

Events of a Day.

Weather Forecast.

Moderate south west winds, cloudy with showers. Thursday fresh west and north west winds, fair and cool.

School Exams.

The public examinations in the city schools will take place on Saturday morning commencing at ten o'clock.

Will Meet Here.

The New Brunswick Dental Society is to hold its annual meeting in this city on the 13th and 14th of next month.

Band Concert.

The Fredericton Brass Band rendered a capital program of music on the up town band-stand last evening. There was a large turnout of people and the music was greatly enjoyed.

Exams Finished.

The High School entrance examinations, which have been going on at the Normal school building since Monday, were concluded this afternoon. The result will not be announced for several days yet.

Kelly---Cunningham.

Mr. Gordon Kelly, a well known young truckman of this city, formerly of Kingsclear, and Miss Annie Cunningham, were married at the bride's home on George street at three o'clock this afternoon. Rev. Willard Macdonald performed the ceremony.

Moonlight Excursion.

The Oddfellows count on a big crowd at their moonlight excursion on the river tomorrow evening. The Victoria will leave her wharf at 8.30 and will return about midnight. The opportunity for a delightful sail by moonlight is one that should not be allowed to slip by.

Wild Grass Sale.

The right to cut grass on the ungranted crown lands of the province, was sold at the crown land office at noon today. The sale was rather slimly attended and the total receipts from twenty berths sold was \$26.25. The only berth not sold is located on the Yoho stream, York County.

Had Lots of Sport.

Messrs A. A. Coburn and Charles Fowler returned home yesterday from a very successful fishing trip to Cain's river. They canoed from Zionville to Blackville, a distance of over fifty miles and caught a lot of nice trout while en route. Messrs W. Harry Allen and Arthur Pingle were the guides.

Trout Mezzo Work.

Messrs. Esmack Bros. have on exhibition in their window two fine specimens of their famous trout mezzo work, which are being very much admired. The trout used were caught on the Pokiook by Dr. W. J. Irvine, and weighed nearly three pounds each. A mammoth trout caught by Mr. Daniel Canty a few days ago, has also been mezzod by Esmack Bros.

Transferred to Halifax.

W. F. Mitchell, manager of the Royal Bank of Canada at Charlottetown, some years ago manager of the Fredericton agency, has been appointed relieving manager for the above bank at headquarters, Halifax. He begins his new duties in a fortnight and is succeeded at Charlottetown by R. V. Dimock, manager of the Woodstock branch.

An Appropriate Attraction.

One of the attractions at the Y. M. C. A. garden party at the old government house on Dominion Day, will be an exhibition known as Grand Father's Album. This will be given in one of the splendid halls of the building, and promises to be a very interesting. On the grounds there will be a magic lake, a fortune teller and games of skill. Admission to this, which begins at 3 p. m. will be 10 cents.

Appointment.

Miss Margaret Nicholson of this city, has been notified of her appointment as primary teacher in the School for the Blind at Halifax and will enter upon her new duties September 1. Miss Nichol-

son's preferment is all the more to be appreciated since it has come to her without solicitation. She is recognized as a very capable teacher, and her numerous friends will wish her success and enjoyment in her situation.

PERKINS---NILES.

Pretty Nuptial Event at Gibson This Afternoon.

The nuptials of Mr. J. Albert Perkins, salesman in the dry goods establishment of John J. Weddall & Son, and Miss Lizzie Niles, fourth daughter of Mr. and Mrs. Hubbard Niles, were celebrated at the home of the bride's parents at Gibson this afternoon. The ceremony was performed at three o'clock by Rev. James Crisp in the presence of a number of invited guests, chiefly relatives and immediate friends of the contracting parties. At the conclusion of the ceremony luncheon was served, and the bride and bridegroom received the hearty congratulations of the assembled guests.

The bride, who is a very amiable and popular young lady, was the recipient of a host of beautiful and costly wedding presents. The Fredericton Brass Band, of which Mr. Perkins is one of the most efficient members, presented her with a brass mounted bedstead, and the employees of Weddall & Son, gave her a beautiful Morris easy chair.

Mr. and Mrs. Perkins will take their departure by the 5.30 train this evening on a honeymoon trip to Boston and other American cities. They will be followed by the best wishes of a host of friends.

Excursionists from Houlton.

The Knight Templars' excursion from Houlton, numbering about eighty persons including the Houlton Brass Band, arrived here by the late train last evening and went to St. John by boat this morning. The Knights, wearing the handsome uniforms, formed in procession at the depot and were played to their hotels by the band. Despite the lateness of the hour a large crowd witnessed the turnout, which was a most creditable one. The only cause for regret was that the street lights were not turned on and the visitors had to make their way through the streets in darkness.

A Close Call.

Mr. Edward Kelly, one of the clever comedians with the R U A Mason Company, had a narrow escape, according to his own story, from a watery grave this morning. Mr. Kelly is an enthusiastic nimrod, and in company with two lady members of the company went out in a small boat before breakfast to enjoy a fish. He hooked a large fish, probably a salmon or sturgeon and in the battle which followed the boat boat was capsized. Mr. Kelly gallantly rescued one of the ladies and the other swam ashore unaided. The fish and boat are said to be going yet.

Camp Sussex.

The 71st York Regiment and the R. C. R. will leave on the morning of Tuesday next for Sussex to undergo twelve days training. Quarter-Master Pringle and several men will leave for Sussex on Monday to take over the camp equipment. The new army service corps will not go into camp this year, but Capt. Massie, the commanding officer, is to fill a position on the staff. The captains of the 71st report little difficulty in recruiting this year, so those wishing to go to camp will need to apply early.

After a Pension.

Mr. Thomas Smith, the well known King street blacksmith, who fought in the American Civil war on the side of the north, has made application to the U. S. government for a pension. Mr. Smith is also one of the Fenian raid veterans and has a medal for long service in the Canadian militia. He is confident the Washington authorities will recognize his claim.

A Tragic Death.

Sunny Jim, the diminutive canine owned by Mr. W. D. McKay and a great pet among the guests at the Barker House, was struck by a horse on King street this morning and instantly killed. Mr. McKay feels his loss very keenly.

CHURCH UNION.

Resolution Passed by the Methodist Conference.

At the Methodist conference yesterday afternoon the committee on church union presented the following resolution which was carried unanimously:

"This conference having taken note of the rapid and widespread development in the Methodist, Presbyterian and Congregational churches of Canada of a sentiment favorable to the organic union of those churches; of the fact that representative ministers and laymen of these churches have expressed their strong conviction that such a union is both desirable and feasible; and of the further fact that the Presbyterian General Assembly has appointed a committee of sixty of its leading members to confer with the representative of the other churches on the subject, hereby resolves that in this desire for visible unity so spontaneously developed, the conference is glad to discern a proof that the minds and hearts of the membership of these churches are being brought to an increased degree under the influence of the Divine Spirit and of the love of the Lord Jesus. The conference recognizes the possibility of difficulty involved in framing out of composite elements a new ecclesiastical constitution and in harmonizing existing creeds without sacrificing the conscientious convictions of any believer in essential Christian truth, but expresses the hope towards the realization of which it hereby pledges its best efforts, that these difficulties will not prove unsurmountable when they come to be dealt with by Christian men intent only on establishing more firmly and more widely in this land the Kingdom of their common Saviour and Lord."

Although the resolution was not opposed it called forth eloquent speeches from Dr. Allison, Dr. Inch, Dr. Rogers and ex-President Berrie.

The following were appointed a committee on temperance to co operate with the Dominion Alliance.

Rev. J. C. Berrie, Rev. H. E. Thomas, Dr. Scott, Mr. J. R. Willet.

The conference closed last night and most of the members have left for their homes.
