M. FICKLER & CO.

Ran a Nail Through His Hand.

While opening a box, J. C. Mount, of Three Mile Bay, N. Y., ran a ten penny nail through the fleshy part of his hand. "I thought at once of all the pain and soreness this would cause me," he says, and immediately applied Chamberlain's Pain Balm and occasionally afterwards. To my surprise it removed all pain and soreness and the injured parts were soon healed." For sale by all druggists.

Middle Hainesville.

(Special Correspondence to the Herald.)

Oct. 13.—Harvesting is about over now and most of the farmers are busy digging potatoes, which promise to be a good yield.

The weather has been very dry with just a shower now and again, and the springs in this locality are getting very low.

Mrs. A. W. Price and daughters have gone to the lumber camp where Mr. Price is engaged.

Dow W. Price left on Monday for the woods.

Rev. J. J. Barnes held service in the

Union Church here Sunday morning. We are pleased to state he is to be our pastor for the coming year.

Quite a number of young men have gone to the lumber woods, among the last to go were Allen and John Brown and Charles Tacker.

Sterlie Brewer, who has been laid up for some time with dislocation of the hip, is gaining being able to walk about some on crutches.

Samuel K. Nison, who has charge of our school, is making good progress and he is well liked by young and old.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for this same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grippe; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. For sale by all druggists.
