MR. W. A. CHARLTON.

Gentleman Who May Be Elected Speaker of Ontario Legislature.

The member for South Norfolk, who, it is understood in Ministerial circles, will be chosen Speaker of the Legislature when the session opens on March 10, has been prominently identified with Norfolk for many years, and since 1890 has represented the southern riding in the House. Mr. Charlton was born in New York State in 1841, and was brought to Canada when eight years of age by his father, who lived for a time in Waterloo County. He went to Iowa

MR. W. A. CHARLTON.

When a lad, but in 1861 returned to this country and anchored himself in Norfolk, where in association with his brother, Mr. John Charlton, M. P., he became a leading figure in mercantile and lumbering business. Mr. Charlton possesses in a marked degree the judicial nature and calm temperament necessary to the successful discharge of the duties of the Speaker. This was very well established during the sitting of the last House, when Mr. Charlton as Chairman of the Public Accounts Committee, won the good opinion even of his political adversaries.

What More Could He Want?

"What is your father's objection to me, Millie?" asked the young man. "He says you have no application, Gerald." "No application?" he echoed bitterly. "I wonder if he knows I've been coming to see you twice a week for nearly six years?"

Mrs. I. W. Warner, Riverdale, N.S.,
is glad there is such a remedy as

Burdock Blood Bitters.

IT CURED HER
AND WILL CURE YOU.

She says: "I wish to add my testimony to the many others who have spoken so highly as to the unflinching virtues of Burdock Blood Bitters. I was all run down, had no appetite, lost all ambition, could not sleep much and had terrible headache and backache, and my food did not digest properly. I saw B. B. B. advertised, so concluded to give it a trial, thinking if it did no good it could do no harm. But after using one bottle I began to feel better, and by the time I had used three bottles I was feeling like a new person. I am so glad there is such a remedy provided for suffering humanity, and cannot praise it enough for I think there is no medicine like it on the market."
