THE HOCKEY MATCH.

Fredericton Won Third Game in Provincial League Defeating Marysville.

(By Our Own Reporter.)

Jan 13.—The long looked for and much talked of hockey match in the provincial league series between Fredericton and our local team came off last night, and it was the best conducted and most exciting game ever played in Marysville rink, both teams showing up in splendid form. The five hundred people present enjoyed the contest immensely and yelled themselves hoarse. There was cheering for both sides as Fredericton was well represented. The game was hot from start to finish and some excellent plays were made.

Len Inch and Wm. Cain were the star Marysville players of the evening, while Peters, Allen and Coleman played a fine game for the visitors, who were strengthened by H. R. Babbitt who at point played in his usual good form.

Fredericton won by one point, the score being 4 to 3.

In the first half each team scored 2. Len Inch and Fred Robinson making the goals for Marysville, while Kenneth Allen and Chauncey Coleman scored for the visitors.

In the second half Peters scored twice for the visitors while Inch put one through for the home team.

The teams, which were perhaps the very best from both places, were made up as follows:

Fredericton	Marysville
W G Pugsley goal	Dan Pickard
H R Babbitt point	Gordon Hovey
S Staples cover point	Wm Cain
LeB Peters rover	F Robinson
C L Coleman centre	Fred Robinson
Wm Babbitt left wing	Fred Smith
K Allen right wing	Len Inch

Lient. MacLaren, of the R. C. R., refereed the game in a very satisfactory manner to both players and spectators, and said it was one of the best games he had ever witnessed. He was delighted by the way he was treated by our town folk.

At the conclusion of the game there was skating, and a jolly good time was spent, the band music being splendid, and a large crowd took advantage of it.

How They Stand.

Three matches have been played in the provincial hockey league, and the standing of the clubs is as follows:

	Won.	Lost.	Pc. won.
Fredericton	2	0	100
St. Stephen	1	1	50
Marysville	0	1	00
Mohawks St (John)	0	1	00

The other St. John team has not yet played a game.

AMONG THE CURLERS.

Merchants vs. Allcomers to be Played on Thursday—Points Competition.

The recent defeats of the Fredericton curlers in foreign games, instead of discouraging members of the club, have put new spirit into them, and an effort will be made to retrieve their lost laurels before the season is over. Quite a large number of players were in practice last night, and a number of events were arranged for the present week.

Tomorrow evening and every Wednesday evening hereafter will be "oyster night" when rinks organized outside of the general management will meet in competition.

BURNED TO DEATH.

Fatal Fire at Waterford, Kings Connty.

Sussex, (Jan. 12.—The building containing the store and dwelling, also the cheese and butter factory of John Friars, at Waterford, was totally destroyed by fire on Saturday night. One young man lost his life and the rest of the occupants escaped in their night clothes. Mr. Friars runs a general store and lives in the upper flat. His family consists of himself and his wife and children, his brother Miss Richardson, and a clerk in the store.

About 12 o'clock Miss Richardson awoke to find the house on fire. She immediately aroused the rest of the occupants, but they were unable to make their exit down the stairway, so returned and jumped from the windows in their night clothes. It is supposed that William Friars took time to dress, and in so doing lost his life.

The loss comprises the following: The buildings, stock and cheese factory, valued at \$8,000, with \$4,500 in accounts, notes of hand and other papers, \$60 cash and two gold watches. He carried \$4,000 insurance. The fire is supposed to have started in the store.

William Friars, the deceased, was only 20 years old, and had control of the cheese factory for his brother.

Rev. J. I. Polley accompanied the remains to Shediac today for interment, at which place Friars' father and mother reside.
