills. They are a very valuable remedy. I have been a sufferer for over two years with Kidney Disease. I employed a doctor, but did not succeed in getting any better. I heard of the wonderful cures Dodd's Kidney Pills were working in the Island, and bought a box of them. After using the first box, I felt that I was getting better, so I bought more. Now I can truly say that I am a well woman. I think every suffering woman should know of the remedy that will cure her, and so I am giving my experience for publication."

Mrs. Brooks' statement is only one of many equally strong cases cured by Dodd's Kidney Pills in the neighborhood.

EXPENSIVE CARIBOU.

One Shot by Dr. Cox Near Chatham

MAY BE MEANS OF NATURAL HISTORY SOCIETY

Losing Usual Provincial Grant

THE SURVEYOR GENERAL'S EXPLANATION.

In the legislature Thursday, in answer to Hon Mr Burchill's inquiry, "Is it the intention of the government to grant to the Natural History Society of Chatham a grant for the present year," Hon. Mr. Tweedie said that the matter was still under consideration. For the past three years this society had received from the government \$100 each year. The hesitation in making a grant this year is due to facts which he would explain. Dr. Cox, a member of the society at the beginning of the open season, violated the law by shooting a caribou for which he was fined \$50 and costs.

He set up the defence that the Natural History Society had a license to shoot a caribou, but it appeared that no such license had been issued to Cox, but to one Benn. After shooting this caribou, Cox applied for a license to the local game warden. As this matter had become public and as Cox had violated the law, there was nothing to do but to proceed against him and he was fined. The Chatham Natural History Society had attempted to vindicate Cox and, in view of the resolution which they had passed, it became a question whether aid should be granted a society which supported a person who had violated the game law. Mr. Tweedie read the resolution, which concluded as follows:

"And whereas, the surveyor general has caused Dr. Cox to be criminally prosecuted before the courts and fined \$63, \$50 on the technical ground that his name was not mentioned in said license, therefore resolved, that this association unhesitatingly condemn the breach of faith therein displayed and the hostile attitude of the department towards an institution founded for public educational purposes; and

"Further resolved that this association, aware of his devotion and of the great sacrifices Dr. Cox is making to promote the worthy object it has in view, extend to him its sympathy and assurance of respect and confidence; and

"Further resolved, that it renounce as offensive and insulting and intrude on the plea of the prosecution that this institution has, would or could traffic in such license for self-h or mercenary purposes."

Mr. Tweedie said he did not know whether the government ought to give its assistance to a society which would go out of its way to outrage them in this manner.

Dr. Baxter, the president of the society, was not present when the resolution was passed, and had expressed his regret that it had passed. That might make some change in his opinion. The government had great difficulty in protecting the game and enforcing the law. If people in the position of Dr. Cox were allowed to violate the law it would be much harder to prosecute other people.

Mr. Hazen said that Dr. Cox had given a different version of the matter and so also had Mr. M. R. Benn. He read the latter's statement under oath in which he said he had seen the surveyor general in regard to a license to shoot a caribou for the society. The surveyor promised to grant the license and said that it would be issued in the name of Cox and Benn. Surely if that was the state of affairs, there could have been no violation of the law by Dr. Cox.

Hon Mr Pugsley—Don't you think Cox ought to have taken pains to see if he had a license?

Mr Hazen—Perhaps so, but there was no violation of the spirit of the law, for if the license was to enable the society to obtain a caribou for scientific purposes it made no difference who shot it.

Hon Mr. Dunn asked the privilege of making an explanation. Benn wrote to him in March last for the purpose of getting a license to shoot a moose or a caribou for the society. He replied that it was the wrong season for shooting any animal for scientific purposes because the caribou would have no antlers and his skin would not be in proper condition. He told them that, when the season opened, he would only be too pleased to grant a license. In August, Benn saw him in Fredericton and he asked him in whose name the license should be issued. Benn said he would like it issued in the name of several members. Mr. Dunn replied "that was impossible, as there could be but one name." When the time came the license was made out in the name of Benn and forwarded to him. Dr. Cox, the day after the season opened, shot a caribou, but he could not have been relying on Benn's license, for on the following day he got a license from the local warden. It was difficult to enforce the law and it could not be enforced at all if all were not treated alike. Cox was proceeded against for violating the law. He (Dunn) went to Chatham during the trial to see if the matter could not be arranged. He saw Cox and told him that the least he could do was to pay the costs of the court and if he did so the government would allow the fine to stand. But Dr. Cox felt so high and mighty that he insisted on paying the fine which he was

not asked to pay. With regard to the resolution of the society he felt that it was wholly unwarranted, but he was not so narrow in his views as to say that he would not give the grant in consequence of the passage of this resolution.

A NOVEL PROPOSAL.

What the Proprietors of Dr. Clark's Little Red Pill Offer.

Editor of the Herald.

Sir,—We make the following proposal to the readers of the Herald: To any one who is a subject to rheumatism (no matter how long standing) or any blood disease, as enumerated below, and will give Dr. Clark's Little Red Pills a fair trial, and do not find a perfect cure, we will refund the money paid for the pills. If no substantial improvement is observed we will in addition pay \$10 in cash on satisfactory evidence being supplied as to this effect.

We have yet to know of a single case where these wonderful pills have not been almost entirely successful in effecting a cure.

CANADA CHEMICAL CO., Peterborough, Ont.

Dr. Clarke's Little Red Pills are a positive and certain cure for rheumatism, coughs, asthma, paralysis, catarrh, eczema, lame back, indigestion, all stomach and liver troubles, female complaints, even when the diseases have been standing for many years. The most stubborn cases will yield. For sale by G. Y. Dibblee, A. Staples, C. Fred. C. estnut and John M. Wiley, Fredericton, or sent direct by mail, by addressing Canada Chemical Co., Peterborough, Ont. 50 cents per box, or 3 boxes for \$1.

Dr. Clarke's Sure Cure for Catarrh, and Dr. Clarke's sure cure for Eczema, same price. \$100 will be paid for any case that it will not permanently cure.

STRONG MEN SUFFER.

Indeed few people escape the tortures of Dyspepsia, Indigestion, Heartburn, other Stomach Trouble—Dodd's Dyspepsia Tablets cure young and old.

There is no malady which seems to have such a universal right to torture all kinds and conditions of men, women and children, as Stomach Trouble.

And yet there is no excuse for anyone suffering longer, for there is a cure in Dodd's Dyspepsia Tablets.

Mr. Ferg. McGregor, of Carnduff, Assa. suffered the pains of Dyspepsia for years. He used Dodd's Dyspepsia Tablets and now he is free from every symptom of Stomach Trouble.

He says: "I can highly recommend Dodd's Dyspepsia Tablets for all forms of Dyspepsia and Indigestion."

There are many who read this who are now suffering with Dyspepsia, Sour Stomach, Heartburn, or Indigestion.

Mr. McGregor's words should have some weight with you. Those who know him know he is an honest man. Why should you doubt his statement? If you don't doubt, why do you hesitate to apply to your own case the same treatment that has cured him?

You've tried so many things in vain. What of that? So have other people. You've never tried Dodd's Dyspepsia Tablets. They never disappoint. They have cured more "incurable" cases of Dyspepsia than you ever dreamed existed. Try them and be convinced.

If you intend entertaining your friends at a social dance have your invitations and programmes printed at the Herald office.

THE GREATEST REMEDY

For building up the system is MILBURN'S HEART AND NERVE PILLS.

They renew Lost Vitality, Build up Strength, Increase Mental Activity, Give Nerve and Brain Power, Improve the Appetite and make Rich, Red Blood. They cure Nervousness, Sleeplessness, Nervous Prostration, After Effects of La Grippe, General Debility, etc.

Here are a few Testimonials to prove what we claim:

MISS GERTRUDE GREIG, ARTHUR, ONT., writes: "I got a box of Milburn's Pills and must say they have done me a wonderful lot of good—having cured me of pain and miss beats of my heart, and the extreme weakness at the least exertion and I cannot too highly recommend them to others."

MR. A. J. BEADLE, of HUMBER BAY, ONT., writes: "I am very pleased to tell you that Milburn's Heart and Nerve Pills have done me a world of good."

I suffered terribly from sleeplessness, nervousness and palpitation of the heart. I consulted the doctors and took different remedies but none of them did me any good until I tried Milburn's Pills, and I am thankful to say that I procured the right remedy, for by the time I had taken one box I was completely cured and have not felt better for months."

MRS. M. CORRY, MILTON, ONT., writes: "I was debilitated, my appetite was poor and I suffered greatly from faint and dizzy spells. My hands would draw up with cramps and I would try to straighten them out by pressing them down on the table, as I was afraid they would stay in that condition. I used one box of your pills, and all those symptoms have disappeared and I feel in perfect health."

MRS. JAMES P. JACKSON, LIME HILL, N. B., writes: "I had palpitation of the heart, accompanied by smothering spells. I had a tired feeling and was so run down that sometimes I felt as if I would have to give up. I have derived so much benefit from your pills that I cannot refrain from recommending them to all suffering as I was."
