

Events of a Day.

In New Quarters.

City Clerk McCready has finished removing from the Chestnut building to his offices in the city hall, and is once more ready for business.

Thankful.

The Golden Rule Circle of the King's Daughters wish to thank all those who kindly contributed to their rummage sale last week.

Band Concert.

The Band of the Royal Canadian Regiment rendered a splendid program of music in the Officers' square this morning in the presence of quite a number of spectators.

Rather Expensive.

A few salmon were taken in the river above Springhill last week and sold to local grocers. The retail price at present is thirty cents per pound. The price will no doubt drop as the water in the river falls and better catches are made.

A Large Raft.

The large raft of logs landed at Springhill this season was brought down the river yesterday by Messrs. John Anderson, jr., and Warren Ebbett of the Barony. It contained twenty-five joints of hemlock, and was for the Scott Lumber company.

Rifle Club Meeting.

The annual meeting of the Fredericton Rifle Club is to be held in the C. R. C. rooms, Queen Street, on Wednesday evening next. As arrangements for the approaching season's matches are to be made, it is to be hoped that there will be a good attendance of members.

Thanks, Brother.

The Fredericton Herald is showing signs of prosperity. The owners have introduced the Monoline type-setting machines, which will be an improvement in many ways. We might incidentally mention that our contemporary is becoming more newsy and seems eagerly sought by the general run of advertisers.—Carleton Sentinel.

Death at Durham.

The death occurred at Durham yesterday from general debility of Mrs. Samuel Bubar, a well known and respected resident. She leaves a sorrowing husband, four sons and three daughters to mourn their loss. The funeral takes place tomorrow (Sunday) at 2.30, with services by Rev. A. D. McLeod. Robert B. Adams, undertaker of this city, has charge of the arrangements.

A Good Market.

Although the farmers are busy putting in their crops, quite a number found their way into the market this morning. The variety of country produce offered for sale was not large, but the quality was good and fair prices prevailed. Ben Davis apples brought \$3 per barrel, and potatoes sold for \$1.80. Eggs were in brisk demand at 14 and 15 cents per dozen and butter brought 18 cents. Fresh veal sold for 6 and 7 cents.

The Real Widow Brown.

Not too gay, but up to date is "The Real Widow Brown" who comes to our city soon. This charming personage is surrounded by a company of dramatic and fun making ability. Aside from the merriment and good feeling occasioned by this farcical play proper, there is engrafted all that is good and new in the line of specialties. To see "The Real Widow Brown" is to indulge in a rare treat in the way of theatrical entertainments.

Scored Another Success.

The Fiske Stock Company is having a remarkably successful week at the opera house, which goes to show that merit always finds its reward. The bill last night was "Breaking the Ban," and it was one of the most pleasing productions of the week. The audience was a very large one, every seat in the building having an occupant. The strong points of the piece were well brought out, and the costumes and stage settings were very fine. This afternoon they gave a very successful matinee performance, Cinderella being

the bill. The regular engagement will close this evening, but on Sunday night, commencing at 8.30, the Company will give a sacred concert.

Coming Musical Treat.

The grand orchestral concert to be held in the church hall on Monday evening promises to be the musical event of the season and should be liberally patronized. A splendid programme will be carried out by local talent among those to take part being Mrs. John Black, Mr. E. H. Ley, Miss Nan Thompson and Mrs. F. B. Edgcombe. Mr. Powell's symphony orchestra will render a number of choice selections. The general admission will be 25 cents and reserved seats can be had at McMurray's for 50 cents.

The survival of the fittest is to be found in Edgcombe's corset department, in the celebrated D & A corset, for which Mr. Edgcombe is agent in Fredericton. You can have all sizes and prices and styles in this comfort going corset.—d.

SUNBURY MAN'S DEATH.

Mr. Thomas L. Simmons of Lakeville Corner Called Away.

Mr. Thomas L. Simmons, a well known and respected resident of Lakeville Corner, died at that place last night after an illness of only two days from heart trouble. He was seventy-three years of age and is survived by one son, Mr. John C. Simmons. He also leaves three sisters, Mrs. John Ferguson, Mrs. Isaac Davidson of this city and Mrs. George Hunter of Florenceville. The late Mr. James E. Simmons, the well known bridge builder of St. Marye, was a brother of the deceased and Messrs. S. Dow Simmons and C. J. B. Simmons of this city are nephews. His wife died just one year ago. The funeral will take place at 2.30 p. m. on Sunday, with services by Rev. Harry Harrison. Undertaker Robert B. Adams has charge of the funeral arrangements.

An Opportunity for Parents.

The Maritime Boys' Camp, which is held annually at St. Martins under the auspices of the Y. M. C. A., will be held this year in July. Preparations are now being made to obtain large contingents of boys for this outing, and Fredericton promises to offer its share. The object of camp is to give boys between twelve and sixteen a good outing under good leadership and surrounded by good influences. Secretary Ley will have personal management of the Fredericton division and parents who desire to take advantage of this opportunity are invited to communicate with him. The fee is \$15, which includes board for two weeks and transportation from Hampton to St. Martins. Many boys have already handed in their names.
