Uncle—What are you crying for, Georgie?

Georgie—Teacher caned me because I was the only one—boo-hoo—able to answer a question today.

Uncle (indignantly)—This is scandalous, my poor boy! What was the question?

Georgie (between sobs)—Who put the bent pin in the teacher's chair?—Tit-Bits.

A SPANISH CURED OF LA GRIPPE.

COUNT DE OVIES

Count Segundo de Ovies was a Carlist exile. The signature of his uncle, Louis De Ovies, is found with that of John Quincy Adams ceding Florida to the United States in a treaty with Spain. The Count is forty-six years of age, an exile from Orizaba, situated in the northern part of Spain, and has been exiled since 1876; he is wealthy, and has traveled and studied the customs, habits and languages of twenty-five different nations.

In a recent letter to The Peruna Medicine Co., of Columbus, Ohio, the Count gives his endorsement to their great catarrh remedy, Peruna, in the following words:

The Canfield, Atlantic City, N. J.

The Peruna Medicine Co., Columbus, Ohio:

Gentlemen—"Last winter my secretary had a severe attack of la grippe which was cured effectually by the use of four bottles of Peruna, so when I contracted the same unpleasant sickness last fall I at once sent for a bottle. It truly worked wonders, and removed the sickening and sore feeling I had within a few days. I would not be without it now for any money, and when I go away I carry Peruna as a valuable requisite to my traveling outfit."—JULIAN SEGUNDO, CONDE DE OVIES.

Peruna can be obtained for \$1.00 a bottle at all first-class drug stores in Canada. Addressed at all up-to-date drug stores and upon request is sent free to all, gives a short description of all catarrhal diseases. Address Dr. Hartman, Columbus, Ohio, U. S. A.

ARTHUR H. WOODS,

KING STREET, just above McGinn's Wagon Factory.

NEARLY everybody is having la grippe again. It resembles somewhat in the beginning a severe cold. A chill or cold spell is followed by aching bones, sore throat, headache, cough, and general weakness. Its course may be quite slight or severe, but in either case it nearly always leaves one in a miserable condition.

Unless Peruna is taken it will be weeks or months before a person regains his usual health. If the victim is fortunate enough to begin the use of Peruna at the commencement of the attack the course of the grip is much shortened, and the system is left in a natural state.

People who have had la grippe, but are still suffering from the after-effects, should not neglect to take Peruna, as it will promptly restore them to health.

Henry Distin, the inventor and maker of all the band instruments of the Henry Distin Manufacturing Co., writes the following from 141 South Ninth street, Philadelphia, Pa:

"I had a bad attack of la grippe last December which lasted more than three months, and which left me with catarrh, and several of my friends advised me to try Peruna."

I began with a bottle the first week in March and it certainly did me a great deal of good. I was so well satisfied that I purchased another bottle and followed the directions, and can say that it has cured me."—Henry Distin.

A large per cent of those who are afflicted with this epidemic, instead of getting well as they ought to, will have chronic catarrh as the result. This is almost invariably the case unless Peruna is taken as soon as possible after the grip begins.

Every one who has observed the effect of Peruna during the last three epidemics of la grippe positively knows that this remedy will cure it permanently.

The fact is, however, that a great multitude of people will not take Peruna, and a foundation for chronic catarrh will be laid.

Even in cases where chronic catarrh has affected the lungs, and the early stages of catarrhal consumption have been developed, Peruna can be relied upon as a prompt and lasting cure. La grippe and catarrh are at present the two great enemies of life in the land. Peruna is a cure for either.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

"The Ills of Life," which can be secured at all up-to-date drug stores and upon request is sent free to all, gives a short description of all catarrhal diseases.
