Mr. Cowie's ten years' experience on the Pacific coast enables him to describe the beautiful scenery as an eye witness. The proceeds will be devoted to Sunday School work.

New Drill Manual.

The new drill manual lately authorized by Lord Dundonald will be used for the first time by the militia at the brigade camp next month. It was tried by the R. C. R. yesterday for the first time, and is likely to become very popular. All the instructors are busy "plugging" for the Sussex camp. The new manual introduces some sweeping changes in the drill.

S. S. Anniversary.

The Sunday school anniversary services will be held in the Methodist church tomorrow. In the morning the sermon will be addressed to the scholars. A very interesting program has been prepared for the afternoon at 2.30. Parents and friends are cordially invited. At all the services tomorrow the collections will be in aid of the work of the Sunday school.

For the Match.

The spoons which are to be given as prizes in connection with the spoon matches at the St. Marys rifle range, are on exhibition in the window of J. D. Fowler's jewelry store. There is also to be found in this window as well as inside the store the latest things in jewelry and optical goods. While the spoons are for the rifle match, any young man thinking of another kind of a match can find the rings at Fowler's.

Dismissed the Case.

Andrew W. Phillips, who was arraigned before Judge Wilson, under the Speedy Trials Act at Gagetown this week, charged with hiring one James Joslin to burn \$400

worth of hoop poles, is once more a free man, the prosecution having failed to make out a case against him. The evidence of some half a dozen witnesses was taken, including that of Joslin, who is now serving a term in jail for firing the hoop poles, but nothing of an incriminating nature was brought out. R. W. McLellan, who was acting for the crown, withdrew the case, and His Honor discharged the prisoner from custody. The story told by Joslin at the trial was entirely different from that told by him at the preliminary examination.

ATTACKED BY A DOG.

A Six Year Old Child Lacerated by a Vicious Canine.

Katie, the little six year old child of Mr. Edward McGahay was attacked and severely bitten by a vicious dog owned by Mr. Andrew Hughie on the corner of Charlotte and St. John streets this morning. The little girl had been sent on an errand, and while returning home was set on by the dog and knocked down. She was bitten in several places about the legs, and the flesh badly lacerated. The brute was driven away by Mr. J. R. Howie, jr. and the little girl was taken to her home where her injuries were dressed by a physician. The police have been notified of the affair, and it is understood will have the dog shot.

Mr. Hughie has acquired quite a reputation as a harbinger of vicious dogs, and it is not the first time they have gotten him into trouble by attacking children. The police should see to it that his favorite breed of dogs, are kept muzzled in future.

Most of the lumber likely to be hung up was cut on the headwaters of the Northwest.
