MARYSVILLE NEWS.

Painful Accident—The League Hockey Team.

(By our Own Reporter.)

Dec. 29.—Mr. Gordon Wade, a resident of Gibson, met with a very painful accident while returning from a hunting expedition Saturday afternoon. It appears that he and another young man were coming out over the woods in the rear of the Orange Hall. Mr. Wade was in advance of his companion who carried a double barreled gun, the young man with the fire arms stepped on some glare ice and fell, in falling the gun was discharged the contents of both barrels entered Mr. Wade's legs, causing a very ugly and painful wound. It is said the young man was so frightened that he took his sudden departure leaving the victim of the accident alone, and he was compelled to crawl on his hands and knees to the highway road where he made himself heard. Mr. Wm. Moore drove him to his home at Gibson, where he is doing nicely.

The opening hockey match of the provincial league is to take place tomorrow evening at the Arctic rink, when Marysville and Fredericton will battle for superiority. At present it would be hard to pick the winner, as both teams are putting up great hockey and playing faster than ever. Perhaps it would not be out of place to say a few words in regard to our boys. Lennie Inch, who is the popular captain this year, needs no introduction to the sporting public, as his reputation as an all around hockey player is known throughout the province, and as Lennie is playing rover this season, some good sharp work is looked for. Endall who will play goal is well known as a first class man of the stone wall variety and can stop anything that is at all possible. Wilfred Black will again be seen on the right wing and it is said he is playing better and skating faster this year than ever. The left wing will be in charge of "Eddie" Dennison, a new man, who is a star, has lots of speed, great endurance, and is a regular cyclone and a very cool headed player. "Bunkey" Robinson, is known by all, not only as an A 1 hockey player, but as a very speedy skater and a splendid shot, and as he is to play centre this winter he will be watched with keen interest. Billy Cain, will as usual play cover point and needless to say will wonderfully strengthen the defence. Our genial friend Fred Smith will be seen at point and

as he has been practising hard this season he will no doubt show up well. The Marysville boys will likely appear in their new uniforms which are very nobby, red and blue being our colors. Everybody interested in our team should wear these colors next Wednesday night. All that is needed is a fine night, and as the train will be held over a large crowd will attend from Marysville.
The Victoria Hockey team are to play a picked team from Fredericton in our rink this evening and as there will be a band and skating after the match a large crowd should be present.
