Extended by Frederic-
ton Board of Trade

TO DELEGATES OF
CHAMBERS OF
COMMERCE.

Visitors Lunched at Queen
Hotel,

The delegates to the Fifth Congress of the Chambers of Commerce of the Empire, thirty two in number, including several ladies, arrived here by a special train over the Canada Eastern at 1.15 o'clock this afternoon, and are being hospitably entertained by the members of the Board of Trade.

The party returned yesterday from a trip to Lake St. John and the Saguenay, and boarded the Maritime Express at River du Loup. At Chatham Junction a special train of two Pullman cars, was placed at their disposal, and the start for this city was made at 9.30 o'clock. They were two hours behind the regular train, but managed to reach this city in advance of it, which goes to show that good time was made.

Surveyor General Dunn and Solicitor General McKeown, representing the local government, W. S. Loggie, M. P. P. of Chatham, and Supr. Hoben of the Canada Eastern railway, joined the party at Chatham Junction, and accompanied them to this city. The list of Chamber of Commerce delegates and ladies is as follows:

Mr. Joseph Walton, M. P., Barnesley.
Major W. Gradwall, Barrow in Furness.

Mr. G. H. Heath.
Mr. John Hibbard.
Mr. and Mrs. Thomas Henderson.
Mr. H. A. Price, assistant general passenger agent of the I. C. R., and Oscar Chevier, travelling freight agent of the same road, accompanied the delegates from River du Loup and will go to St. John with them. At Penniac the train was boarded by Rev. W. W. Brewer, who presented the ladies of the party with bouquets of flowers, and each gentleman with a pink rose for a battle-ship bouquet. This graceful act was greatly appreciated.

His Worship Mayor Palmer, and Messrs J. W. McCreedy, J. D. McKay, J. S. Neill and A. H. F. Randolph, met the visitors at Marysville and accompanied them to Fredericton.

On arrival at the railway station here the visitors took carriages and were driven to the Queen Hotel, which will be their headquarters during their stay in the city. At 1.30 o'clock Mayor Palmer led the way to the spacious dining hall, where about fifty persons, including the visitors, sat down to a sumptuous luncheon.

Mayor Palmer occupied the chair, having Joseph Walton, M. P. on his left and Hon. A. T. Dunn on his right. The vice chair was occupied by A. H. Randolph. Among the guests present exclusive of the delegates were: Rev. W. W. Brewer, Marysville; T. E. Hoben, Gibsons; George Robertson, M. P. P. Dr. William Christie, St. John; W. S. Loggie, M. P. P., Chatham; Ald. D. J. Stockford, C. Fred Chestnut, J. S. Neill, J. W. McCreedy, R. P. Allen, George Y. Dobbie, J. D. McKay, George W. Massie, J. D. Phinney, K. C., and Dr. Hannay. An excellent four course luncheon was efficiently served, and it is needless to say ample justice was done it by the

guests. The tables were beautifully decorated with flowers, and indeed the arrangements were all first class, reflecting the greatest credit upon Host McCaffrey and his capable staff of assistants.

The luncheon over Mayor Palmer called the gathering to order, and in a few well chosen words extended a hearty welcome to the visitors on behalf of the Board of Trade and citizens of Fredericton.

Hon. H. A. McKeown, solicitor general, welcomed the visitors on behalf of the provincial government. He assured them that their visit to New Brunswick had been looked forward to with a good deal of satisfaction. The visitors would not find evidence of great wealth in this province, but he could assure them that they would find a people possessed of warm hearts. He trusted that the visitors would enjoy their stay in New Brunswick, and would carry away the kindest recollections of their visit. While a trip through New Brunswick might be a small matter to them the people here feel that an honor has been done them, and appreciate it very much.

Mr. Joseph Walton, M. P., made an eloquent reply to the address by Mayor Palmer and the solicitor general, and was very heartily applauded. He could assure them that he would carry away pleasant recollections of Fredericton, and would always remember the unbounded hospitality of their Canadian friends. The visitors were delighted with what they had seen of New Brunswick and were greatly impressed with its possibilities from a lumbering and agricultural standpoint. The trip from Quebec had brought home to them the huge mistake that had been made at the time of the Ashburton Treaty, when the United States was allowed to come up like a wedge between Maine and New Brunswick. After referring to visits made by him across Canada in 1890 and 1899, the speaker said he was struck by the great development which the country had made. The building of the C. P. R. was evidence of the pluck and enterprise of the Canadian people.

On behalf of himself and friends he returned hearty thanks for the hospitality extended.

The health of the King was proposed by Hon. A. T. Dunn and drunk with musical honors, after which the pleasant function came to an end.

The party started at 3.30 to drive to the interesting points in and about the city and to Marysville, the guests of the members of the Fredericton Board of Trade, and leave by the 9 p. m. train for St. John where they will spend Sunday and Monday, thence going to Halifax and sailing from Quebec for home Sept. 13.

Hon. H. A. McKeown, Hon. A. T. Dunn, Mr. George Robertson, M. P. P., and Ald. Christie, will accompany the visitors to St. John.

Since Turned Tory.

(Special to Daily Herald.)

Montreal, Sept. 5.—It was rumored about the streets today that the electors of St. Mary's division will meet and ask their representative Hon. J. I. Tarte, to resign his seat for that constituency.

As Mr. Tarte was elected as a Liberal and a supporter of Sir Wilfrid Laurier, some of the electors say that his present attitude and speeches do not represent the views of the large majority who elected him.

Mr. L. C. Macnutt leaves this evening on a holiday trip to the upper provinces.
