

Just a little too far and the woman who reaches over the cliff for the coveted flower goes crashing down into the abyss below. Just a little too far and the woman, who, day by day, neglects to cure the womanly diseases which weaken her is prostrated upon a bed of sickness.

No woman should trifle with the diseases peculiar to her sex. Neglect to-day means a worse condition to-morrow.

Dr. Pierce's Favorite Prescription is a safe and reliable remedy for the cure of diseases peculiarly womanly. It establishes regularity, dries enfeebling drains, heals inflammation and ulceration and cures female weakness.

"My wife, Mrs. Mary Estes, has been taking your medicine and received great benefit from it," writes Mr. Geo. Wm. Estes, of Spring Grove, Va. "Was troubled with female weakness, heavy, bearing-down pains, severe pain in back and head, and a tired, worn-out feeling all the time. Tried all the remedies we could hear of, but they did no good. Finally we wrote to you and my wife commenced taking 'Favorite Prescription.' Took ten bottles, and is in better health than before in a long time. We shall always recommend Dr. Pierce's Favorite Prescription to all who are thus afflicted."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

Dislocated Her Shoulder.

Mrs. Johanna Soderholm, of Fergus Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it back in place as soon as possible, but it was quite sore and pained her very much. It quickly relieved her and enabled her to sleep which she had not done for several days. For sale by all druggists.

Stomach Troubles.

A disordered stomach may cause no end of trouble. When the stomach fails to perform its functions the bowels become deranged, the liver and kidneys congested, causing numerous diseases, the most fatal of which are painless and therefore the more to be dreaded. The important thing is to restore the stomach and liver to a healthy condition, and for this purpose no better preparation can be used than Chamberlain's Stomach and Liver Tablets. For sale by all druggists.

SHOT GUN - PRESCRIPTION -

We suppose we are not revealing any trade secrets when we say that many medicines are made up on the principle of the so-called "Shot Gun" Prescriptions, which were formerly somewhat in vogue. The idea of the Shot Gun Prescriptions was to put into a medicine a large number of different drugs, each useful for different purposes, in the hope that some of them might hit the case.

The most successful physicians we know use a more direct method. The medicine we sell over our own name, and guarantee, does the same. This medicine is called

Staples' Dyspepsia Remedy.

It is the best remedy we know of for Dyspepsia in all forms, such as Indigestion, Costiveness, Biliousness, Sour Stomach, Heartburn, Water Brach, Sick Headache and all the terrible diseases caused by Dyspepsia. It is not a scattering "Shot Gun" Prescription but it goes straight to the mark, and has cured so many people right here in town, that it gives us confidence to sell it on an absolute guarantee, as follows: If you use a bottle and it does not help you, we will give you your money back without a word of complaint. We could not afford to guarantee it so boldly if we had not seen it succeed ninety-eight out of every one hundred cases.
