HOW TO GAIN HEALTH.

A Simple Plan That Should be Followed by all Who are Sick.

If you could buy back your health on the instalment plan—say 50 cents a week, for a limited number of weeks until cured—would you do it? Here is a plan worth trying—taking into account their power to cure, Dr. Williams' Pink Pills, are the most economical medicine, without exception. These pills have effected cures in cases of rheumatism, partial paralysis, St. Vitus' dance, indigestion, kidney trouble, anaemia, and other serious diseases of the blood and nerves. They have cured hundreds of cases where ordinary medicine had been tried and failed. They have restored helpless invalids to full use of life and limbs that had long been powerless. That is the best guarantee that these pills will not disappoint when used for simpler ailments. Taking one pill after each meal, (as required for minor troubles) a fifty-cent box of pills gives nearly two weeks' treatment. For chronic diseases, when the larger dose is required, the cost of treatment does not usually exceed fifty cents a week. If you are sick or ailing, is it not worth your while to give so effective a medicine as Dr. Williams' Pink Pills a trial? What the pills have done for other people they can do for you. Every dose makes the new rich red blood that brings robust health and strength. They are the best tonic medicine to take at this time of the year when the blood is sluggish and impoverished.

Do not waste money on ordinary medicines, or substitutes; see that the full name, "Dr. Williams' Pink Pills for Pale People," is printed on the wrapper around every box. Sold by all medicine dealers or sent postpaid at 50 cents a box, or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

People With Bad Breath

Generally suffer from Catarrh and should use a Catarrhzone Inhaler four times daily, and be cured. The pleasant scented Catarrhzone vapor spreads through every air passage of the breathing organs, and reaches the very root of the disease; it kills the germs, purifies and cleanses the mucous surface, and eradicates every vestige of catarrh in a short time.

Pure, sweet breath, free from headache, sneezing and discharge are quickly derived from the use of Catarrhzone Inhaler. Complete outfit, guaranteed to cure, costs \$1.00, trial size 25c. Drugists, or N. C. Polson & Co., Kingston, Ont.

Trust not a vain woman, for she is first in her own eye.

Men who look much older than they are never appear to such disadvantage as with the wife who keeps her matronly beauty. The secret of health and the manly vigor which goes with health is nutrition. When the stomach and other organs of digestion and nutrition are diseased there is loss of nutrition, and corresponding physical weakness.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and its allied organs, which prevent nutrition, and makes men healthy and vigorous.

"I was a great sufferer from dyspepsia for over two years, and was a complete physical wreck," writes Mr. Preston E. Fenstermacher, of Egypt, Lehigh Co., Pa. "I also suffered much with constipation. I tried many different medicines which were recommended to cure the trouble but these only made me worse. I had such a weak and debilitated appearance that it seemed as if I had hardly any blood in my whole body. At last I came across an advertisement of Dr. Pierce's. I at once tried Dr. Pierce's Golden Medical Discovery and 'Pleasant Pellets.' I used about eight vials of the 'Pellets' and ten bottles of the 'Discovery,' which brought me back to my former state of health."

Languages in Johannesburg.

Johannesburg is a town of many tongues. You might walk from one end of Commissioner street to the other and at each of its very numerous crossings hear a different lingo spoken. The court of justice is a veritable tower of Babel. Within its walls all sorts of languages are spoken.

One moment the witness box will be occupied by a sturdy black "clicking" like a couple of bones in the hands of a clever manipulator, the next you may hear the elegant French language being unmercifully murdered. Provision is made for interpreting some twenty tongues.

Besides the many native lingos—Amazosa, Basuto, Zulu, Fingo, etc.—you may from time to time hear such languages as Livonian, Greek, Yiddish, German, Assyrian, Turkish, Spanish, French, Chinese, Hindoostanee, Arabic, Dutch, Russian, Japanese, Portuguese—and, as the song says, "many more besides."

Poor Mamma.

The Dear Child—Oh, Mrs. Bloom, when did you get back?

Mrs. Bloom—Bless you, dear, I was not away anywhere. What made you think so?

The Dear Child—I thought you were. I heard my mamma say that you were at loggerheads with your husband for over a week.

A Ring on His Hands.

"Is Harkins worrying over the fact that Miss de Riche jilted him?"

"No, but it annoys him exceedingly to think that the ring she gave back was purchased at her father's store and paid for, too, by Jove!"

Burned to Death.

St. Paul de Joliette, April 18.—Rev. Father Dupont, the Care of this place, lost this life in a fire that destroyed the presbytery early this morning, and deep regret prevails throughout the parish. The origin of the fire is unknown, but it seems that the priest being unwell had kept a fire in his bedroom. When found the remains lay near the door, as if an attempt had been made to get out. The servant, who slept in another part of the house, managed to escape, but he can give no reason for the fire. The church was saved. Father Dupont was 60 years of age and had had charge of this parish since 1893.

Modesty is woman's watchword. Whatever threatens her delicate sense of modesty, frightens her. For this reason many a woman permits diseases of the delicate womanly organs to become aggravated because she cannot bring herself to submit to the ordeal of unpleasant questioning, offensive examinations, and obnoxious local treatments, which some physicians find necessary. Doubtless thousands of the women who have taken advantage of Dr. Pierce's offer of free consultation by letter, have been led to do so by the escape thus offered from a treatment repugnant to modesty. Any sick woman may write to Dr. Pierce, Buffalo, N. Y., in perfect confidence; all letters being treated as strictly private and sacredly confidential, and all answers being sent in plain envelopes with no advertising or other printing upon them. Dr. Pierce's Favorite Prescription has been long hailed as "a God send to women." It makes weak women strong and sick women well. "Favorite Prescription" contains no alcohol, neither opium, cocaine or other narcotic.

Don't fret and don't worry are the most healthful of maxims.
